Subject: *Permission to inaugurate a meeting to observe World Energy Conservation Day titled by "Sustain Energy Drive" Awareness Program and Conduct Survey*

Respected Sir,

I am writing to you as the Convener of the Green Campus Committee to seek your esteemed presence and permission to to conduct a meeting aimed for conducting an awareness program titled "Sustain Energy Drive" and conduct a survey within the college premises. The event is scheduled for Dec 5, 2019 at 1:30 PM in Teacher's Room.

The "Sustain Energy Drive" aims to educate our students and staff about the importance of sustainable energy practices and encourage them to contribute to energy conservation. The survey will gather insights on current energy usage patterns and identify potential areas for improvement.

Your support and guidance have always been pivotal to our initiatives. We believe that your presence will greatly emphasize the importance of this meeting and inspire our committee members to enforce these necessary regulations diligently.

We believe your support and guidance will greatly enhance the impact of this initiative. We look forward to your positive response and gracious presence at the event.

Thank you for considering our request.

Yours faithfully,

Conclusion Report and Outcome Of the Event

The Green Campus Committee successfully organized the "Sustain Energy Drive" awareness program, which aimed to promote sustainable energy practices among our college community. We are pleased to share the outcomes and key highlights of the program:

- The seminar focused on creating awareness among students and faculty members about energy conservation
- It emphasized individual efforts to use energy efficiently and reduce wastage.
- The ultimate goal was to move towards sustainable energy practices.
- Workshops on DIY energy-saving techniques, composting, and rainwater harvesting were well-received.
- Participants learned practical ways to incorporate sustainability into their daily lives.
- Survey results revealed awareness gaps and highlighted areas for improvement.
- Eye-catching posters and banners adorned the campus, reinforcing energy-saving tips.
- Ideas included setting up solar-powered charging stations, organizing tree-planting drives, and promoting cycling to reduce carbon footprint.
- Participants reported a better understanding of energy conservation principles.
- Many students pledged to switch off lights and appliances when not in use.
- The college community demonstrated commitment to sustainability.

Conclusion:

In conclusion, the seminar on Energy Conservation Day served as an important platform to educate and inspire our college community towards energy-efficient practices.

Resolution

A meeting among the faculty members of Political Science Dept. is held in room no 118 under the chairmanship of HoD Prof. Jayanta Kumar Barman.

The resolutions are as follows:

- The proceedings of the last meeting are read and confirmed
- A decision has been taken unanimously that our department will celebrate the Indian Constitution Day and for this purpose a permission must be taken from our principal.
- As we are organizing this program within a short notice we are unable to have any speaker or scholar from other institution. Hence, it is decided that prof. Jayanta Kumar Barman will deliver a speech.
- It is decided that after getting permission from the principal we will notify our students and all other members of the college.
- It is decided that a polite approach for class suspension can be placed before the Principal, so that all the students may be our target audience.
- It is also decided that a small tiffin pack will be provided to each of the student.

REPORT

An awareness program was organized by the Gender Cell of the College in collaboration with the IQAC of the College on 3rd March 2020 to sensitize the students about the concept of gender- based violence with Mr. Debkrishna Saha and Mrs Sanhita Samanta as the speakers on that day. The event was attended by 43 students and 5 teachers apart from the speakers and it was an extremely interesting session as a number of issues were brought up in the program to build awareness about how the modern society is facing the increasing amount of gender- based violence in their lives.

The primary objective of the program was to make the students understand the concept of violence which can take place in a variety of ways. Mrs Sanhita Samanta spoke about the various kinds of violence which can take place on women irrespective of any country or any particular society and can even go unnoticed by others. She gave examples of how violence against women gets manifested in a variety of ways like physical violence such as assault or slavery, emotional or psychological violence such as verbal abuse, sexual violence like rape and many other ways of inflicting pain and torture which also includes denial of basic facilities and imposition of confinement on women. Domestic and workplace violence was also an important topic raised in this discussion by the speaker.

Mr Debkrishna Saha elaborated on the other aspect of the concept of gender based violence in terms of violence which can take place against men. Although a topic of lesser interest, domestic violence against men is also not uncommon as it is violence or other physical abuse towards men in a domestic setting such as marriage or cohabitation. The speaker elaborated on the similar ways of violence against men which might lead to psychological distress in both male and females. There is however a different set of laws addressing the issue of GBV against men.

The outcome of the program was that the participants came to know about the different areas of concern that might be raised due to the practice of violence and severity upon both men and women in a primarily patriarchal society. They came to know about the various laws and measures to curb the growing nature of violence across the world. The topic of verbal and psychological abuse inflicted upon both genders was a new topic to grab the attention of the participants of the program.
