### Resolution

*Of The Meeting*

About No Smoking Day

The Green Campus Committee, in its meeting held on 9th March, 2018, with the esteemed presence of the principal, Dr. Amit Kumar Chakrabarty, and the committee members, hereby resolves the following:

**Resolution 1.** The committee unanimously agrees to implement strict restrictions on smoking and chewing gutkha within the college premises. A comprehensive policy document will be drafted to outline these restrictions and the associated penalties for violations.

**Resolution 2.** To ensure the effectiveness of the policy, the committee will establish a dedicated enforcement team responsible for regular patrols and monitoring. Violations will be addressed promptly, and repeat offenders will face stringent consequences.

**Resolution 3.** Recognizing the importance of awareness in changing behaviours, the committee will launch an awareness campaign. This will include workshops, seminars, and interactive sessions to educate students and staff about the health risks associated with smoking and gutkha use.

**Resolution 4.** The committee will collaborate with student organizations to amplify the reach of the awareness campaign. These organizations will play a key role in peer-to-peer education and in fostering a supportive environment for the policy's adoption.

**Resolution 5.** No-smoking and no-gutkha signs will be designed and installed at strategic locations around the campus. Additionally, the committee will utilize college communication channels to disseminate information about the new policy and its importance.

**Resolution 6.** An awareness week will be organized, featuring a series of events such as workshops, activities, and pledge signings to commit to a smoke-free and gutkha-free campus.

**Resolution 7.** The committee will conduct regular reviews of the policy's impact and gather feedback from the college community. This will help in refining the approach and ensuring the policy's success.

The Green Campus Committee is committed to creating a healthier, cleaner, and more sustainable campus environment. The resolutions passed in this meeting reflect our collective dedication to this cause. The meeting adjourned with a vote of thanks to the Principal and all members for their active participation and support.

### Resolution

*Of The Meeting*

About World Earth Day

In our recent meeting celebrating "World Earth Day," the Green Campus Committee reached several important resolutions to enhance our environmental initiatives. Here are the key **Outcomes**:

#### Resolution 1.

- o We unanimously agreed to organize regular tree plantation drives within the campus. Native tree species will be prioritized to promote biodiversity and improve the overall green cover.
- o Committee members volunteered to take responsibility for specific areas and ensure proper care of the planted saplings.

#### Resolution 2.

- o We will introduce a monthly "Green Challenge" for students and staff. Each month, participants will be encouraged to adopt eco-friendly practices, such as reducing plastic usage, conserving energy, or practicing waste segregation.
- o The committee will create awareness campaigns and reward systems to motivate active participation.

#### Resolution 3.

- We aim to set up composting bins in common areas to manage organic waste effectively.

#### Resolution 5.

- o Prof. Sujoy Dutta will design eye-catching posters to educate the campus community about waste reduction, recycling, and responsible consumption.

#### Resolution 6. Pledge for a Greener Future:

- o All attendees took a pledge to actively contribute to a greener campus. We commit to making small but impactful changes in our daily habits.

#### Resolution 7.

The committee will allocate a portion of our budget for tree saplings, awareness materials, and any necessary expenses related to our initiatives.

### Resolution

*Of The Meeting*

#### About International Biodiversity Day

In our recent meeting celebrating "International Biodiversity Day," the Green Campus Committee reached several important resolutions to enhance our environmental initiatives. Here are the key **Outcomes**:

##### **Resolution 1:**

The committee resolves to initiate and intensify environmental awareness campaigns within the campus. These campaigns will include:

- Organizing educational workshops on sustainability.
- Hosting seminars featuring environmental experts.
- Conducting interactive sessions to engage the student body in green practices. The goal is to foster a culture of environmental responsibility and active participation in sustainability efforts.

##### **Resolution 2:**

The committee agrees to allocate necessary funds for the successful implementation of the Biodiversity Observation Program. The allocated budget will cover:

- Purchase of equipment for biodiversity observation and recording.
- Procurement of materials for workshops and educational activities. This resolution ensures that the program is adequately resourced to provide a comprehensive educational experience.

##### **Resolution 3:**

The committee resolves to recruit student volunteers to support the Biodiversity Observation Program. Volunteers will be involved in:

- Assisting with the organization and execution of program activities.
- Facilitating guided biodiversity walks.
- Helping with the setup and management of workshops. This resolution aims to enhance student engagement and provide hands-on experience in conservation efforts.

##### **Resolution 4:**

The committee reviewed the progress of ongoing projects and resolved to:

- Continue and expand the current recycling program.
- Enhance the tree plantation drive with increased participation.
- Explore new initiatives for campus greening and sustainability. This resolution reflects the committee's commitment to continuous improvement and expansion of environmental projects.

These resolutions are set forth to guide the committee's actions and reinforce its dedication to creating a sustainable and environmentally conscious campus.

These resolutions reflect the committee's dedication to fostering an environmentally conscious campus culture and its commitment to practical action towards sustainability.

### Resolution

*Of The Meeting*

About World Earth Day

In our recent meeting celebrating "World Earth Day," the Green Campus Committee reached several important resolutions to enhance our environmental initiatives. Here are the key Outcomes:

#### Resolution 1.

o We unanimously agreed to organize regular tree plantation drives within the campus. Native tree species will be prioritized to promote biodiversity and improve the overall green cover.

o Committee members volunteered to take responsibility for specific areas and ensure proper care of the planted saplings.

#### Resolution 2.

o We will introduce a monthly "Green Challenge" for students and staff. Each month, participants will be encouraged to adopt eco-friendly practices, such as reducing plastic usage, conserving energy, or practicing waste segregation.

o The committee will create awareness campaigns and reward systems to motivate active participation.

#### Resolution 3.

We aim to set up composting bins in common areas to manage organic waste effectively.

#### Resolution 5.

o Prof. Sujoy Dutta will design eye-catching posters to educate the campus community about waste reduction, recycling, and responsible consumption.

#### Resolution 6. Pledge for a Greener Future:

o All attendees took a pledge to actively contribute to a greener campus. We commit to making small but impactful changes in our daily habits.

#### Resolution 7.

The committee will allocate a portion of our budget for tree saplings, awareness materials, and any necessary expenses related to our initiatives.
