5.3.2 - Institution facilitates students' representation and engagement in various administrative, cocurricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

We believe that election of Students' Union is the most important and democratic way for smooth running of the college administration. But according to the Govt. rule there is no active, democratically elected students' union in this college which functions as per the norms laid by the higher education department. In spite of that college is not facing any problem for smooth running of the institution. The college ensures that the active class representatives participate in various activities. Under the guidance of faculty members they circulate the notice or any other information to the students about any co- curricular activities such as cultural programs, competitions, sports, saraswati puja etc. The selected students are always very interested to lead the programs and they do their best.

The students are also so active to execute the Fresher's Welcome. Without their immense support we are quite unable to execute such programs. They take proper initiatives to organize NSS and NCC programs. They organize *Swachh Bharat* program periodically and play active role in campus cleaning. They are also active in tree plantation and observance of special days.

Though there is no elected students union, they are so responsible to take the necessary steps to handle sudden occurring problems under the guidance of the teachers and sometimes they provide suggestions to the staff members. They show the right direction to the newly admitted students and help to maintain the hazards. We believe they are so cordial to their institution.
