Resolution

Of The Meeting

About Blossoms of Healing: Discovering Medicinal Herbs

The Green Campus Committee convened on Jul 6, 2022 to discuss the implementation of "Blossoms of Healing: Discovering Medical Herbs. The following resolutions were passed unanimously:

Resolution 1.

- The awareness program will be titled "Blossoms of Healing: Discovering Medicinal Herbs."

Resolution 2.

- The program will cover topics such as:
 - Traditional and modern uses of medicinal herbs
 - Conservation strategies for threatened plant species
 - Market intervention and sustainable practices
 - Interaction with experts and practitioners
 - Q&A session

Resolution 3.

- Each committee member has been assigned specific responsibilities:
 - Prof. KYAMALIA BAIRAGYA will coordinate speaker invitations.
 - Prof. DIPANKAR SINHA will organize the exhibition of medicinal plants.
 - Prof. CHANDAN MANDAL will handle logistics and event coordination.
 - All teaching staffs volunteered for various tasks.

Resolution 4.

- The convener will draft a detailed program outline.
- Committee members will review and provide feedback.
- The final date for the awareness program will be decided.

Resolution Of The Meeting About Solar street light

Resolution 1.

The committee unanimously agrees to proceed with the installation of new solar street lights on campus.

Resolution 2.

The proposed budget for the project has been reviewed and accepted. The committee will explore external grants and sponsorships to supplement the college budget.

Resolution 3.

The installation plan, including the selection of locations for solar street lights, will be finalized by the committee. High-traffic areas and dark spots will be given priority.

Resolution 4.

Maintenance and monitoring responsibilities have been assigned as follows:

- Regular cleaning of solar panels: Prof. CHANDAN MANDAL
- Battery health checks: Prof. KANCHAN PAUL
- Prompt repair in case of issues: CHANDAN MONDAL

Resolution 5.

The committee will seek formal approval from the college authorities for the project. A presentation will be prepared to highlight the benefits of solar street lights.

A follow-up meeting will be scheduled to review progress and address any challenges.

Resolution Of The Meeting About Car-Free Day

The following resolutions were passed unanimously:

1. Resolution to Implement "Wheels Off Day":

The committee resolves to implement "Wheels Off Day" as a regular event to encourage environmental sustainability and reduce the carbon footprint on campus. All students, faculty, and staff are encouraged to participate by refraining from using personal and public vehicles on campus every Wednesday.

2. Resolution for Awareness Campaigns:

The committee resolves to initiate awareness campaigns to educate the college community about the benefits of "Wheels Off Day." These campaigns will include the distribution of informative materials, organization of workshops, and active promotion on social media platforms.

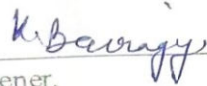

3. Resolution for Monitoring and Feedback:

The committee resolves to establish a monitoring system to assess the participation and impact of "Wheels Off Day." Feedback will be collected from participants to continuously improve the initiative and ensure its success.

4. Resolution for Future Sustainability Initiatives:

The committee resolves to explore and implement additional sustainability initiatives that align with the college's commitment to environmental stewardship. This includes the consideration of renewable energy sources, waste reduction programs, and green infrastructure projects.

The Green Campus Committee is committed to making "Wheels Off Day" a cornerstone of our college's environmental efforts. We look forward to the active involvement of the entire college community in making this initiative a success.

Resolution

Of The Meeting

About Unplug for the Planet

The Green Campus Committee, after due deliberation and discussion during the meeting, hereby resolves the following:

Resolution 1.

The "Unplug for the Planet" awareness program shall be officially adopted and implemented across the college to promote energy conservation by encouraging the college community to turn off electrical appliances when not in use.

Resolution 2.

A comprehensive survey shall be conducted within the college premises to assess the current usage of electrical appliances and identify opportunities for reducing energy consumption.

Resolution 3.

The findings of the survey shall be utilized to develop targeted strategies for improving energy efficiency and reducing the college's carbon footprint.

Resolution 4.

The committee shall organize workshops, seminars, and campaigns to educate students and staff about the importance of energy conservation and the role they can play in achieving it.

Resolution 5.

The committee shall work closely with the college administration to ensure that all necessary resources and support are provided for the successful execution of the "Unplug for the Planet" program.

Resolution 6.

The committee expresses its sincere gratitude to the Principal for inaugurating the meeting and providing valuable insights and guidance.

