### Permission to Inaugurate meeting about awareness Program titled by "Unplug for the Planet" on the special occasion of World Energy Conservation Day

To,  
The Principal,  
THLH Mahavidyalay  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** *Permission to Inaugurate meeting about awareness Program titled by "Unplug for the Planet" on the special occasion of World Energy Conservation Day*

Respected Sir,

I hope this letter finds you in good health and high spirits. As the Convener of the Green Campus Committee, I am writing to seek your esteemed presence to inaugurate our upcoming meeting scheduled on Dec 7, 2022 at 1:30 PM in Teacher's room. The agenda of the meeting is to conduct an awareness program titled by "Unplug for the Planet" on the special occasion of World Energy Conservation Day, aimed at encouraging students and staff to turn off electrical appliances when not in use.

The program also includes a survey within the college premises to assess the current practices and identify areas for improvement in energy conservation. Your support and guidance have always been pivotal to our initiatives, and your presence would greatly motivate the committee members and participants.

We are committed to making THLH Mahavidyalay a model of sustainability and believe that this program will be a significant step towards that goal. We kindly request your approval to proceed with the arrangements and would be honored by your presence to inaugurate the event.

Thank you for considering our request. We look forward to your positive response.

## Green Campus Committee Meeting

DATE	Dec 7, 2022
TIME	1:30:00 PM
MEETING CALLED TO ORDER BY	Dr. Amit Kumar Chakrabarty

### IN ATTENDANCE

- Prof. KYAMALIA BAIRAGYA
- Prof. CHANDAN MANDAL
- Prof. DIPANKAR SINHA
- Prof. KANCHAN PAL
- CHANDAN MONDAL

### APPROVAL OF MINUTES

The minutes were read from the Previous meeting and approved. Action items from the previous meeting were discussed, and progress updates were shared.

### AGENDA

- Inauguration of "Unplug for the Planet" awareness program by the Principal.
- Discussion on the implementation of the awareness program.
- Planning and execution of the survey within the college premises.
- Any other business.

### ACTIVITY

- The meeting was inaugurated by Principal, who emphasized the importance of energy conservation.
- The committee discussed various strategies to promote the "Unplug for the Planet" campaign.
- Roles and responsibilities were assigned for conducting the survey.

### ANNOUNCEMENTS

The meeting concluded with a vote of thanks to the principal and a commitment from all members to actively participate in programme.

  
Principal

### Resolution

#### *Of The Meeting*

#### About Unplug for the Planet

The Green Campus Committee, after due deliberation and discussion during the meeting hereby resolves the following:

**Resolution 1.**

The "Unplug for the Planet" awareness program shall be officially adopted and implemented across the college to promote energy conservation by encouraging the college community to turn off electrical appliances when not in use.

**Resolution 2.**

A comprehensive survey shall be conducted within the college premises to assess the current usage of electrical appliances and identify opportunities for reducing energy consumption.

**Resolution 3.**

The findings of the survey shall be utilized to develop targeted strategies for improving energy efficiency and reducing the college's carbon footprint.

**Resolution 4.**

The committee shall organize workshops, seminars, and campaigns to educate students and staff about the importance of energy conservation and the role they can play in achieving it.

**Resolution 5.**

The committee shall work closely with the college administration to ensure that all necessary resources and support are provided for the successful execution of the "Unplug for the Planet" program.

**Resolution 6.**

The committee expresses its sincere gratitude to the Principal for inaugurating the meeting and providing valuable insights and guidance.

**Resolution 7.**

The committee extends its appreciation to all members and participants for their active involvement and commitment to making the college a greener and more sustainable environment.

This resolution was passed unanimously by all members present at the meeting and shall be put into effect immediately.

### Notice *For Students*

Dear Students,

The Green Campus Committee is excited to announce the "Unplug for the Planet" awareness program, an initiative aimed at promoting energy conservation within our college. We invite you to be a part of this important movement.

The program will include interactive sessions, informative displays, and practical demonstrations on the significance of turning off electrical appliances when not in use. Your involvement will not only contribute to reducing our campus's carbon footprint but also help you develop sustainable habits that can last a lifetime.

The details of the event are as follows:

Date: Dec 14, 2022

Time: 10:30 AM

Venue: College Campus

We encourage all students to participate actively and support our mission to create a more sustainable environment. Let's work together to make a difference!

## Conclusion Report and Outcome Of the Event

The "Unplug for the Planet" awareness program, initiated by the Green Campus Committee of THLH Mahavidyalay, was successfully conducted on [Date of Event]. The program aimed to educate the college community about the importance of energy conservation by turning off unused electrical appliances.

### Objectives:

- To raise awareness about the impact of energy consumption on the environment.
- To encourage the adoption of energy-saving practices among students and staff.
- To conduct a survey assessing current energy usage and identify areas for improvement.
- Interactive sessions and workshops on energy conservation.
- Distribution of informative materials and guidelines for reducing energy consumption.
- Practical demonstrations of the benefits of unplugging appliances.

### Outcomes:

- Increased awareness among participants about the environmental benefits of energy conservation.
- Positive feedback from students and staff, indicating a willingness to change their energy usage habits.
- A significant number of pledges from participants to actively "unplug" and save energy.

### Survey Results:

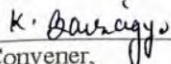

- The survey revealed that 80% of the college community regularly leaves appliances on standby mode.
- 3% of respondents were unaware of the energy consumed by appliances when not in active use.
- The survey identified College Campus as key targets for energy-saving measures.

### Conclusion:

The "Unplug for the Planet" awareness program has been a resounding success, with the Green Campus Committee achieving its objectives of spreading knowledge and fostering a culture of sustainability within [Your College Name]. The enthusiasm and commitment shown by the participants are commendable and set the foundation for ongoing efforts to reduce our environmental footprint.

The committee resolves to continue its work, utilizing the insights gained from the survey to implement effective energy-saving strategies. We are optimistic that the changes initiated by this program will lead to a greener, more energy-efficient campus.

