### Resolution

*Of The Meeting*

About Car Free Day

The following resolutions were passed unanimously:

#### Resolution 1.

The committee resolves to implement "Wheels Off Day" as a regular event to encourage environmental sustainability and reduce the carbon footprint on campus. All students, faculty, and staff are encouraged to participate by refraining from using personal and public vehicles on campus every Wednesday.

#### Resolution 2.

The committee resolves to initiate awareness campaigns to educate the college community about the benefits of "Wheels Off Day." These campaigns will include the distribution of informative materials, organization of workshops, and active promotion on social media platforms.

#### Resolution 3.

The committee resolves to establish a monitoring system to assess the participation and impact of "Wheels Off Day." Feedback will be collected from participants to continuously improve the initiative and ensure its success.

#### Resolution 4.

The committee resolves to explore and implement additional sustainability initiatives that align with the college's commitment to environmental stewardship. This includes the consideration of renewable energy sources, waste reduction programs, and green infrastructure projects.

The Green Campus Committee is committed to making "Wheels Off Day" a cornerstone of our college's environmental efforts. We look forward to the active involvement of the entire college community in making this initiative a success.

## Resolution

*Of The Meeting*

### About International Biodiversity Day

In our recent meeting celebrating "International Biodiversity Day," the Green Campus Committee reached several important resolutions to enhance our environmental initiatives. Here are the key Outcomes:

#### Resolution 1:

The committee resolves to initiate and intensify environmental awareness campaigns within the campus. These campaigns will include:

- Organizing educational workshops on sustainability.
- Hosting seminars featuring environmental experts.
- Conducting interactive sessions to engage the student body in green practices.

The goal is to foster a culture of environmental responsibility and active participation in sustainability efforts.

#### Resolution 2:

The committee agrees to allocate necessary funds for the successful implementation of the Biodiversity Observation Program. The allocated budget will cover:

- Purchase of equipment for biodiversity observation and recording.
- This resolution ensures that the program is adequately resourced to provide a comprehensive educational experience.

#### Resolution 3:

The committee resolves to recruit student volunteers to support the Biodiversity Observation Program. Volunteers will be involved in:

- Assisting with the organization and execution of program activities.
- Facilitating guided biodiversity walks.
- This resolution aims to enhance student engagement and provide hands-on experience in conservation efforts.

#### Resolution 4:

The committee reviewed the progress of ongoing projects and resolved to:

- Continue and expand the current recycling program.
- Enhance the tree plantation drive with increased participation.
- This resolution reflects the committee's commitment to continuous improvement and expansion of environmental projects.

These resolutions are set forth to guide the committee's actions and reinforce its dedication to creating a sustainable and environmentally conscious campus.
