Subject: Permission to Conduct a Special Lecture on Partial Differential Equations

Sir,

I hope this letter finds you in good health and high spirits. I am writing to seek your permission to organize a special lecture on the topic of **Partial Differential Equations** for the students of the Mathematics Department. This lecture is intended to provide an in-depth understanding of the subject, which is crucial for the academic advancement of our students.

The lecture will be delivered by **Prof. Surya Kanta Mondal**, who is a renowned expert in the field of mathematics and has a significant contribution to the study of differential equations. The details of the lecture are as follows:

- **Topic:** Concepts in Partial Differential Equations
- **Date:** 08/07/2022
- **Time:** 11:30 AM
- **Venue:** Smart Room 2
- **Expected Attendees:** Students of the Mathematics Department

We believe that this lecture will greatly benefit our students by enhancing their knowledge and providing them with a unique opportunity to interact with an expert in the field. It will also contribute to the academic reputation of our institution.

We request your approval to proceed with the necessary arrangements for this lecture. We will ensure that all college guidelines and protocols are followed during the event.

Thank you for considering our request. We look forward to your positive response.

Sincerely,

Date: 23/06/22

Subject: Approval for Conducting Special Lecture on Partial Differential Equations
Madam,

I am pleased to inform you that your request to conduct a special lecture on the topic of **Partial Differential Equations** has been approved. I understand the importance of this lecture in enhancing the academic knowledge of our students and appreciate your initiative in organizing such an enriching educational experience.

I trust that you will ensure all college guidelines and protocols are adhered to during the event.

Report on Special Lecture:

The Mathematics Department at THLHM successfully conducted a special lecture on **Partial Differential Equations** on 08/07/2022. The event was graced by the presence of Prof. Surya kanta Mondal, a distinguished mathematician and an authority on the subject.

The lecture commenced at 11:30 AM with a warm welcome address by Dr. Sewli Chatterjee, Head of the Mathematics Department. The guest lecturer then took the stage to deliver an insightful presentation that covered advanced concepts and applications of partial differential equations. The topics discussed included the method of characteristics, Fourier series solutions, and numerical methods for solving PDEs.

The students participated actively, engaging in a thought-provoking question-and-answer session following the lecture. The interaction allowed students to clarify doubts and gain deeper understanding of complex topics.

The event concluded with a vote of thanks by Dr. Sewli Chatterjee, who expressed gratitude to the guest lecturer for sharing their expertise and to the students for their enthusiastic participation. Refreshments were served, and the students had the opportunity to network with the guest lecturer and faculty members.

The special lecture was a resounding success, contributing significantly to the academic enrichment of the Mathematics Department. The department looks forward to organizing similar events in the future to foster a vibrant learning environment.

The special lecture on Partial Differential Equations was a resounding success, leaving a lasting impact on both students and faculty members. Here are the key outcomes and conclusions:

1. The lecture provided students with an in-depth understanding of partial differential equations beyond what is covered in regular coursework.
2. Having Surya kanta mondal, an eminent mathematician, as the guest speaker allowed students to interact with someone who has made significant contributions to the field. Students had the opportunity to ask questions, seek clarifications, and gain insights from real-world examples.
3. The event facilitated networking among students, faculty, and the guest lecturer. Informal discussions during the refreshment break led to potential collaborations and exchange of ideas.
4. The lecture reinforced the importance of mathematics as a fundamental discipline. Students realized its relevance in various scientific and engineering domains, inspiring them to delve deeper into mathematical concepts.

In conclusion, the special lecture served as a catalyst for intellectual growth, fostering a passion for mathematics and encouraging students to explore the fascinating world of partial differential equations. The Mathematics Department aims to organize more such enriching events in the future to nurture academic excellence.

NE DAY AWARENESS PROGRAM ON VOTERS'DAY

Organized by Electoral Literacy Club

Collaboration with

Department of Political Science

THLH Mahavidyalay

(14 July 2022)

Time: 12.30 PM

**Venue: Smart
Class Room**

Advisors

Dr. Amit Kumar Chakraborty
Principal, THLH Mahavidyalay

Dr. Suman Mukherjee
Coordinator, IQAC, THLH Mahavidyalay

Speakers

- **Jayanta Kumar Barman**, Dept. of Political Science, THLH Mahavidyalay
- **Dr. Monalisa Ghosh**, Dept. of Political Science, THLH Mahavidyalay
- **Sanhita Samanta**, Dept. of Political Science, THLH Mahavidyalay

Purpose of the Awareness Camp:

- **Objective:** The Voters Day Awareness Camp aims to educate and encourage citizens about the importance of voting and the electoral process.
- **Target Audience:** The camp is open to all eligible voters, especially first-time voters and youth, to ensure they understand their rights and responsibilities.

About National Voters' Day: National Voters' Day is celebrated on 25th January every year to mark the foundation day of the Election Commission of India, which was established in 1950.

Significance: This day aims to encourage more young voters to take part in the electoral process. It emphasizes the importance of voting in a democracy and the power of each vote.

RESOLUTION

A meeting among the members of ELC is held in the meeting room under the chairmanship of the co-ordinator, IQAC Dr. Suman Mukherjee.

The resolutions are as follows:

- The formation of ELC in the last meeting are read and confirmed.
- A discision has been taken unanimously that ELC will organize will be a **Voters' Day Awareness Camp** for young voters and for this purpose permission must be taken from our Principal.
- It is decided that the program will be in collaboration with the Department of Political Science and IQAC.
- It is decided that the internal members i.e. prof. Jayanta Kumar Barman, Dr. Monalisa Ghosh, Prof. Sanhita Samanta will be the speakers in this program.
- It is also decided that the target audience will be all the students of our college for this program.

Sub: Approval for conducting a Voters' Day Awareness Camp

Sir,

We, the Electoral Literacy Club is planning to organize a *Voters' Day Awareness Camp* on 14th day of July. Our students are the young voters and they should aware of their democratic right. So, we, the members of ELC think it will benefit our students. The program will be collaborated with Dept. of Political Science and IQAC.

We will be extremely grateful, if we are allowed to procure the necessary resources needed for organizing this program.

Thanks and regards.