We extend our heartfelt thanks to all who contributed to the success of this program and look forward to your continued support in our future endeavours.

## Request for Permission to Conduct a Meeting for Installation of New Solar Street Lights

To,  
The Principal,  
THLH Mahavidyalay  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** Request for Permission to Conduct a Meeting for Installation of New Solar Street Lights

Respected Sir,

I hope this letter finds you in good health. As the convener of the Green Campus Committee at [College Name], I am writing to seek your permission to conduct a meeting regarding the installation of new solar street lights on our campus.

Our committee has been actively working towards promoting sustainable practices and environmental conservation within the college premises. One of our key initiatives is to replace conventional street lights with energy-efficient solar-powered lights. These solar street lights will not only reduce our carbon footprint but also contribute to cost savings in the long run.

### Meeting Details:

- Date: Aug 18, 2022
- Time: 1:30 PM
- Venue: Teacher's room

We kindly request your permission to conduct this meeting, as it is essential for the successful implementation of this project. We believe that your valuable insights and guidance will significantly contribute to the project's success.

## Meeting Notice

For Green Campus Committee Members

Dear Committee Members,

I hope this message finds you well. As part of our ongoing efforts to promote sustainability and environmental consciousness on campus, we are pleased to announce a crucial meeting regarding the installation of new solar street lights. Your active participation is essential for the success of this initiative.

### Meeting Details:

- Date: Aug 18, 2022
- Time: 1:30 PM
- Venue: Teacher's room

### Agenda:

1. Presentation on Solar Street Lights
2. Budget and Funding for Solar Street Lights
3. Installation Plan
4. Maintenance and Monitoring of solar street lights.

Your insights and contributions during this meeting are highly valued. Let us work together to create a greener and more sustainable campus environment.

### Resolution Of The Meeting About Solar street light

#### Resolution 1.

The committee unanimously agrees to proceed with the installation of new solar street lights on campus.

#### Resolution 2.

The proposed budget for the project has been reviewed and accepted. The committee will explore external grants and sponsorships to supplement the college budget.

#### Resolution 3.

The installation plan, including the selection of locations for solar street lights, will be finalized by the committee. High-traffic areas and dark spots will be given priority.

#### Resolution 4.

Maintenance and monitoring responsibilities have been assigned as follows:

- Regular cleaning of solar panels: Prof. CHANDAN MANDAL
- Battery health checks: Prof. KANCHAN PAUL
- Prompt repair in case of issues: CHANDAN MONDAL

#### Resolution 5.

The committee will seek formal approval from the college authorities for the project. A presentation will be prepared to highlight the benefits of solar street lights.

A follow-up meeting will be scheduled to review progress and address any challenges.

Respected Sir,

I am writing to you as the Convener of the Green Campus Committee to seek your esteemed presence and permission to conduct a meeting aimed for conducting an awareness program titled "Sustain Energy Drive" and conduct a survey within the college premises. The event is scheduled for Dec 5, 2019 at 1:30 PM in Teacher's Room.

The "Sustain Energy Drive" aims to educate our students and staff about the importance of sustainable energy practices and encourage them to contribute to energy conservation. The survey will gather insights on current energy usage patterns and identify potential areas for improvement.

Your support and guidance have always been pivotal to our initiatives. We believe that your presence will greatly emphasize the importance of this meeting and inspire our committee members to enforce these necessary regulations diligently.

We believe your support and guidance will greatly enhance the impact of this initiative. We look forward to your positive response and gracious presence at the event.

Thank you for considering our request.

### Resolution

*Of The Meeting*

About Sustain Energy Drive

#### Resolution 1.

The Principal will officially inaugurate the "Sustain Energy Drive" awareness program during the opening session. The Convener will coordinate with the Principal's office to finalize the timing and logistics for the inauguration.

#### Resolution 2.

The programme will cover topics such as energy conservation, renewable energy sources, and sustainable practices. Convener speakers will address students and staff during specific sessions.

#### Resolution 3.

Each committee member has been assigned specific tasks:

- Prof. Wasim Raja: Responsible for organizing guest speaker sessions.
- Prof. Manu Mardi: In charge of creating awareness posters and banners.
- Prof. Sujay Dutta: Coordinates with student volunteers for event management.
- Prof. Ashraful Hossain: Prepares educational materials and handouts.
- Dipak Ghosal: Manages the survey data collection process.

#### Resolution 4.

The survey will be conducted using an offline Form. Questions will cover energy consumption patterns, awareness levels, and suggestions for improvement.

## Conclusion Report and Outcome Of the Event

The Green Campus Committee successfully organized the "Sustain Energy Drive" awareness program, which aimed to promote sustainable energy practices among our college community. We are pleased to share the outcomes and key highlights of the program:

### 1. Inauguration by the Principal:

The Principal inaugurated the program, emphasizing the importance of energy conservation and the role of students in creating a greener campus.

### 2. Interactive Workshops:

- Workshops on DIY energy-saving techniques, composting, and rainwater harvesting were well-received.
- Participants learned practical ways to incorporate sustainability into their daily lives.

### 3. Energy Survey:

- Survey results revealed awareness gaps and highlighted areas for improvement.

### 4. Awareness Campaign:

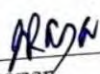

- Eye-catching posters and banners adorned the campus, reinforcing energy-saving tips.
- Social media campaigns reached a wider audience, encouraging responsible energy use.

### 5. Feedback and Suggestions:

- The suggestion box received valuable feedback from participants.
- Ideas included setting up solar-powered charging stations, organizing tree-planting drives, and promoting cycling to reduce carbon footprint.

### 6. Impact:

- Increased awareness: Participants reported a better understanding of energy conservation principles.
- Behavior change: Many students pledged to switch off lights and appliances when not in use.
- Collective effort: The college community demonstrated commitment to sustainability.