Resolution 7.

The committee extends its appreciation to all members and participants for their active involvement and commitment to making the college a greener and more sustainable environment.

This resolution was passed unanimously by all members present at the meeting and shall be put into effect immediately.

Resolution

Of The Meeting

About International Biodiversity Day

In our recent meeting celebrating "International Biodiversity Day," the Green Campus Committee reached several important resolutions to enhance our environmental initiatives. Here are the key Outcomes:

Resolution 1:

The committee resolves to initiate and intensify environmental awareness campaigns within the campus. These campaigns will include:

- Organizing educational workshops on sustainability.
- Hosting seminars featuring environmental experts.
- The goal is to foster a culture of environmental responsibility and active participation in sustainability efforts.

Resolution 2:

The committee agrees to allocate necessary funds for the successful implementation of the Biodiversity Observation Program. The allocated budget will cover:

- Purchase of equipment for biodiversity observation and recording.
- Resolution ensures that the program is adequately resourced to provide a comprehensive educational experience.

Resolution 3:

The committee resolves to recruit student volunteers to support the Biodiversity Observation Program. Volunteers will be involved in:

- Assisting with the organization and execution of program activities.
- Facilitating guided biodiversity walks.
- This resolution aims to enhance student engagement and provide hands-on experience in conservation efforts.

Resolution 4:

The committee reviewed the progress of ongoing projects and resolved to:

- Continue and expand the current recycling program.
- Enhance the tree plantation drive with increased participation.
- This resolution reflects the committee's commitment to continuous improvement and expansion of environmental projects.

These resolutions are set forth to guide the committee's actions and reinforce its dedication to creating a sustainable and environmentally conscious campus. These resolutions reflect the committee's dedication to fostering an environmentally conscious campus culture and its commitment to practical action towards sustainability.

Resolution

Of The Meeting

About Modifications and Beautification of the
Medicinal Plant Garden

WHEREAS, the Green Campus Committee recognizes the importance of the medicinal plant garden as a valuable resource for education and well-being;

WHEREAS, the Committee acknowledges the need for enhancements to improve the aesthetic appeal and functionality of the garden;

BE IT RESOLVED, that the Green Campus Committee hereby approves the following actions:

Plant Selection and Arrangement: The Committee will collaborate with botany experts to curate a diverse selection of medicinal plants that are both beneficial and visually appealing. The arrangement of plants will be designed to create a harmonious and accessible space.

Pathway Improvement: The existing pathways will be upgraded with eco-friendly materials to ensure safe and comfortable access for all visitors. The design will complement the natural beauty of the garden.

Educational Signage: Informative signs will be installed throughout the garden to educate visitors about the medicinal properties and uses of the plants. The signage will be both engaging and durable.

Seating Areas: The Committee will introduce additional seating areas to provide visitors with spaces to relax and reflect within the garden.

Lighting: Solar-powered lighting will be installed to enhance the garden's visibility and security during evening hours.

Maintenance Plan: A sustainable maintenance plan will be established to ensure the long-term care and preservation of the garden. The Committee commits to overseeing the implementation of these modifications and beautification efforts.

Resolution

Of The Meeting

About Campus Survey

Here are the meeting resolutions based on the discussions during our Green Campus Committee meeting:

Resolution 1.

- The committee agreed to conduct a comprehensive survey covering waste management, energy conservation, water preservation, and greenery enhancement.
- Members will collaborate to finalize the survey questions and data collection methods.

Resolution 2.

- Subcommittees were formed for each survey topic:
 - Waste Management Subcommittee
 - Energy Conservation Subcommittee
 - Water Preservation Subcommittee
 - Greenery Enhancement Subcommittee
- Members volunteered for specific roles within these subcommittees.

Resolution

Of The Meeting

About Renovation of rainwater hervester

Here are the resolutions passed during the recent Green Campus Committee meeting:

Resolution 1.

- Approved the repair and upgrade of the rainwater harvesting system.
- Budget allocation: Approximately Rs 80000/- only.
- Timeline: Work to commence within the next academic session.
- Action Item: Facilities team to prepare a detailed report on necessary repairs and enhancements.

Resolution 2.

- Approved the repainting of all campus signage using eco-friendly paints.
- Replacement: Damaged signs to be replaced.
- Scheduling:
 - Preparation phase: Obtain necessary materials and finalize colour choices.
 - Execution phase: Begin repainting during the upcoming semester break.
 - Completion: Expected within 1 year.
- Action Item: Committee members to collaborate on selecting appropriate signage colours.