OBJECTIVES OF THE PROGRAM

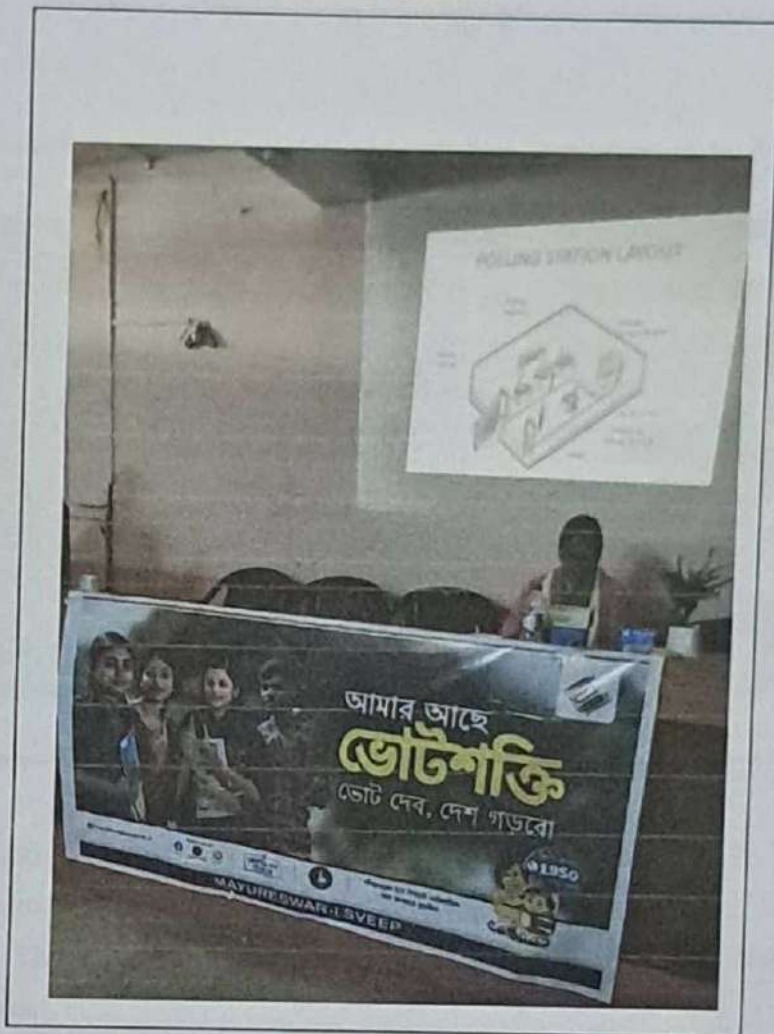

- To make the students aware about the Parliamentary Democracy.
- To convey the importance of one vote
- To convey the clear idea about the voting mechanism.
- To make the students aware about their political right.
- To motivate the young generation to honour our rights and duties as reflected in Indian Constitution.

OUTCOMES OF THE PROGRAM

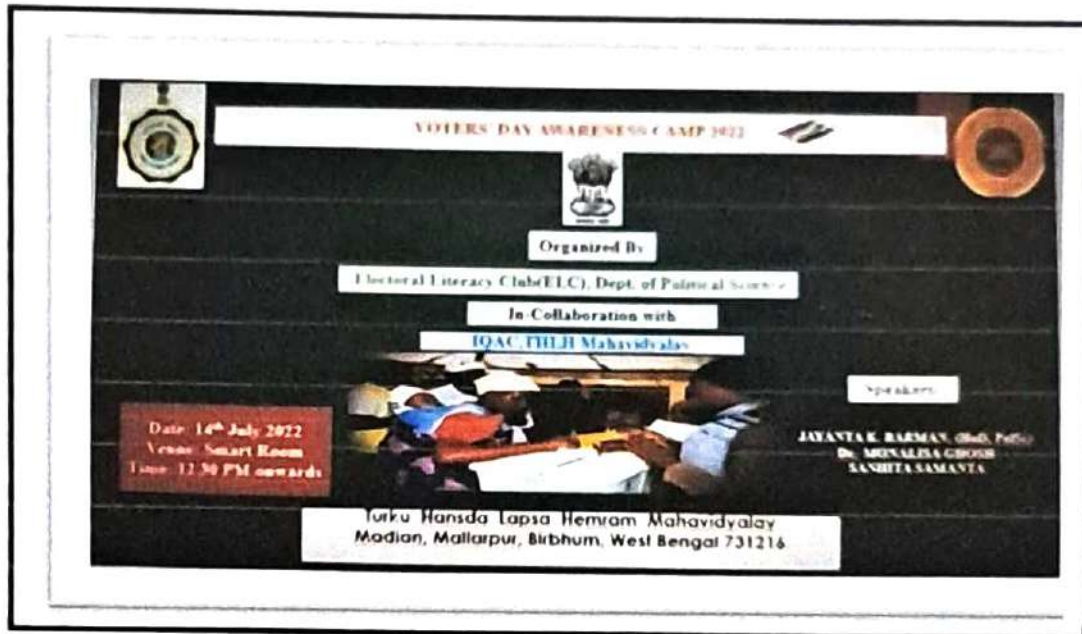

- The students will enjoy the entire session.
- The student will understand the constitutional values and culture.
- They will realize that they have also a big role in nation building because it's our heritage.
- Interactive session will help them to be more communicative and socially and politically conscious

REPORT

A Voters' Day Awareness Camp for young voters was organized by the Electoral Literacy Club (ELC), in collaboration with Dept. of Political Science and IQAC on 14/07/2022 from 12.30 P.M. The speakers were Prof. Jayanta Kumar Barman, Dr. Monalisa Ghosh and Prof. Sanhita Samanta.

Including students several teaching and non-teaching members were also present in this program. Total participants were 51. All the participants were very much attentive and after the lecture series there was an interactive session and it was very effective. Hope, the program enlightened the students and they were enriched by this program.

বক্তৃত্ব **বেজলাশন**

The Meeting starts under the chairmanship of Bratati Chakraborty, HOD of Sanskrit Department.