### Permission to inaugurate a meeting to observe World Energy Conservation Day titled by "Sustain Energy Drive" Awareness Program and Conduct Survey

To,  
The Principal,  
THLH Mahavidyalay  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** *Permission to inaugurate a meeting to observe World Energy Conservation Day titled by "Sustain Energy Drive" Awareness Program and Conduct Survey*

Respected Sir,

I am writing to you as the Convener of the Green Campus Committee to seek your esteemed presence and permission to to conduct a meeting aimed for conducting an awareness program titled "Sustain Energy Drive" and conduct a survey within the college premises. The event is scheduled for Dec 6, 2018 at 1:30 PM in Teacher's Room.

The "Sustain Energy Drive" aims to educate our students and staff about the importance of sustainable energy practices and encourage them to contribute to energy conservation. The survey will gather insights on current energy usage patterns and identify potential areas for improvement.

Your support and guidance have always been pivotal to our initiatives. We believe that your presence will greatly emphasize the importance of this meeting and inspire our committee members to enforce these necessary regulations diligently.

We believe your support and guidance will greatly enhance the impact of this initiative. We look forward to your positive response and gracious presence at the event.

Thank you for considering our request.

Yours faithfully,

  
Principal  
THLH Mahavidyalay

### Meeting Notice

*For Green Campus Committee Members*

All members of the Green Campus Committee are hereby requested to attend the upcoming meeting regarding the "Sustain Energy Drive" awareness program. The meeting will discuss the agenda for the program, roles and responsibilities, and preparations for the survey.

#### Meeting Details:

- Date: Dec 6, 2018
- Time: 1.30 PM
- Venue: Teacher's Room

#### Agenda:

1. Discussion of awareness program "Sustain Energy Drive" schedule and activities.
2. Allocation of roles and responsibilities to committee members.
3. Planning and execution of the energy survey.

Your participation is crucial for the success of this initiative.

# Minutes

## Green Campus Committee Meeting

DATE	Dec 6, 2018
TIME	1:30:00 PM
MEETING CALLED TO ORDER BY	Dr. Amit Kumar Chakrabarty

### IN ATTENDANCE

- Prof. WASIM RAJA
- Prof. MANU MARDI
- Prof. DIPANKAR SINHA
- Prof. SUJAY DUTTA
- Prof. ASHRAFUL HOSSAIN

### APPROVAL OF MINUTES

The minutes were read from the Previous meeting and approved. Action items from the previous meeting were discussed, and progress updates were shared.

### AGENDA

- Inauguration of "Sustain Energy Drive" by the Principal.
- Discussion of awareness program schedule and activities.
- Allocation of roles and responsibilities to committee members.
- Planning and execution of the energy survey.

### ACTIVITY

- Finalized the schedule for the awareness program.
- Assigned specific tasks to members for smooth conduct of the event.
- Agreed on the methodology and questions for the energy survey.

### ANNOUNCEMENTS

The meeting concluded with a vote of thanks to the principal and a commitment from all members to actively participate in programme.

Principal  
THLH Mahavidyalaya  
Madian, Mallarpur, Gonpur

### Resolution

*Of The Meeting*

#### About Sustain Energy Drive

The Green Campus Committee, convened on Sustain Energy Drive, resolved to undertake a campus-wide cleaning drive with the following objectives:

**Resolution 1.** Inauguration of "Sustain Energy Drive": The Principal will officially inaugurate the "Sustain Energy Drive" awareness program during the opening session. The Convener will coordinate with the Principal's office to finalize the timing and logistics for the inauguration.

**Resolution 2.** Awareness Program Schedule:

- The programme will cover topics such as energy conservation, renewable energy sources, and sustainable practices.
- Convener speakers will address students and staff during specific sessions.

**Resolution 3.** Roles and Responsibilities:

- Each committee member has been assigned specific tasks:
  - Prof. WASIM RAJA: Responsible for organizing guest speaker sessions.
  - Prof. MANU MARDI: In charge of creating awareness posters and banners.
  - Prof. SUJAY DUTTA: Coordinates with student volunteers for event management.
  - Prof. ASHRAFUL HOSSAIN: Prepares educational materials and handouts.
  - DIPAK GHOSHAL: Manages the survey data collection process.

**Resolution 4.** Energy Survey:

- The survey will be conducted using an offline Form.
- Questions will cover energy consumption patterns, awareness levels, and suggestions for improvement.

### Request for Permission to Conduct Meeting for "Plastic Free Day" Celebration and reviewing the policy of Plastic Restrictions

To,  
The Principal,  
THLH Mahavidyalay  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** Request for Permission to Conduct Meeting for "Plastic Free Day" Celebration and reviewing the policy of Plastic Restrictions

Respected Sir,

I hope this letter finds you in good health and high spirits. As the convener of the Green Campus Committee, I am writing to seek your permission and support for an important initiative aimed at promoting environmental consciousness within our college community.

Plastic Free Tomorrow is an event we envision as a celebration of sustainable practices and a commitment to reducing plastic waste. With the growing awareness of the detrimental impact of plastic pollution on our planet, it is imperative that we take proactive steps to address this issue. Our college has always been at the forefront of promoting eco-friendly practices, and I believe that hosting a "Plastic Free Tomorrow" meeting will further reinforce our commitment.

We propose scheduling the event on the upcoming Friday, allowing us to kickstart the weekend with a positive environmental message. We kindly request permission to use the teacher's room for this meeting. The spacious setting will allow us to accommodate a larger audience and facilitate meaningful discussions.

## Meeting Notice

For Green Campus Committee Members

Dear Committee Members,

We hope this message finds you well. As part of our ongoing efforts to promote sustainability and environmental awareness on campus, we are pleased to announce an important meeting of the Green Campus Committee. Your active participation is crucial to the success of our initiatives, and we encourage all members to attend.

