The West Bengal Government provides a good number of scholarships to the higher education students of the institution according to their eligibility. All kind of State Government scholarships are available for students of this institution through online application in the respective portals. The beneficiaries are paid through direct bank transfers in due time after their proper application in the portals.

The institution makes all efforts to keep the learners informed about the various scholarship schemes through widespread circulation of the dates and other necessary information through various communication groups and the social media. Students are also provided with guidance regarding scholarship portals and mechanism by the Office staffs whenever needed.

There is also the Government Body approved provision of providing free studentships to eligible students as decided by the institution. Some economically marginalized students are granted relief from paying the tuition fees or a certain amount of relaxation is given to those who are unable to pay the total tuition fees of the institution.

The meeting starts under the Chairmanship of Sri Bishnu Kr Roy, the President of the Governing Body.

Resolution 1

The proceedings of the last meeting dated 13. 09. 2012 are read and confirmed with the following amendment in resolution No 6:

i. The proposal for the construction of SC/ST Hostel had been postponed and the House is informed of a verbal assurance from the local Panchayet Samity for providing fund from MSDP (Multi Sectoral Development) for establishing a Hostel for SC/ST students. The House therefore decides not to appeal UGC at present for financial help for the Hostel, as using fund from two sources for the same purpose would not be right. So, the House decides that UGC would be applied later for funds for construction of Main Building of the College.

ii. The Principal of the College informed the House that the needy and meritorious students who have secured qualifying marks in the last exam are eligible to get free Studentship (Full Free / Half Free). Free Ship will cover only monthly Tuition Fees of the College. This process is continuing from the very inception as other colleges of the University of the Burdwan.

The Governing Body unanimously approves the Free Studentship and it is also resolved for the interest of the student in future.