- The proceedings of last meeting are read and conformed.
- Like the previous year a Spoken Sanskrit Course will be conducted by the department on the next month. The Tentative Starting Date is 09/11/2022. This year that will be conducted through offline. It is resolved that the course will be a Eight-Day Course of 32 hours. The syllabus of the course is the same as previous year. The internal faculty members will take the classes. Interested students of Sem I and III (hons current batch) will register themselves. Others classes will run according to timetable. After finishing the course a Certificate of participation will be given to the candidate. For conducting the course the necessary steps will be taken as soon as possible.
- Semester V and III (CBCS) will be held in coming month. The teachers are requested to sum up their syllabus which is taught to the students, and prepare questions for the internal examination.
- It is decided by the Exam Cell of our College that the Internal Exam of Hons Papers will be conducted by the department and the Generals will be conducted by the college exam cell centrally.
- A 'Jyotirgamaya Prabhasana Special Lecture' will be held on 16/11/2022 on Abhijnanashakuntalam. We are verbally approached to Dr Krishna Dhibar, Assistant Professor, Department of Sanskrit, Rampurhat College for delivering a lecture. He gives his consent. The topic is 'Abhijnanashakuntalam, A Drama Critical Analysis'.

B. B. The meeting ends with thanks to all Present.

Report of the Special Lecture:-

The Sanskrit Department in Collaboration with IQAC of THLH Mahavidyalay conducted a Special Lecture on 'Abhijnanashakuntalam, A Drama : Critical Analysis' for the Hons Students of Sanskrit Department on 16/11/2022. It was a special lecture under ' Jyotirgamaya Prabhasana Lecture Series'. 24 participants were joined the Lecture (Student- 18, Teacher- 6). The Lecture was conducted in Departmental Class room (201).

The Speaker Dr Krishna Dhibar, Assistant Professor in Sanskrit of Rampurhat College enlightened us by his lecture. Abhijnashakuntam is a famous drama of Kalidas which is very familiar to us. As a drama its critical analysis is pointed out by the speaker. The characteristics of a drama which are made by the Scholars are seen in the Abhijnanashakuntalam. The Students were enriched by his valuable Speech. All the participants were enjoying the speech with good responses and enthusiasm.

REPORT:

A Career guidance Program was organized by the Bengali Department and the Career Guidance Cell in collaboration with the IQAC to highlight the various possibilities which could enable the students of the Course achieve social empowerment and success in the employment sector after completion of the Course. The two speakers highlighted about the diverse opportunities that Bengali Literature students usually have after their Graduation and Masters are complete.

Job opportunities in the field of teaching at all kind of educational institutions and pursuing Research after completion of the Course were two major areas discussed by the first speaker. The newly admitted students were introduced with the concept of all kind of State and National Level Competitive exams like the TET, NET, SET, GATE, JRF etc by speaker Chandan Mandal. The changing pattern of these job entrance eligibility tests were also focused upon to make the event more pragmatic in its approach. Some relevant out of the syllabi books were also suggested during his deliberation.

The second speaker, Babucharan Rabha Discussed the Problem and opportunities Bengali languages and literature. and other significant career opportunities like that of getting employed as News Reporters, Journalists and Media Assistant Reporters after the successful completion of the relevant degrees in Bengali Literature as well as other necessary professional courses in these areas which could be pursued after their undergraduate Course. He focused upon the importance of developing the creative quality while studying a Course in any kind of Literature and Bengali.

REPORT:

A Career guidance Program was organized by the English Department and the Career Guidance Cell in collaboration with the IQAC to highlight the various possibilities which could enable the students of the Course achieve social empowerment and success in the employment sector after completion of the Course. The two speakers were also the Faculty members of the Department and they highlighted about the diverse opportunities that English Literature students usually have after their Graduation and Masters are complete.

Job opportunities in the field of teaching at all kind of educational institutions and pursuing Research after completion of the Course were two major areas discussed by the first speaker Mrigen Mondal. The newly admitted students were introduced with the concept of all kind of State and National Level Competitive exams like the TET, NET, SET, GATE, JRF etc by this speaker. The changing pattern of these job entrance eligibility tests were also focused upon to make the event more pragmatic in its approach. Some relevant out of the syllabi books were also suggested during his deliberation.

The second speaker, Bidyut Kumar Mondal highlighted other significant career opportunities like that of getting employed as News Reporters, Journalists and Media Assistant Reporters after the successful completion of the relevant degrees in English Literature as well as other necessary professional courses in these areas which could be pursued after their undergraduate Course. He focused upon the importance of developing the creative quality while studying a Course in any kind of Literature and English being the Lingua France, its importance in the field of employment is immense. The speaker emphasized on the Career opportunities like getting job in MNC or other such enterprises available to English knowing candidates today's world. The students were unaware about most of these available options as many of them did not have enough resources to guide them through. The program was indeed a highly successful one as 38 participants could extend their vision beyond the usual limited means of career options available in their area of studies.

Short Report

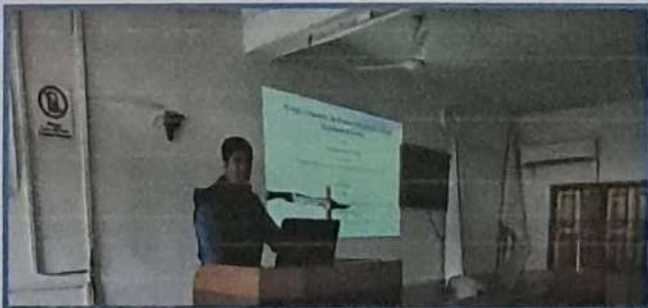

In the academic session of 2022-2023, the Anti-Ragging Cell of Turku Hansda Lapsa Hemram Mahavidyalay organized an awareness program on "Ragging: A Stain on Education" on 14 December 2022. The course was overseen by the Principal and guided by the Coordinator of the Internal Quality Assurance Cell. Dr. Jagannath Mondal, Assistant Professor of Geography, THLH Mahavidyalay, Birbhum delivered a lecture on "Ragging: A Stain on Education". All the participants have been enriched by an awareness program about Ragging.

Report of the Workshop :-

The Internal Quality Assurance Cell (IQAC) of THLH Mahavidyalay was conducted a workshop on CBCS (Choice Based Credit System) in Collaboration with The Department of Controller of Examinations, university of Burdwan on 4th January, 2022. The Eminent Speakers were came from University of Burdwan. The First Speaker was Sri Krishnendu Mazumder, Assistant Controller of Burdwan University and the Second speaker was Sri Syamaprosad Dey, Senior Secretary, Council of UG Studies, University of Burdwan. The Workshop was Conducted in the Smart Room of our College. 119 participants were attended the programme. Among them Students were 93 and rest were teaching and non teaching faculties of the college.