### Meeting Details:

- Date: May 18, 2023
- Time: 1.30 PM
- Venue: Teacher's Room

### Agenda:

1. Review of recent activities and progress.
2. Discussion on upcoming events, including the celebration of "Plastic Free Day."
3. Reviewing strategies for reducing plastic usage within the campus.
4. Brainstorming session for new ideas and projects.
5. Any other business related to our mission.

Your valuable insights and contributions are essential as we work towards creating a greener and more sustainable college environment.

# Minutes

## Green Campus Committee Meeting

DATE	May 18, 2023
TIME	1:30:00 PM
MEETING CALLED TO ORDER BY	Dr. Amit Kumar Chakrabarty

### IN ATTENDANCE

- Prof. KYAMALIA BAIRAGYA
- Prof. CHANDAN MANDAL
- Prof. DIPANKAR SINHA
- Prof. KANCHAN PAL
- CHANDAN MONDAL

### APPROVAL OF MINUTES

The minutes were read from the Previous meeting and approved. Action items from the previous meeting were discussed, and progress updates were shared.

### AGENDA

- Review of recent activities and progress.
- Discussion on upcoming events, including the celebration of "Plastic Free Day."
- Reviewing strategies for reducing plastic usage within the campus.
- Brainstorming session for new ideas and projects.
- Any other business related to our mission.

### ACTIVITY

- The convener welcomed all attendees and introduced the purpose of the meeting.
- The convener shared details about the upcoming "Plastic Free Day" celebration.
- Discussion on event logistics, including date, time, and promotional activities.
- Committee Member proposed organizing a plastic-free pledge drive during the event.
- The committee reviewed proposed restrictions on plastic usage within the campus.
- Committee Member emphasized the need for clear guidelines and communication.
- Suggestions for alternative materials (e.g., reusable bags, water bottles) were discussed.
- The convener proposed organizing workshops on sustainable living, recycling, and composting.
- The committee requested access to the following resources:
  - Meeting rooms for workshops.
  - Printing materials for awareness posters.

### ANNOUNCEMENTS

The meeting concluded with a vote of thanks to the principal and a commitment from all members to actively participate in programme.

### Resolution

*of The Meeting*

About Plastic-Free Tomorrow

#### Resolution 1.

- The committee unanimously approved the proposed date and time for the "Plastic Free Day" celebration.
- Prof. Chandan Mandal was assigned to coordinate promotional efforts and encourage student participation.

#### Resolution 2.

- The committee acknowledges the existing plastic restrictions on campus.
- We will conduct a thorough review to assess their effectiveness.
- Recommendations for improvements will be documented.
- Prof. Kyamalya Bairagya will draft guidelines for communication and enforcement.

#### Resolution 3.

- The committee agreed to organize workshops on sustainable practices.
- Prof. Dipankar Sinha will finalize workshop topics and schedule.

#### Resolution 4.

- The committee decided to prioritize the e-waste collection drive as the next major project.
- Other Attendees will explore collaboration opportunities with local environmental groups.

## Conclusion Report and Outcome Of the Event

The Plastic Free Day celebration was a resounding success, thanks to the active participation of students, faculty, and staff. The event aimed to raise awareness about the harmful effects of plastic pollution and promote sustainable practices within our campus community.

### Program Outcome:

#### 1. Increased Awareness:

- Through informative sessions, workshops, and interactive displays, participants gained a deeper understanding of the environmental impact of plastic waste.
- Students learned about alternatives to single-use plastics and pledged to reduce their plastic consumption.

#### 2. Behavior Change:

- The Plastic Free Day encouraged students to adopt eco-friendly habits. Many committed to using reusable water bottles, bags, and containers.
- Cafeteria staff implemented measures to reduce plastic cutlery and packaging.

#### 3. Collaboration:

- The event fostered collaboration among various campus groups, including the Green Campus Committee, student organizations, and academic departments.
- Students actively engaged in discussions, shared ideas, and volunteered for future initiatives.

#### 4. Resource Management:

- The committee successfully managed event resources, including venue arrangements, promotional materials, and logistics.
- Waste segregation bins were strategically placed, promoting responsible disposal.

#### 5. Positive Impact:

- Plastic Free Day had a positive impact on campus culture. Students expressed enthusiasm for ongoing efforts to minimize plastic use.
- The event reinforced our commitment to environmental stewardship.

### Next Steps:

#### 1. Follow-Up Workshops:

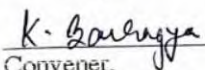

- Organize workshops on recycling, composting, and upcycling to sustain the momentum generated by the event.
- Continue educating students about the long-term benefits of reducing plastic waste.

#### 2. Community Engagement:

- Extend our outreach beyond the campus. Partner with local communities and organizations to promote plastic-free living.

### Acknowledgments:

We extend our heartfelt gratitude to all participants, volunteers, and sponsors who made the Plastic Free Day celebration a memorable and impactful event.

## Request for Permission to arrange a meeting for conducting Awareness Program titled by "Trash to Treasure Drive" campaign and Survey on Reusable Waste

To,  
The Principal,  
THLH Mahavidyalay  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** Request for Permission to arrange a meeting for conducting Awareness Program titled by "Trash to Treasure Drive" campaign and Survey on Reusable Waste

Respected Sir,

I hope this letter finds you in the best of health and spirits. As the Convener of the Green Campus Committee, I am writing to seek your permission to conduct a meeting aimed for observation of world Recycling Day by "Trash to Treasure Drive" campaign and raising awareness about the importance of reusable waste management among our college community.

The Green Campus Committee has been actively involved in promoting environmental sustainability within the college premises. We believe that educating our students and staff about the benefits of reusing and recycling waste is crucial for fostering a culture of environmental responsibility.

The proposed meeting will serve as a platform to discuss the various aspects of reusable waste, share best practices, and explore innovative ways to reduce our carbon footprint. Additionally, we plan to conduct a survey to assess the current waste management practices in our college and identify areas for improvement.

