DEPARTMENT OF CHEMISTRY

Year of Establishment: -2009

Departmental website: -<https://www.chemistry.thlhm.com/>

Departmental mail id: -thlhmchemdept@gmail.com

Contact info: -Panagarh - Morgram National Hwy., Mallarpur, West Bengal 731216

(A Govt. Aided General Degree College affiliated to Burdwan University and Accredited by NAAC with B Grade in 2016)

Date: 16/05/2023

NOTICE

We are pleased to announce an upcoming programme titled "Career Opportunities in Chemistry," scheduled to take place on 18th May 2023. This event aims to provide you with valuable insights into the diverse career paths available within the field of chemistry and to inspire you to explore the myriad opportunities in this exciting discipline.

Date: 18th May 2023

Time: 12.30pm-1.30pm

Venue: Smart Room(R No-106)

The programme will feature interactive sessions, panel discussions, and presentations delivered by esteemed professionals and experts in the field of chemistry. Through these engagements, you will have the opportunity to gain firsthand knowledge about various career pathways, including research, academia, industry, and entrepreneurship.

We look forward to seeing you at the "Career Opportunities in Chemistry" programme on 18th May 2023. For further information or inquiries, please contact us on thlhmchemdept@gmail.com

Venue: Smart Room(R No-106)

Introduction:

The Career Opportunities in Chemistry Programme held on 18th May 2023 was a resounding success, providing students with invaluable insights into the various career paths available within the field of chemistry. The programme aimed to inspire, inform, and guide students in making informed decisions about their academic and professional futures.

Introduction to Chemistry Careers:

The programme kicked off with an overview of the diverse career opportunities available in chemistry, ranging from research and academia to industry and entrepreneurship.

Career Path Exploration: Students had the chance to explore different career paths through interactive workshops and activities. These sessions allowed students to gain practical knowledge and skills relevant to their areas of interest within the field of chemistry.

Conclusion:

In conclusion, the Career Opportunities in Chemistry Programme was a highly successful event that achieved its objectives of inspiring, informing, and guiding students in exploring career opportunities in chemistry. The programme provided students with valuable insights, practical knowledge, and networking opportunities, empowering them to make informed decisions about their future careers in the field of chemistry.

Report:

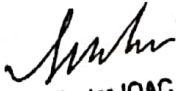

A one-day awareness program on WBCS was organized by the Department of Political Science for willing college students under the guidance of IQAC and the direction of the head of the institution. After receiving permission from the principal a notice was circulated among the students to enlist the name of the participants for the program.

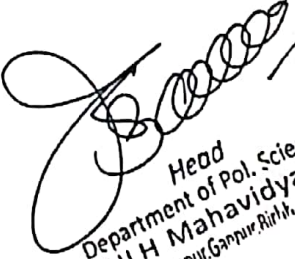

The entire program was divided into two sessions. All the faculties of the Political Science department were involved in the successful deliberation of the program. The principal of the institution was invited to commence the program in 1st half with his erudition on the subject of basic communication skills. The next session was a lot more interesting as the three faculties Jayanta Kumar Barman, Dr. Monalisa Ghosh, and Sanhita Samanta were able to give proper guidance to the students. The session included the roles and responsibilities of WBCS officers, career opportunities in the civil services, exam preparation strategies, etc. After that Summarize of question-and-answer sessions took place. The participants were mostly motivated to sit in the exam after finishing their degree.

In the Valedictory Session, Dr. Suman Mukherjee, IQAC coordinator, THLH mahavidyalay finally concluded the program and expressed his sincere gratitude to all dignitaries, staff, and students. He also explains the importance of the WBCS examination to the student.

REPORT:

A Career guidance Program was organized by the English Department and the Career Guidance Cell in collaboration with the IQAC to highlight the various possibilities which could enable the students of the Course achieve social empowerment and success in the employment sector after completion of the Course. The two speakers were also the Faculty members of the Department and they highlighted about the diverse opportunities that English Literature students usually have after their Graduation and Masters are complete.

Job opportunities in the field of teaching at all kind of educational institutions and pursuing Research after completion of the Course were two major areas discussed by the first speaker Mrigen Mondal. The newly admitted students were introduced with the concept of all kind of State and National Level Competitive exams like the TET, NET, SET, GATE, JRF etc by this speaker. The changing pattern of these job entrance eligibility tests were also focused upon to make the event more pragmatic in its approach. Some relevant out of the syllabi books were also suggested during his deliberation.

The second speaker, Bidyut Kumar Mondal highlighted other significant career opportunities like that of getting employed as News Reporters, Journalists and Media Assistant Reporters after the successful completion of the relevant degrees in English Literature as well as other necessary professional courses in these areas which could be pursued after their undergraduate Course. He focused upon the importance of developing the creative quality while studying a Course in any kind of Literature and English being the Lingua France, its importance in the field of employment is immense. The speaker emphasized on the Career opportunities like getting job in MNC or other such enterprises available to English knowing candidates today's world. The students were unaware about most of these available options as many of them did not have enough resources to guide them through. The program was indeed a highly successful one as 38 participants could extend their vision beyond the usual limited means of career options available in their area of studies.