Our Students are Studying UG course under the CBCS System which is adopted by our University. They have many doubt about course pattern, subject selection etc. Mr. Syamaprosad Dey, Senior Secretary of UG Council clearly presented the total course pattern to us step by step. He pointed out total credit for the Hons and General Student and cleared the concept of Credit. Then the Assistant Controller, Mr. Krishnendu Mazumder discussed the examination structure and process. He explained all portion of the Grade Card to the Students to clear all doubt about Grade Card. The Students and the teaching and Non teaching staff were very much benefited by this programme. That was a Successful Workshop on CBCS.

Report of the Workshop :-

The Internal Quality Assurance Cell (IQAC) of THLH Mahavidyalay was conducted a workshop on Preparation of AQAR for NAAC on 5th January, 2022. Dr Suddhsattwa Dey, IQAC Coordinator of Hiralal Bhakat College, Nalhati, Birbhum was the Eminent Speaker of the programme. The Workshop was Conducted in the Smart Room of our College. 36 participants were attended the programme. The programme was conducted for the teaching and Non teaching Faculties of our College.

We are going to face the NAAC visit for the renewal of the accreditation of NAAC. In 2016 we had successfully done our NAAC Visit and Gained Grade 'B'. It is the time of Renewal. For NAAC Visit the first step is AQAR Submission. We are on our way to submit the AQAR. The programme was conducted by IQAC to see our progression and to solve the problems that we have Faced. The speaker guided us with proper references and sheared his practical experiences as example. He tried to make NAAC easy to us. He told us about the proper documentation process. The lecture was very useful to us. The teaching and Non teaching staff were very much benefited by this programme. With his guidance our journey of Facing NAAC may easier. It was a successful Programme.

Report:

A one-day awareness program on WBCS was organized by the Department of Political Science for willing college students under the guidance of IQAC and the direction of the head of the institution. After receiving permission from the principal a notice was circulated among the students to enlist the name of the participants for the program.

The entire program was divided into two sessions. All the faculties of the Political Science department were involved in the successful deliberation of the program. The principal of the institution was invited to commence the program in 1st half with his erudition on the subject of basic communication skills. The next session was a lot more interesting as the three faculties Jayanta Kumar Barman, Dr. Monalisa Ghosh, and Sanhita Samanta were able to give proper guidance to the students. The session included the roles and responsibilities of WBCS officers, career opportunities in the civil services, exam preparation strategies, etc. After that Summarize of question-and-answer sessions took place. The participants were mostly motivated to sit in the exam after finishing their degree.

In the Valedictory Session, Dr. Suman Mukherjee, IQAC coordinator, THLH mahavidyalay finally concluded the program and expressed his sincere gratitude to all dignitaries, staff, and students. He also explains the importance of the WBCS examination to the student.

Subject: Request for Permission to Organize Seminar on National Science Day

Respected Sir,

I hope this message finds you well. As you may know, National Science Day, celebrated on February 28th each year, is an occasion of great significance in our academic calendar. In light of this, we are writing to seek your permission to organize a seminar on our campus to commemorate this important day.

Here are some key details regarding the proposed seminar:

Date: February 28th, 2023

Venue: Seminar Room

Time: 11.30am-1.30pm

Speaker: Dr Anirban Paul

Topic: Understanding Plastic Pollution and its Impact on Lives

We kindly request your approval and support for this initiative. Your endorsement is crucial to the success of this event, and we are eager to work closely with you to make it a memorable and impactful occasion.

Thank you for considering our proposal. We look forward to your favorable response.

Warm regards,

Subject: Permission to Organize Seminar on National Science Day

Sir

The undersigned is pleased to grant the permission for a seminar on National Science Day to be conducted by the Chemistry and Physics Departments of the College on 28/02/2023 with the teachers and interested students of the college. The Head of the Departments will act as the Conveners and the Coordinator of the IQAC will also be involved in the organization of the said program.

The Departments are requested to keep the students and teachers informed about the schedule of the course.

Thanking you.

NOTICE

We are delighted to announce that THLH Mahavidyalay will be organizing a special programme to celebrate National Science Day on February 28th. This day commemorates the discovery of the Raman Effect by Sir C.V. Raman in 1928, a milestone in the field of science.

Date: 28th February 2023

Time: 11.30pm-1.30pm

Venue: Seminar Room

Speaker: Dr Anirban Paul

Topic: Understanding Plastic Pollution and its Impact on Lives

We encourage all students and faculty members to participate wholeheartedly in this celebration of science and innovation. Let us come together to honor the achievements of our scientific community and reaffirm our commitment to advancing knowledge for the benefit of society.

Together, let's make National Science Day a memorable and enriching experience for everyone!

Seminar Report

Topic: Understanding plastic pollution and its impact on lives

Date: 28/02/2023

Speaker: Dr Anirban Paul, Assistant Professor, Department of Botany, Suri Vidyasagar College, Suri

Number of Participant: 68

Venue: Seminar Hall, THLH Mahavidyalay & IQAC

The seminar on National Science Day served as a forum for promoting scientific literacy, fostering curiosity, and celebrating the spirit of inquiry. It provided a platform for students, faculty, and professionals to interact, exchange ideas, and explore new avenues in science and technology. The event concluded with a vote of thanks to all participants, sponsors, and organizers for their contributions to making the seminar a resounding success.

In conclusion, the National Science Day seminar was a testament to the enduring legacy of scientific discovery and innovation in India. It reaffirmed our commitment to advancing knowledge, driving progress, and building a better future through science.

Meeting Resolutions

A meeting was arranged by the members of the Gender Cell of the College under the chairmanship of the Principal and in the presence of the IQAC Coordinator. The minutes of the previous meeting were read and the following resolutions were adopted in this meeting:

- 1) An awareness program in the academic session of 2022-2023 will be arranged for the students by the Gender Cell members in collaboration with the IQAC.
- 2) It will be an invited lecture by one of the faculty members of the institution.
- 3) Dr. BK Nair Upad of the department of Philosophy of this institution will be invited to talk about the problems of Child Marriage for the participants of the program. The title of his lecture will be spreading awareness on the 'Prohibition of Child Marriage'.
- 4) The Convener of the Gender Cell will apply to the Principal seeking permission regarding the arrangement of this program and the IQAC will provide its full support in the above mentioned program.
- 5) The exact date and time will be fixed after consulting it with the invited speaker and it will be notified in the final notice of the program. The teachers will be requested to be present in this event according to their convenience.
- 6) The program will be another step towards the maintenance of gender equity in the institution. The meeting ends with vote of thanks to all.