We request your support in granting us permission to use the college auditorium for the meeting on Mar 13, 2023 from 1.30 PM. We assure you that all necessary arrangements will be made to ensure the smooth conduct of the meeting, adhering to the college's guidelines and protocols.

## Meeting Notice for Green Campus Committee Members

Dear Committee Members,

I hope this message finds you well. As part of our ongoing efforts to promote environmental sustainability, the Green Campus Committee has scheduled a meeting to discuss reusable waste management. Your active participation is crucial to the success of this initiative.

### Meeting Details:

- Date: Mar 13, 2023
- Time: 1.30 PM
- Venue: Teacher's Room

### Agenda:

1. Introduction to Reusable Waste: Understanding the importance of reducing waste and promoting reuse.
2. Best Practices: Sharing success stories and practical tips for waste reduction.
3. Survey Discussion: Reviewing the survey questions and planning data collection.
4. Action Plan: Brainstorming ideas for implementing reusable waste practices on campus.

Please mark your calendars and make every effort to attend this important meeting. Your insights and contributions will shape our future initiatives and help create a greener campus.

### Resolution

*of The Meeting*

About Trash to Treasure Drive

The Green Campus Committee unanimously resolved to:

#### Resolution 1.

- Conduct regular workshops, seminars, and interactive sessions to educate students and staff about the benefits of reusable waste management.
- Create informative posters and digital content to spread awareness across campus.

#### Resolution 2.

- Administer the survey to collect data on waste generation, disposal habits, and preferences.
- Analyze survey results to identify areas for improvement.

#### Resolution 3.

- Engage with faculty members, administrative staff, and student representatives to foster a culture of sustainability.

#### Resolution 4.

- Establish a monitoring mechanism to track the implementation of reusable waste practices.
- Regularly review progress during committee meetings.

#### Resolution 5.

- Prepare communication materials (brochures, emails, social media posts) to inform the college community about the ongoing initiatives.
- Appoint student ambassadors to promote reusable waste practices.

#### Resolution 6.

- Set dates for awareness workshops and invite guest speakers with expertise in waste management.

#### Resolution 7.

- Sign MOU with local corporate sponsors to enhance our efforts.

The committee expresses its commitment to creating a greener and more sustainable campus. We appreciate the support of the college administration and look forward to achieving our goals.

## Conclusion Report and Outcome Of the Event

The Green Campus Committee successfully organized an awareness program on reusable waste management with active participation from students, faculty, and staff. The program aimed to educate and inspire our college community to adopt sustainable practices and reduce our environmental impact.

### 1. Engaging Sessions:

- Participants learned about the environmental consequences of excessive waste generation and the role of individuals in mitigating these effects.
- Best practices for reusing materials, minimizing single-use plastics, and proper waste segregation were discussed.

### 2. Interactive Discussions:

- Attendees actively participated in discussions, sharing personal experiences and practical tips.
- Questions related to waste reduction, recycling, and composting were addressed by our expert speakers.

### 3. Waste Survey:

- The survey was distributed among participants to assess their current waste management practices.
- Preliminary data collection will guide future initiatives and help tailor our efforts to specific needs.

### Outcomes:

- Participants gained a deeper understanding of the impact of waste on the environment.
- Many expressed a commitment to making conscious choices to reduce waste in their daily lives.
- Students pledged to:
  - Use reusable water bottles and containers.
  - Avoid single-use plastics (straws, bags, etc.).
  - Participate in campus-wide recycling programs.

### Conclusion:

The Green Campus Committee acknowledges the positive response from the college community. We are encouraged by the enthusiasm shown during the program and commit to the following:

- We will organize workshops to delve deeper into specific waste reduction strategies.
- Topics will include composting, upcycling, and responsible e-waste disposal.
- Posters, social media content, and campus events will keep the momentum alive.
- We will collaborate with various departments to integrate sustainable practices into the curriculum.

The Green Campus Committee extends its gratitude to all participants, speakers, and volunteers.

## Green Campus Committee Meeting

DATE	May 18, 2022
TIME	1:30:00 PM
MEETING CALLED TO ORDER BY	Dr. Amit Kumar Chakrabarty

### IN ATTENDANCE

- Prof. KYAMALIA BAIRAGYA
- Prof. CHANDAN MANDAL
- Prof. DIPANKAR SINHA
- Prof. KANCHAN PAL
- CHANDAN MONDAL

### APPROVAL OF MINUTES

The minutes were read from the Previous meeting and approved. Action items from the previous meeting were discussed, and progress updates were shared.

### AGENDA

- Review of recent activities and progress.
- Discussion on upcoming events, including the celebration of "Plastic Free Day."
- Reviewing strategies for reducing plastic usage within the campus.
- Brainstorming session for new ideas and projects.
- Any other business related to our mission.

### ACTIVITY

- The convener welcomed all attendees and introduced the purpose of the meeting.
- The convener shared details about the upcoming "Plastic Free Day" celebration.
- Discussion on event logistics, including date, time, and promotional activities.
- Committee Member proposed organizing a plastic-free pledge drive during the event.
- The committee reviewed proposed restrictions on plastic usage within the campus.
- Committee Member emphasized the need for clear guidelines and communication.
- Suggestions for alternative materials (e.g., reusable bags, water bottles) were discussed.
- The convener proposed organizing workshops on sustainable living, recycling, and composting.
- The committee requested access to the following resources:
  - Meeting rooms for workshops.
  - Printing materials for awareness posters.
  - Collaboration with the Facilities team for waste segregation bins.

Principal  
THLH Mahavidyalay  
Madian, Mallarpur, Gonpur  
Birbhum, W.B.

### ANNOUNCEMENTS

The meeting concluded with a vote of thanks to the principal and a commitment from all members to actively participate in programme.

### Resolution

*Of The Meeting*

About Plastic-Free Tomorrow

#### Resolution 1.

- The committee unanimously approved the proposed date and time for the "Plastic Free Day" celebration.
- Prof. Chandan Mandal was assigned to coordinate promotional efforts and encourage student participation.

