Report on Educational Tour to Visva Bharati University

Objective: The Department of English organized an Educational Tour to Visva Bharati University, Bolpur, on February 20, 2020, for 20 students enrolled in the English Department. The tour aimed to enhance their understanding of Tagore's works, particularly relevant for their curriculum, which includes the study of Tagore's poetry and novels. During the visit, students explored various significant sites within the university premises, such as Tagore's Museum and the central library.

Outcomes: The tour proved highly beneficial for the students. It provided them with firsthand exposure to the environment that nurtured Tagore's creativity, enriching their understanding of his literary works. Additionally, having lunch at the Visva Bharati University Canteen offered a glimpse into campus life, fostering a sense of belonging and encouraging them to consider further studies at the university. Moreover, the tour facilitated a stronger bond between students and teachers, fostering a supportive and conducive learning environment within the department.

Overall, the Educational Tour to Visva Bharati University significantly contributed to the academic and personal development of the students, aligning with the department's objectives of providing holistic education and fostering a deeper appreciation for literature.

Field Study Report:

With the visit to the historical place of the Ganpur forest and Shib Pahari our students were very much benefitted and were insighted with new first-hand knowledge. Their minds were filled with curiosities and were introduced to new ways of looking at things which crossed their boundary of knowledge gained through book learning. Such kinds of field visits would really benefit the student and enhance the learning process and make a difference in acquiring knowledge.

A STUDY TOUR REPORT FROM BIRLA PLANETARIUM, KOLKATA

We started our journey from Rampurhut Railway station on the pre-selected day by train which we left in Howrah station. From railway station we reached our destination around 11:30 am by bus. Within 50 minutes we enjoyed with a new experience regarding our endless universe. We have seen the Solar System, sky and seasons, eclipses, Earth, Man on Moon, comets, shooting meteoroids, stellar cycle, and the deep sky. After completion of the show, we came to the station after tiffin. We caught train at Sealdah station duly and came back with great satisfaction.