Report:

A awareness program was organized by the Gender Cell of the College on the topic of 'Prohibition of Child marriage' in collaboration with the IQAC on 9th March 2023 in the academic session of 2022- 2023 to sensitize the participants about the problems of Child marriage. Dr. Sk. Nur Upsar of the department of Philosophy was the invited speaker of this event.

The **objective** of the event was to build awareness among the young learners about the difficulties involved in child marriage and the possible problems that may arise with it.

The speaker emphasized upon the problems of child marriage in the Indian context. He used his knowledge to highlight the legal and social reasons behind the prohibition of child marriage. The laws declaring child marriage as a punishable offence were briefly mentioned by the speaker and the participants were encouraged to stand against this unhealthy practice under all circumstances. He also tried to highlight upon the several ways of developing oneself for a bright and productive life before getting involved in marital relations. He emphasized on the problem lying with early marriage in girls as well as boys separately.

The program was held in the Seminar room of the College in which a total number of 45 students and 13 teachers from this institution took part with great interest. It was an interactive session. Although there were no such visible **outcomes** at the moment, the participants seemed to be convinced with the reasons given for prohibiting child marriage completely.

REPORT:

A Career guidance Program was organized by the Philosophy Department and the Career Guidance Cell in collaboration with the IQAC to highlight the various possibilities which could enable the students of the Course achieve social empowerment and success in the employment sector after completion of the Course. The two speakers highlighted about the diverse opportunities that Philosophy students usually have after their Graduation and Masters are complete.

Job opportunities in the field of teaching at all kind of educational institutions and pursuing Research after completion of the Course were two major areas discussed by the first speaker. The newly admitted students were introduced with the concept of all kind of State and National Level Competitive exams like the TET, NET, SET, WBCSSC, PSC, Banking Sectors, Railways, Postal Dept, JRF etc. by speaker Dr. Sk Nur Upsar. The changing pattern of these job entrance eligibility tests were also focused upon to make the event more pragmatic in its approach. Some relevant out of the syllabi books were also suggested during his deliberation.

The second speaker, Ruksar Sultana highlighted other significant career opportunities like that of getting employed as private sector offices or self-employed after the successful completion of the relevant degrees in Philosophy as well as other necessary professional courses in these areas which could be pursued after their undergraduate Course. She focused upon the importance of developing the creative quality while studying a Course in any kind of Philosophy being its importance in the field of employment is immense. The speaker emphasized on the Career opportunities like getting job in deferens fields. The students were unaware about most of these available options as many of them did not have enough resources to guide them through. The program was indeed a highly successful one as the participants could extend their vision beyond the usual limited means of career options available in their area of studies.

On

Awareness Program regarding career opportunities in Political Science

Date: 17th March 2023

Speaker: Jayanta Kumar Barman

Venue: Seminar Hall, T.H.L.H.Mahavidyalay

Number of Participant:26

Organizer: Department of Political Science in Collaboration With IQAC, THLH Mahavidyalay

A one-day awareness Program on Career opportunities in Political Science was organized by the Department of Political Science under the guidance of IQAC and the direction of the head of the institution. After receiving permission from the principal, a notice was circulated among the students to participate in the program. Mr. Jayanta Kumar Barman, Head of the Department delivered an enlightening talk about the career prospect of political Science. He highlights various opportunities & prospects of the subject in lucid language.

In the valedictory session Dr, Suman Mukherjee, IQAC Coordinator, T.H.L.H Mahavidyalay finally concluded the program and expressed his sincere gratitude to all dignitaries, staff, and students.

Permission Letter

To,
The Principal,
THLH Mahavidyalay
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

Subject: Request for Permission to Arrange a Meeting on International Day of Forests

Respected Sir,

As the Convener of the Green Campus Committee at THLH Mahavidyalay, I am writing to seek your permission and support in organizing a special meeting to observe the **International Day of Forests**.

Our committee aims to create awareness among students, faculty, and staff about the importance of forests and their conservation. We believe that organizing a meeting under your esteemed leadership will provide an excellent opportunity for the entire college community to learn more about forests, their ecological significance, and the need for sustainable practices.

Our committee aims to create awareness among students, faculty, and staff about the importance of forests and their conservation. We believe that organizing a meeting under your esteemed leadership will provide an excellent opportunity for the entire college community to learn more about forests, their ecological significance, and the need for sustainable practices.

We request your support in granting us permission to use the college auditorium for the meeting on Mar 21, 2023 from 1.30 PM. We assure you that all necessary arrangements will be made to ensure the smooth conduct of the meeting, adhering to the college's guidelines and protocols.

Meeting Notice For Green Campus Committee Members

Dear Committee Members,

I hope this message finds you well. As part of our ongoing efforts to promote environmental awareness and sustainable practices, we are organizing a meeting to observe the **International Day of Forests**. Your active participation is crucial to the success of this event.

Meeting Details:

- Date: Mar 16, 2023
- Time: 1.30 PM
- Venue: Teacher's Room

Agenda:

1. Introduction to the significance of forests and their role in maintaining ecological balance.
2. Discussion on the impact of deforestation and climate change.
3. Sharing success stories of forest conservation efforts.
4. Planning tree planting initiatives within our campus.

Resolution

of The Meeting

About World Forestry Day

The committee unanimously resolved to organize a tree planting drive on campus in celebration of the International Day of Forests. The following decisions were made:

Resolution 1.

- o Identified suitable locations for planting saplings:
 - North Lawn
 - along the walking path
- o Committee members will research and recommend native tree species that thrive in our local climate.
- o Priority will be given to species that provide ecological benefits, such as oxygen production and habitat for wildlife.
- o The committee will collaborate with local nurseries to acquire saplings.
- o Shovels, watering cans, and gloves will be arranged.
- o Students, faculty, and staff are encouraged to participate.
- o The committee will create posters and social media announcements to promote the event.
- o Invitations will be extended to other college clubs and departments.

Resolution 2:

- o A designated photographer will capture moments during the tree planting drive.
- o Short video clips will be recorded for promotional purposes.
- o The committee secretary will compile a report summarizing the event's success, including the number of trees planted, participant feedback, and media coverage.

Conclusion:

The Green Campus Committee expresses gratitude to the Principal, Mr. John Smith, for his support and encouragement. Let us work together to make this tree planting drive a meaningful contribution to our environment.

