## Application for affiliation in Honours Course in Pol. Science

Sir,

Enclosed please find the Proforma for affiliation in Honours in Pol. Science and the supporting resolution of the Governing Body.

Our College, you perhaps know, is surrounded by the economically backward tribal people. Sending their ward for Honours in Pol. Science outside the locality is financially difficult for them. Introducing Honours in Pol. Science will surely expand the scope of higher education for the aspiring students of this backward area.

Thanking you,  
Yours faithfully,

(Dr A K Chakrabarty)  
Principal

Date : 27.01.2022

## Justification Note

The subject Political Science was introduced as an elective General when the College was established. Since then students have been demanding the Course as an Honours Subject in our College. Meanwhile we have arranged some workable infrastructure for accommodating the course in the existing system of our College. The teaching faculty will also be available from among the existing staff.

Hence, if the permission for the course is granted, we hope it will fulfill the long cherished demand of the students community of this back word area.

## Resolutions Adopted

### Resolution 3

The Principal informs the House that there is scope and prospect for introducing Post Graduation in Santali and Honours course in Political Science as we have already full time teachers in these two subjects. The House unanimously approves the proposal and requests the Principal to take necessary steps in this regard.

## Justification Note

We introduced Santali Honours Course in our College when the College was established. The backward students of the surrounding locality are benefitted immensely. But unfortunately the dream of the students for further education is shattered, as there is no PG course in and around the locality. Every year we get an appeal for opening PG course in Santali in our College. On this ground we have built some workable infrastructure for running the course. Teaching faculty will also be available from among the existing staff of this College.

Under these circumstances if the permission for PG in Santali is granted, the backward students of Santal community of this area will no doubt be benefitted academically as well as socially.