#### Resolution 2.

- The committee acknowledges the existing plastic restrictions on campus.
- We will conduct a thorough review to assess their effectiveness.
- Recommendations for improvements will be documented.
- Prof. Kyamalya Bairagya will draft guidelines for communication and enforcement.

#### Resolution 3.

- The committee agreed to organize workshops on sustainable practices.
- Prof. Dipankar Sinha will finalize workshop topics and schedule.

#### Resolution 4.

- The committee decided to prioritize the e-waste collection drive as the next major project.
- Other Attendees will explore collaboration opportunities with local environmental groups.

## Conclusion Report and Outcome Of the Event

The Plastic Free Day celebration was a resounding success, thanks to the active participation of students, faculty, and staff. The event aimed to raise awareness about the harmful effects of plastic pollution and promote sustainable practices within our campus community.

### Program Outcome:

1. Increased Awareness:
  - Through informative sessions, workshops, and interactive displays, participants gained a deeper understanding of the environmental impact of plastic waste.
  - Students learned about alternatives to single-use plastics and pledged to reduce their plastic consumption.
2. Behavior Change:
  - The Plastic Free Day encouraged students to adopt eco-friendly habits. Many committed to using reusable water bottles, bags, and containers.
  - Cafeteria staff implemented measures to reduce plastic cutlery and packaging.
3. Collaboration:
  - The event fostered collaboration among various campus groups, including the Green Campus Committee, student organizations, and academic departments.
  - Students actively engaged in discussions, shared ideas, and volunteered for future initiatives.
4. Resource Management:
  - The committee successfully managed event resources, including venue arrangements, promotional materials, and logistics.
  - Waste segregation bins were strategically placed, promoting responsible disposal.
5. Positive Impact:
  - Plastic Free Day had a positive impact on campus culture. Students expressed enthusiasm for ongoing efforts to minimize plastic use.
  - The event reinforced our commitment to environmental stewardship.

### Next Steps:

1. Follow-Up Workshops:
  - Organize workshops on recycling, composting, and upcycling to sustain the momentum generated by the event.
  - Continue educating students about the long-term benefits of reducing plastic waste.
2. Community Engagement:
  - Extend our outreach beyond the campus. Partner with local communities and organizations to promote plastic-free living.

### Acknowledgments:

We extend our heartfelt gratitude to all participants, volunteers, and sponsors who made the Plastic Free Day celebration a memorable and impactful event.

### Request for Permission to arrange a meeting for conducting Awareness Program titled by "Trash to Treasure Drive" campaign and Survey on Reusable Waste

To,  
The Principal,  
THLH Mahavidyalay  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** Request for Permission to arrange a meeting for conducting Awareness Program titled by "Trash to Treasure Drive" campaign and Survey on Reusable Waste

Respected Sir,

I hope this letter finds you in the best of health and spirits. As the Convener of the Green Campus Committee, I am writing to seek your permission to conduct a meeting aimed for observation of world Recycling Day by "Trash to Treasure Drive" campaign and raising awareness about the importance of reusable waste management among our college community.

The Green Campus Committee has been actively involved in promoting environmental sustainability within the college premises. We believe that educating our students and staff about the benefits of reusing and recycling waste is crucial for fostering a culture of environmental responsibility.

The proposed meeting will serve as a platform to discuss the various aspects of reusable waste, share best practices, and explore innovative ways to reduce our carbon footprint. Additionally, we plan to conduct a survey to assess the current waste management practices in our college and identify areas for improvement.

We request your support in granting us permission to use the college auditorium for the meeting on Mar 10, 2022 from 1.30 PM. We assure you that all necessary arrangements will be made to ensure the smooth conduct of the meeting, adhering to the college's guidelines and protocols.

## Meeting Notice

For Green Campus Committee Members

Dear Committee Members,  
I hope this message finds you well. As part of our ongoing efforts to promote environmental sustainability, the Green Campus Committee has scheduled a meeting to discuss reusable waste management. Your active participation is crucial to the success of this initiative.

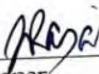

### Meeting Details:

- Date: Mar 10, 2022
- Time: 1.30 PM
- Venue: Teacher's Room

### Agenda:

1. Introduction to Reusable Waste: Understanding the importance of reducing waste and promoting reuse.
2. Best Practices: Sharing success stories and practical tips for waste reduction.
3. Survey Discussion: Reviewing the survey questions and planning data collection.
4. Action Plan: Brainstorming ideas for implementing reusable waste practices on campus.

Please mark your calendars and make every effort to attend this important meeting. Your insights and contributions will shape our future initiatives and help create a greener campus.

## Green Campus Committee Meeting

DATE	March 10, 2022
TIME	1:30:00 PM
MEETING CALLED TO ORDER BY	Dr. Amit Kumar Chakrabarty

### IN ATTENDANCE

- Prof. WASIM RAJA
- Prof. MANU MARDI
- Prof. DIPANKAR SINHA
- Prof. SUJAY DUTTA
- Prof. ASHRAFUL HOSSAIN

### APPROVAL OF MINUTES

The minutes were read from the Previous meeting and approved. Action items from the previous meeting were discussed, and progress updates were shared.

### AGENDA

- Overview of the "Trash to Treasure Drive" campaign
- Allocation of tasks to committee members
- Strategies for promoting awareness and participation
- Logistics and resource requirements
- Timeline for campaign implementation

### ACTIVITY

- The meeting commenced with a warm welcome to all attendees.
- Convener Prof. Wasim Raja introduced the purpose of the meeting and highlighted the importance of the "Trash to Treasure Drive" campaign.
- Convener Prof. Wasim Raja provided an overview of the "Trash to Treasure Drive" campaign.
- Discussion on the campaign's objectives, target audience, and expected outcomes.
- Committee members discussed the survey design, including questions related to waste management practices.
- Decision on survey distribution methods (online, paper-based, etc.).
- Brainstorming session on organizing engaging awareness sessions.
- Agreement on campaign timeline, including key milestones.
- Deadlines for survey completion, awareness sessions, and exhibition preparation.
- Discussion on materials needed (posters, pamphlets, banners, etc.).
- Budget allocation and fundraising strategies.