Conclusion Report and Outcome Of the Event

The Green Campus Committee successfully organized a tree planting drive on the occasion of the **International Day of Forests**. The event aimed to enhance the green cover within our campus and raise awareness about the importance of trees in maintaining ecological balance.

Key Highlights:

- Over **23 students**, faculty members, and staff participated in the tree planting drive.
- Volunteers arrived early, filled with enthusiasm, and ready to contribute.
- We planted a variety of native tree species, including **Neem, banyan, and Peepal**.
- Each participant had the opportunity to plant at least one sapling.
- The event was a collaborative effort involving students from various departments, faculty members, and the college administration.
- The Principal, Mr. John Smith, actively participated and planted a sapling himself.
- Prior to the event, the committee conducted an awareness campaign through posters, social media, and classroom announcements.
- Students shared information about the benefits of each tree species and their ecological significance.
- The tree planting drive not only added greenery to our campus but also fostered a sense of environmental responsibility.
- Participants expressed satisfaction and pledged to care for the newly planted trees.

Next Steps:

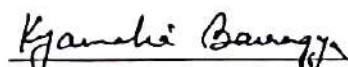

- Regular watering and monitoring of the saplings will be essential for their healthy growth.
- The committee will organize follow-up sessions to educate participants on tree care.
- We plan to continue such initiatives and expand our green campus efforts.
- Future events may include workshops, eco-friendly drives, and biodiversity awareness programs.

Acknowledgments:

We extend our heartfelt gratitude to:

- The Principal for his unwavering support and active involvement.
- All participants who contributed their time and energy to make this event a success.

Let's nurture these saplings together and watch them grow into mighty trees that will benefit generations to come

Subject:- Permission for Special Lecture on Indian Knowledge System.

Sir/Ma'am

The Undersigned is please to grant the permission for a Special Lecture on 'Indian Knowledge System'. It is a good initiative taken by the Sanskrit and Philosophy Department and IQAC. By this programme the inter-relationship between the two departments will be enhanced. The students will be benefited too. They will know about our tradition.

Please conform the speaker name, date, time, venue of the lecture and circulate that to all the students and teachers also. I wish for the success of the programme.

Thanking you.

REPORT:

A Career guidance Program was organized by the History Department and the Career Guidance Cell in collaboration with the IQAC to highlight the various possibilities which could enable the students of the Course achieve social empowerment and success in the employment sector after completion of the Course. The two speakers highlighted about the diverse opportunities that History students usually have after their Graduation and Masters are complete.

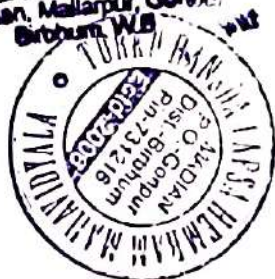

Job opportunities in the field of teaching at all kind of educational institutions and pursuing Research after completion of the Course were two major areas discussed by the first speaker. The newly admitted students were introduced with the concept of all kind of State and National Level Competitive exams like the TET, NET, SET, WBCSSC, PSC, Banking Sectors, Railways, Postal Dept, JRF etc. by speaker Dr. Suman Mukherjee. The changing pattern of these job entrance eligibility tests were also focused upon to make the event more pragmatic in its approach. Some relevant out of the syllabi books were also suggested during his deliberation.

The speaker emphasized on the Career opportunities like getting job in deferens fields. The students were unaware about most of these available options as many of them did not have enough resources to guide them through. The program was indeed a highly successful one as the participants could extend their vision beyond the usual limited means of career options available in their area of studies.

Report of the Special Lecture:-

An Awareness Lecture was organised by the Sanskrit Department in Collaboration with IQAC and Career Guidance and Placement Cell of THLH Mahavidyalay on 30th March, 2023 at 11.30 a.m. for the hons students of the department. The Topic of the lecture was 'Career Opportunities in Sanskrit'. Total number of participants were 25. The Speaker was Dr Bratati Chakraborty, Assistant Professor in Sanskrit of THLH Mahavidyalay. The Lecture was conducted in Smart Room.

The event aimed to provide valuable insights into the diverse career paths available to Sanskrit students. The Speaker Dr Chakraborty pointed out the various options which the students can opt after finishing Graduation to achieve their goal. The seminar concluded with an interactive Q&A session, where participants engaged in discussions about specific career paths. The Students were enriched by her valuable Speech. By using the career related information which they gathered in the Lecture they would frame their future plans. All the participants were enjoying the speech with good responses and enthusiasm.

REPORT:

The above documented 3 invited Lectures arranged in the memory of late Dr. Debayan Deb Barman of the English Department was named as Debayan Deb Barman Commemorating series of Lectures as suggested by our honourable Principal Sir.

In the first lecture of the series on 8th April 2023, Dr Suman Mukherjee of THLH Mahavidyalay used his erudition to talk about the important themes and issues regarding Post Colonial studies focussing upon the sub topic of Orientalism for the students of the English Department. A total number of 35 students were present along with few teaching members of the institution. Dr. Mukherjee was successful in imparting the basics of Post colonial studies particularly from a historical perspective which was able to provide a sound understanding of the subject for the students.

In the second lecture which was held on 18th May 2023 Dr. Susanta Kumar Bardhan of the English Department of Suri Vidyasagar College provided a comprehensive analysis of the origin and development of English Language since the Old English period to modern English used after the standardization of English Language happened in the eighteenth century English Literary world. A number of 60 students attended the lecture. Prof. Bardhan being an expert in the Linguistic aspects of English Language was able to develop a deep interest among the students about the transition that the Language went through since its inception. He talked about the various influences across the various periods in history and substantiated them with few instances as well. It was an interactive session and a good number of students were able to join in this Lecture by the esteemed speaker.

The third lecture on 31st May 2023 was about the basic concepts of Marxism and the invited speaker was an internal member of the College. Dr Monalisa Ghosh of Political Science Department of Turku Hansda Lapsa Mahavidyalay was the speaker on the second Lecture of this series held in the academic session of 2022- 2023. The speaker was excellent in her introduction of the basic concepts of Marxism for the students of English Literature. She highlighted features like the importance of terms like Class, Economy, Power, Base, Culture to create an easy structural analysis of the theory which can be applied to all aspects of society. Her speech gave a clear indication of her sound knowledge about the topic and the student friendly manner of her deliberation was indeed beneficial for the students.