Resolution

Of The Meeting

About Orchard Oasis: cultivation of fruit trees

Here are the detailed resolutions of the meeting for the "Orchard Oasis" campaign:

Resolution 1.

- The meeting was officially inaugurated by the Principal, who delivered a welcome address highlighting the significance of the "Orchard Oasis" campaign in promoting environmental sustainability and enhancing the campus's green cover.

Resolution 2

- The objectives of the campaign were presented, which include:
 - To increase biodiversity on campus.
 - To provide fresh fruits for the college community.
 - To create natural shaded areas for students and staff.

Resolution 3.

- A resolution was passed to select a variety of fruit trees that are well-suited to the local climate and soil conditions. The selection includes mango, guava, lemon, and papaya trees.

Resolution 4.

- The committee resolved to procure high-quality saplings from reputable nurseries. A budget was allocated, and a procurement team was formed to oversee the process.

Resolution 5.

- It was resolved to prepare the designated sites for plantation by clearing the area, enriching the soil, and ensuring proper irrigation facilities are in place.

Resolution 6.

- A resolution was made to engage student volunteers in the campaign. A volunteer registration drive will be organized to enlist interested students.

Resolution 7.

- The committee agreed upon a detailed schedule for the campaign activities, including the plantation drive, maintenance workshops, and periodic reviews of the growth progress.

Resolution 8.

- The committee resolved to conduct awareness sessions and educational workshops on the importance of fruit trees and their care for the college community.

Resolution 9.

- The committee expressed its intention to expand the "Orchard Oasis" campaign in the future by including more varieties of fruit trees and extending the plantation area.

The meeting concluded with a commitment from all members to actively participate and contribute to the success of the "Orchard Oasis" campaign.

Resolution

of The Meeting

About No Smoking Day

Resolution 1.

The Green Campus Committee acknowledges the risks associated with smoking on campus, including property damage, health hazards, and fire risks.

Resolution 2.

The committee reaffirms its commitment to maintaining a smoke-free environment for the well-being of all students, faculty, and staff.

Resolution 3.

The committee agrees to observe "No Smoking Day" by implementing the following initiatives:

- Conduct awareness campaigns to educate the campus community about the harmful effects of smoking.
- Distribute informational pamphlets and posters emphasizing the benefits of a smoke-free campus.
- Organize workshops and seminars on smoking cessation.
- Collaborate with student organizations to promote smoke-free habits.

Resolution 4.

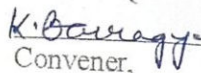

The committee assigns responsibilities to individual members for planning and executing the activities related to "No Smoking Day."

Resolution 5.

The committee encourages all members to actively participate in creating a healthier and cleaner campus environment.

Resolution 6.

The next committee meeting will review the progress of the "No Smoking Day" initiatives and assess their impact.

Resolution

of The Meeting

About Trash to Treasure Drive

The Green Campus Committee unanimously resolved to:

Resolution 1.

- Conduct regular workshops, seminars, and interactive sessions to educate students and staff about the benefits of reusable waste management.
- Create informative posters and digital content to spread awareness across campus.

Resolution 2.

- Administer the survey to collect data on waste generation, disposal habits, and preferences.
- Analyze survey results to identify areas for improvement.

Resolution 3.

- Engage with faculty members, administrative staff, and student representatives to foster a culture of sustainability.

Resolution 4.

- Establish a monitoring mechanism to track the implementation of reusable waste practices.
- Regularly review progress during committee meetings.

Resolution 5.

- Prepare communication materials (brochures, emails, social media posts) to inform the college community about the ongoing initiatives.
- Appoint student ambassadors to promote reusable waste practices.

Resolution 6.

- Set dates for awareness workshops and invite guest speakers with expertise in waste management.

Resolution 7.

- Sign MOU with local corporate sponsors to enhance our efforts.

The committee expresses its commitment to creating a greener and more sustainable campus. We appreciate the support of the college administration and look forward to achieving our goals.

Resolution

of The Meeting

About World Earth Day

In our recent meeting celebrating "World Earth Day," the Green Campus Committee reached several important resolutions to enhance our environmental initiatives. Here are the key outcomes:

Resolution 1.