### Resolution

*Of The Meeting*

About Trash to Treasure Drive

The Green Campus Committee unanimously resolved to:

#### Resolution 1.

- Conduct regular workshops, seminars, and interactive sessions to educate students and staff about the benefits of reusable waste management.
- Create informative posters and digital content to spread awareness across campus.

#### Resolution 2.

- Administer the survey to collect data on waste generation, disposal habits, and preferences.
- Analyze survey results to identify areas for improvement.

#### Resolution 3.

Engage with faculty members, administrative staff, and student representatives to foster a culture of sustainability.

#### Resolution 4.

- Establish a monitoring mechanism to track the implementation of reusable waste practices.
- Regularly review progress during committee meetings.

#### Resolution 5.

- Prepare communication materials (brochures, emails, social media posts) to inform the college community about the ongoing initiatives.
- Appoint student ambassadors to promote reusable waste practices.

The committee expresses its commitment to creating a greener and more sustainable campus. We appreciate the support of the college administration and look forward to achieving our goals.

## Conclusion Report and Outcome *Of the Event*

The Green Campus Committee successfully organized an awareness program on reusable waste management with active participation from students, faculty, and staff. The program aimed to educate and inspire our college community to adopt sustainable practices and reduce our environmental impact.

### 1. Engaging Sessions:

- The program began with an informative session on the importance of reusable waste. Participants learned about the environmental consequences of excessive waste generation and the role of individuals in mitigating these effects.
- Best practices for reusing materials, minimizing single-use plastics, and proper waste segregation were discussed.

### 2. Interactive Discussions:

- Attendees actively participated in discussions, sharing personal experiences and practical tips.
- Questions related to waste reduction, recycling, and composting were addressed by our expert speakers.

### 3. Waste Survey:

- The survey was distributed among participants to assess their current waste management practices.

### Outcomes:

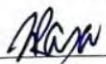

- Participants gained a deeper understanding of the impact of waste on the environment.
- Many expressed a commitment to making conscious choices to reduce waste in their daily lives.
- Students pledged to:
  - Use reusable water bottles and containers.
  - Avoid single-use plastics (straws, bags, etc.).
  - Participate in campus-wide recycling programs.

### Conclusion:

The Green Campus Committee acknowledges the positive response from the college community. We are encouraged by the enthusiasm shown during the program and commit to the following:

- We will organize workshops to delve deeper into specific waste reduction strategies.
- Topics will include composting, upcycling, and responsible e-waste disposal.
- Monthly campaigns will reinforce reusable waste practices.
- Posters, social media content, and campus events will keep the momentum alive.

The Green Campus Committee extends its gratitude to all participants, speakers, and volunteers.

## Request for Permission to Conduct Meeting for "Plastic Free Day" Celebration and reviewing the policy of Plastic Restrictions

To,  
The Principal,  
THLH Mahavidyalaya  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** Request for Permission to Conduct Meeting for "Plastic Free Day" Celebration and reviewing the policy of Plastic Restrictions

Respected Sir,

I hope this letter finds you in good health and high spirits. As the convener of the Green Campus Committee, I am writing to seek your permission and support for an important initiative aimed at promoting environmental consciousness within our college community.

Plastic Free Tomorrow is an event we envision as a celebration of sustainable practices and a commitment to reducing plastic waste. With the growing awareness of the detrimental impact of plastic pollution on our planet, it is imperative that we take proactive steps to address this issue. Our college has always been at the forefront of promoting eco-friendly practices, and I believe that hosting a "Plastic Free Tomorrow" meeting will further reinforce our commitment.

We propose scheduling the event on the upcoming Friday, allowing us to kickstart the weekend with a positive environmental message. We kindly request permission to use the teacher's room for this meeting. The spacious setting will allow us to accommodate a larger audience and facilitate meaningful discussions.

### Resolution

*Of The Meeting*

About Plastic-Free Tomorrow

#### Resolution 1.

- The committee unanimously approved the proposed date and time for the "Plastic Free Day" celebration.
- Prof. MANU MARDI was assigned to coordinate promotional efforts and encourage student participation.

#### Resolution 2.

- The committee acknowledges the existing plastic restrictions on campus.
- We will conduct a thorough review to assess their effectiveness.
- Recommendations for improvements will be documented.
- Prof. SUJAY DUTTA will draft guidelines for communication and enforcement.

#### Resolution 3.

- The committee agreed to organize workshops on sustainable practices.
- Prof. Wasim Raja will finalize workshop topics and schedule.

#### Resolution 4.

- The committee decided to prioritize the e-waste collection drive as the next major project.
- Other Attendees will explore collaboration opportunities with local environmental groups.

## Conclusion Report and Outcome Of the Event

The Plastic Free Day celebration was a resounding success, thanks to the active participation of students, faculty, and staff. The event aimed to raise awareness about the harmful effects of plastic pollution and promote sustainable practices within our campus community.

### Program Outcome:

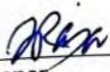

1. Increased Awareness:
  - Through informative sessions, workshops, and interactive displays, participants gained a deeper understanding of the environmental impact of plastic waste.
  - Students learned about alternatives to single-use plastics and pledged to reduce their plastic consumption.
2. Behavior Change:
  - The Plastic Free Day encouraged students to adopt eco-friendly habits. Many committed to using reusable water bottles, bags, and containers.
  - Cafeteria staff implemented measures to reduce plastic cutlery and packaging.
3. Collaboration:
  - The event fostered collaboration among various campus groups, including the Green Campus Committee, student organizations, and academic departments.
  - Students actively engaged in discussions, shared ideas, and volunteered for future initiatives.
4. Resource Management:
  - The committee successfully managed event resources, including venue arrangements, promotional materials, and logistics.
  - Waste segregation bins were strategically placed, promoting responsible disposal.
5. Positive Impact:
  - Plastic Free Day had a positive impact on campus culture. Students expressed enthusiasm for ongoing efforts to minimize plastic use.
  - The event reinforced our commitment to environmental stewardship.