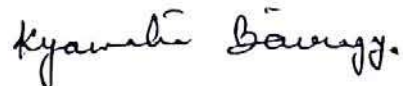

All the Resource Persons were able to instigate the spirit of learning among the students who were truly motivated by the excellent presentations of erudition and expertise.

Report of the Programme:-

INTELLECTUAL PROPERTY RIGHTS IN FORENSIC SCIENCE

Speaker: Prof Chandan Mandal

Department of Mathematics, THLH Mahavidyalay

26/04/2023

In commemoration of World IPR Day, the IPR Cell organized a **Special Lecture on Intellectual Property Rights** on 26/04/2023 at 12.30 p.m. in collaboration with IQAC. Total number of participants were 25. The seminar raised awareness about IPRs and Patent Filing. The keynote speaker, Prof Chandan Mandal, discussed intellectual property, patent filing, and related clauses. He explained the differences and legal implications of patents, trademarks, copyrights, and trade secrets. The workshop covered legal and administrative aspects of patent filing, addressing educator concerns and misconceptions. He also discussed patent counsel, prior art searches and patent specification writing. He also explained that in addition to protection, patents in education can generate cash through licensing agreements, attract financing for research and development, and boost educational institutions' reputation and marketability. Intellectual property rights (IPR) refers to the legal rights given to the inventor or creator to protect his invention or creation for a certain period of time. These legal rights confer an exclusive right to the inventor/creator or his assignee to fully utilize his invention/creation for a given period of time.

REPORT:

The above documented 3 invited Lectures arranged in the memory of late Dr. Debayan Deb Barman of the English Department was named as Debayan Deb Barman Commemorating series of Lectures as suggested by our honourable Principal Sir.

In the first lecture of the series on 8th April 2023, Dr Suman Mukherjee of THLH Mahavidyalay used his erudition to talk about the important themes and issues regarding Post Colonial studies focussing upon the sub topic of Orientalism for the students of the English Department. A total number of 35 students were present along with few teaching members of the institution. Dr. Mukherjee was successful in imparting the basics of Post colonial studies particularly from a historical perspective which was able to provide a sound understanding of the subject for the students.

In the second lecture which was held on 18th May 2023 Dr. Susanta Kumar Bardhan of the English Department of Suri Vidyasagar College provided a comprehensive analysis of the origin and development of English Language since the Old English period to modern English used after the standardization of English Language happened in the eighteenth century English Literary world. A number of 40 students attended the lecture. Prof. Bardhan being an expert in the Linguistic aspects of English Language was able to develop a deep interest among the students about the transition that the Language went through since its inception. He talked about the various influences across the various periods in history and substantiated them with few instances as well. It was an interactive session and a good number of students were able to join in this Lecture by the esteemed speaker.

The third lecture on 31st May 2023 was about the basic concepts of Marxism and the invited speaker was an internal member of the College. Dr Monalisa Ghosh of Political Science Department of Turku Hansda Lapsa Mahavidyalay was the speaker on the second Lecture of this series held in the academic session of 2022- 2023. The speaker was excellent in her introduction of the basic concepts of Marxism for the students of English Literature. She highlighted features like the importance of terms like Class, Economy, Power, Base, Culture to create an easy structural analysis of the theory which can be applied to all aspects of society. Her speech gave a clear indication of her sound knowledge about the topic and the student friendly manner of her deliberation was indeed beneficial for the students.

All the Resource Persons were able to instigate the spirit of learning among the students who were truly motivated by the excellent presentations of erudition and expertise.

Subject: Permission for Awareness Program in 'Career Opportunities in Physics'

Respected Sir,

I trust this letter finds you well. As part of our ongoing efforts to broaden the horizons of our students and provide them with valuable insights into potential career paths, we are excited to propose an event titled "Career Opportunities in Physics" to be held on 18th May 2023.

This programme aims to acquaint our students with the diverse career avenues available within the field of Physics, encompassing areas such as research, academia, industry, and entrepreneurship. In light of the above, we respectfully request your permission to proceed with the organization of the "Career Opportunities in Physics" programme on 18th May 2023. We assure you that all necessary arrangements will be made to ensure the smooth and successful conduct of the event, with due consideration for the safety and well-being of all participants.

Thank you for considering our request. We are excited about the prospect of offering our students this valuable opportunity and are committed to making the event a resounding success. We eagerly await your approval and support.

The seminar on "Career Opportunities in Physics" was held on 18th May 2023 at the Smart Class Room of THLH Mahavidyalay. The event aimed to provide valuable insights into the diverse career paths available to physics enthusiasts. The seminar concluded with an interactive Q&A session, where participants engaged in discussions about specific career paths. Dr. Amit Chandra Das inspired the attendees to explore their passion for physics and make informed choices for their future careers. The Department of Physics at THLH Mahavidyalay continues to organize such informative sessions to empower students and guide them toward fulfilling careers in physics.

NOTICE

We are pleased to announce an upcoming programme titled "Career Opportunities in Chemistry," scheduled to take place on 18th May 2023. This event aims to provide you with valuable insights into the diverse career paths available within the field of chemistry and to inspire you to explore the myriad opportunities in this exciting discipline.

Date: 18th May 2023

Time: 12.30pm-1.30pm

Venue: Smart Room(R No-106)

The programme will feature interactive sessions, panel discussions, and presentations delivered by esteemed professionals and experts in the field of chemistry. Through these engagements, you will have the opportunity to gain firsthand knowledge about various career pathways, including research, academia, industry, and entrepreneurship.

We look forward to seeing you at the "Career Opportunities in Chemistry" programme on 18th May 2023. For further information or inquiries, please contact us on thlhchemdept@gmail.com

Time: 12.30pm-1.30pm

Venue: Smart Room(R No-106)

Introduction:

The Career Opportunities in Chemistry Programme held on 18th May 2023 was a resounding success, providing students with invaluable insights into the various career paths available within the field of chemistry. The programme aimed to inspire, inform, and guide students in making informed decisions about their academic and professional futures.

Introduction to Chemistry Careers:

The programme kicked off with an overview of the diverse career opportunities available in chemistry, ranging from research and academia to industry and entrepreneurship.

Career Path Exploration: Students had the chance to explore different career paths through interactive workshops and activities. These sessions allowed students to gain practical knowledge and skills relevant to their areas of interest within the field of chemistry.