- o We unanimously agreed to organize regular tree plantation drives within the campus. Native tree species will be prioritized to promote biodiversity and improve the overall green cover.
- o Committee members volunteered to take responsibility for specific areas and ensure proper care of the planted saplings.

Resolution 2.

- o We will introduce a monthly "Green Challenge" for students and staff. Each month, participants will be encouraged to adopt eco-friendly practices, such as reducing plastic usage, conserving energy, or practicing waste segregation.
- o The committee will create awareness campaigns and reward systems to motivate active participation.

Resolution 3.

- o We aim to set up composting bins in common areas to manage organic waste effectively.

Resolution 5.

- o Prof. Sujoy Dutta will design eye-catching posters to educate the campus community about waste reduction, recycling, and responsible consumption.

Resolution 6.

- o All attendees took a pledge to actively contribute to a greener campus. We commit to making small but impactful changes in our daily habits.

Resolution 7.

The committee will allocate a portion of our budget for tree saplings, awareness materials, and any necessary expenses related to our initiatives.

Resolution

of The Meeting

About Bird Nest

Here are the meeting resolutions based on the discussions during our Green Campus Committee meeting:

1. Procurement and Construction:

- The committee will research and finalize the purchase of materials for building the bird nests.
- Volunteers will be sought to participate in constructing the nests during workshops.
- We aim to use eco-friendly, locally sourced materials for the nests.

2. Location Selection and Installation:

- The identified locations for installing bird nests will be marked on a map.
- A team will be formed to install the nests at these chosen spots.
- The convener will coordinate with the college maintenance staff for installation.

3. Maintenance and Monitoring:

- Regular cleaning and maintenance schedules will be established.
- Committee members will take responsibility for monitoring the nests.
- Students will be encouraged to report any issues related to the nests.

4. Awareness Campaign:

- Posters and flyers will be created to raise awareness about the bird nest initiative.
- College communication channels will be used to inform students and staff.

5. Next Steps:

- The convener will seek necessary approvals from the college administration.
- Volunteers will be notified about workshop dates.
- Implementation of the project will begin promptly.

We appreciate everyone's active participation and commitment to this project.

Resolution

of The Meeting

About Environment Day

The Green Campus Committee with the presence of all committee members and staff, hereby resolves the following:

Resolution 1. Environment Day Celebration: The committee unanimously agrees to celebrate Environment Day with a series of events aimed at promoting environmental awareness and sustainability within the college community.

Resolution 2. Events and Workshops: The committee finalizes the organization of the following events:

- A Tree Planting Ceremony at College Campus, led by Green Campus Committee.
- A Campus Clean-Up Drive .

Resolution 3. Assignment of Responsibilities: Specific responsibilities for the successful execution of the Environment Day events are assigned to designated committee members and volunteers.

Resolution 4. Support and Participation: The committee calls upon all staff and students to actively participate in the Environment Day events and contribute to the college's green initiatives.

This resolution is passed with full consensus and is recorded in the meeting minutes as a testament to the committee's commitment to fostering a greener and more sustainable campus environment.

Resolution

of The Meeting

About Save Sparrow Campaign

Here are the meeting resolutions based on the discussions during our Green Campus Committee meeting:

Resolution 1. Nest Box Installation:

- The committee will identify suitable locations for sparrow nest boxes within the college premises.
- Collaboration with the college maintenance team will be established to install the nest boxes.
- Regular monitoring and maintenance of the nest boxes will be carried out.

Resolution 2. Awareness Drives:

- Workshops, seminars, and awareness sessions will be conducted to educate students, staff, and the local community about sparrows.
- Students will actively participate in sparrow-related activities.
- Informative pamphlets will be distributed to raise awareness.

Resolution 3. Plant Native Trees and Shrubs:

- Green spaces with native plants that attract insects (sparrow food) will be created.
- Students will be encouraged to participate in tree-planting drives.

Resolution 4. Regular Monitoring:

- Volunteers will be appointed to monitor sparrow populations.
- Observations will be recorded, and data will be shared with the committee.

Resolution 5. Collaboration:

- The committee will collaborate with local NGOs, birdwatching clubs, and environmental organizations.
- Support from faculty and administrative staff will be sought.

Resolution 6. Timeline:

- Nest box installation: Completion within the next six months.
- Awareness drives: Ongoing throughout the academic year.
- Regular monitoring: Quarterly reports.
- Collaboration efforts: Continuous engagement.