Conclusion:

In conclusion, the Career Opportunities in Chemistry Programme was a highly successful event that achieved its objectives of inspiring, informing, and guiding students in exploring career opportunities in chemistry. The programme provided students with valuable insights, practical knowledge, and networking opportunities, empowering them to make informed decisions about their future careers in the field of chemistry.

Report of the Special Lecture:-

The Sanskrit Department in Collaboration with IQAC of THLH Mahavidyalay was conducted A Special Lecture on 'Kautilya's Arthasastra and its Relevance in welfare State' for the Hons Students of Sanskrit Department on 30/05/2023. It was a special lecture under 'Jyotirgamaya Prabhasana Lecture Series'. 27 participants were presented at the Lecture. Among them 17 were students and 10 were teachers. The Speaker was Dr Monalisa Ghosh, Department of Political Science, THLH Mahavidyalay. The Lecture was conducted in Smart Room.

Arthasastra is a precious book in Sanskrit written By Kautilya or Chanakya or Bishnugupta. It is an Ancient Indian Sanskrit treaties on statecraft, Political Science, Economic Policy and Military Strategy. Our eminent speaker Dr Ghosh discussed about Kautilya's personal life along with the political value of Arthasastra in her lecture. the relevance of the book in modern society was also discussed by her. The Students were enriched by her valuable Speech. All the participants were enjoying the speech with good responses and enthusiasm.

REPORT:

The above documented 3 invited Lectures arranged in the memory of late Dr. Debayan Deb Barman of the English Department was named as Debayan Deb Barman Commemorating series of Lectures as suggested by our honourable Principal Sir.

In the first lecture of the series on 8th April 2023, Dr Suman Mukherjee of THLH Mahavidyalay used his erudition to talk about the important themes and issues regarding Post Colonial studies focussing upon the sub topic of Orientalism for the students of the English Department. A total number of 35 students were present along with few teaching members of the institution. Dr. Mukherjee was successful in imparting the basics of Post colonial studies particularly from a historical perspective which was able to provide a sound understanding of the subject for the students.

In the second lecture which was held on 18th May 2023 Dr. Susanta Kumar Bardhan of the English Department of Suri Vidyasagar College provided a comprehensive analysis of the origin and development of English Language since the Old English period to modern English used after the standardization of English Language happened in the eighteenth century English Literary world. A number of 40 students attended the lecture. Prof. Bardhan being an expert in the Linguistic aspects of English Language was able to develop a deep interest among the students about the transition that the Language went through since its inception. He talked about the various influences across the various periods in history and substantiated them with few instances as well. It was an interactive session and a good number of students were able to join in this Lecture by the esteemed speaker.

The third lecture on 31st May 2023 was about the basic concepts of Marxism and the invited speaker was an internal member of the College. Dr Monalisa Ghosh of Political Science Department of Turku Hansda Lapsa Mahavidyalay was the speaker on the second Lecture of this series held in the academic session of 2022- 2023. The speaker was excellent in her introduction of the basic concepts of Marxism for the students of English Literature. She highlighted features like the importance of terms like Class, Economy, Power, Base, Culture to create an easy structural analysis of the theory which can be applied to all aspects of society. Her speech gave a clear indication of her sound knowledge about the topic and the student friendly manner of her deliberation was indeed beneficial for the students.

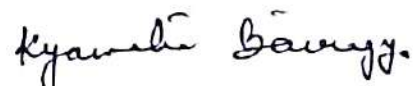

All the Resource Persons were able to instigate the spirit of learning among the students who were truly motivated by the excellent presentations of erudition and expertise.

Report of the Programme:-

TIHLH Mahavidyalay Incubation Centre is designed to accelerate the growth and success of budding entrepreneurs through an array of business support resources and services that could include physical space, capital, coaching, common services, and networking connections. It is a unique and highly flexible combination of business development processes, infrastructure and people, designed to nurture new and small businesses by helping them to survive and grow through the difficult and vulnerable early stages of development. The Incubation Centre aims to help the students of the college build a business by providing them with Management Training, Business Plans and prototypes to successfully venture into an enterprise. The incubation centre aims to foster the growth of startups in the college and to spread awareness and technical know-how with regard to the startup ecosystem among college students.

A one day workshop on “Vermicomposting” was organized by Incubation Centre and IQAC in collaboration with Paschimbanga Vigyan Mancha on 03/06/2023. On account of this occasion of workshop Dr Debasish Pal, Secretary Paschimbanga Vigyan Mancha, Birbhum Zilla Unit was present as Chief guest and resource persons. This workshop was benefitted to 33 students which included students from the various department 20 faculty members from various departments.

The objective of the workshop was –

- to provide knowledge of importance of vermicomposting to students.
 - to motivate about the application of vermicomposting practice in farming and as small scale business also.
-

- also they should be able to understand how and which kinds of worms are used to turn organic waste into nutrient –rich fertilizer.
- to motivate them to take up vermicompost to ensure healthy plants and soil in their surrounding places also.

Cordial invitation for delivering a special lecture

Madam/Sir,
You are cordially requested to deliver a lecture on the topic entitled Basics of Gravitation on
28.06.2023 at 12.30 PM (Wednesday) as a part of MOU of faculty exchange programme in
the Seminar Hall for the students and teachers of our College.

Thanking you,
Yours faithfully,

TO WHOM IT MAY CONCERN

Certified that Smt. Riya Mandal, SACT, in Physics of Kandra Radha Kanta Kundu Mahavidyalay delivered a lecture entitled "Basics of Gravitation", on 28.06.2023

Her lecture was informative, innovative and inspiring as well for the students of our College.

I will be really happy to see her well placed in society.

Report

- 1) **Topic:** Basics Of Gravitation
- 2) **Date:** 28/06/2023
- 3) **Speaker:** Riya Mondal, SACT, Dept. of Physics, Kandra College, East-Burdwan
- 4) **Number of Participant:** 13
- 5) **Venue:** Seminar Hall, THLH Mahavidyalay
- 6) **Organizer:** Department of Physics, THLH Mahavidyalay

The seminar on "Basics of Gravitation" took place on 28th June 2023 in the Seminar Hall of THLH Mahavidyalay. The event aimed to delve into the fundamental principles governing gravitational forces and their implications. The seminar concluded with thought-provoking discussions among the participants. Riya Mondal encouraged everyone to explore further and appreciate the profound impact of gravitation on our understanding of the cosmos. The Department of Physics continues to foster intellectual curiosity through such informative sessions, inspiring future physicists and researchers.