### Next Steps:

1. Follow-Up Workshops:
  - Organize workshops on recycling, composting, and upcycling to sustain the momentum generated by the event.
  - Continue educating students about the long-term benefits of reducing plastic waste.
2. Community Engagement:
  - Extend our outreach beyond the campus. Partner with local communities and organizations to promote plastic-free living.

### Acknowledgments:

We extend our heartfelt gratitude to all participants, volunteers, and sponsors who made the Plastic Free Day celebration a memorable and impactful event.

## Request for Permission to arrange a meeting for conducting Awareness Program titled by "Trash to Treasure Drive" campaign and Survey on Reusable Waste

To,  
The Principal,  
THLH Mahavidyalaya  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** Request for Permission to arrange a meeting for conducting Awareness Program titled by "Trash to Treasure Drive" campaign and Survey on Reusable Waste

Respected Sir,

I hope this letter finds you in the best of health and spirits. As the Convener of the Green Campus Committee, I am writing to seek your permission to conduct a meeting aimed for observation of world Recycling Day by "Trash to Treasure Drive" campaign and raising awareness about the importance of reusable waste management among our college community.

The Green Campus Committee has been actively involved in promoting environmental sustainability within the college premises. We believe that educating our students and staff about the benefits of reusing and recycling waste is crucial for fostering a culture of environmental responsibility.

The proposed meeting will serve as a platform to discuss the various aspects of reusable waste, share best practices, and explore innovative ways to reduce our carbon footprint. Additionally, we plan to conduct a survey to assess the current waste management practices in our college and identify areas for improvement.

We request your support in granting us permission to use the college auditorium for the meeting on Mar 13, 2019 from 1.30 PM. We assure you that all necessary arrangements will be made to ensure the smooth conduct of the meeting, adhering to the college's guidelines and protocols.

Yours faithfully,

Principal  
THLH Mahavidyalaya

### Meeting Notice

*For Green Campus Committee Members*

Dear Committee Members,

I hope this message finds you well. As part of our ongoing efforts to promote environmental sustainability, the Green Campus Committee has scheduled a meeting to discuss reusable waste management. Your active participation is crucial to the success of this initiative.

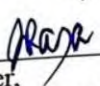

**Meeting Details:**

- Date: Mar 13, 2019
- Time: 1.30 PM
- Venue: Teacher's Room

**Agenda:**

1. Introduction to Reusable Waste: Understanding the importance of reducing waste and promoting reuse.
2. Best Practices: Sharing success stories and practical tips for waste reduction.
3. Survey Discussion: Reviewing the survey questions and planning data collection.
4. Action Plan: Brainstorming ideas for implementing reusable waste practices on campus.

Please mark your calendars and make every effort to attend this important meeting. Your insights and contributions will shape our future initiatives and help create a greener campus.

# Minutes

## Green Campus Committee Meeting

DATE	March 13, 2019
TIME	1:30:00 PM
MEETING CALLED TO ORDER BY	Dr. Amit Kumar Chakrabarty

### IN ATTENDANCE

- Prof. WASIM RAJA
- Prof. MANU MARDI
- Prof. DIPANKAR SINHA
- Prof. SUJAY DUTTA
- Prof. ASHRAFUL HOSSAIN

### APPROVAL OF MINUTES

The minutes were read from the Previous meeting and approved. Action items from the previous meeting were discussed, and progress updates were shared.

### AGENDA

- Overview of the "Trash to Treasure Drive" campaign
- Allocation of tasks to committee members
- Strategies for promoting awareness and participation
- Logistics and resource requirements
- Timeline for campaign implementation

### ACTIVITY

- The meeting commenced with a warm welcome to all attendees.
- Convener Prof. Wasim Raja introduced the purpose of the meeting and highlighted the importance of the "Trash to Treasure Drive" campaign.
- Convener Prof. Wasim Raja provided an overview of the "Trash to Treasure Drive" campaign.
- Discussion on the campaign's objectives, target audience, and expected outcomes.
- Committee members discussed the survey design, including questions related to waste management practices.
- Decision on survey distribution methods (online, paper-based, etc.).
- Brainstorming session on organizing engaging awareness sessions.
- Agreement on campaign timeline, including key milestones.
- Deadlines for survey completion, awareness sessions, and exhibition preparation.
- Discussion on materials needed (posters, pamphlets, banners, etc.).
- Budget allocation and fundraising strategies.

  
Principal  
THLH Mahavidyalaya  
Madian, Mallarpur, Gonpur

### Resolution

*Of The Meeting*

About Trash to Treasure Drive

The Green Campus Committee unanimously resolved to:

#### Resolution 1.

- Conduct regular workshops, seminars, and interactive sessions to educate students and staff about the benefits of reusable waste management.
- Create informative posters and digital content to spread awareness across campus.

#### Resolution 2.

- Administer the survey to collect data on waste generation, disposal habits, and preferences.
- Analyze survey results to identify areas for improvement.

#### Resolution 3.

- Engage with faculty members, administrative staff, and student representatives to foster a culture of sustainability.

#### Resolution 4.

- Establish a monitoring mechanism to track the implementation of reusable waste practices.
- Regularly review progress during committee meetings.

#### Resolution 5.

- Prepare communication materials (brochures, emails, social media posts) to inform the college community about the ongoing initiatives.
- Appoint student ambassadors to promote reusable waste practices.

The committee expresses its commitment to creating a greener and more sustainable campus. We appreciate the support of the college administration and look forward to achieving our goals.

## Conclusion Report and Outcome Of the Event

The Green Campus Committee successfully organized an awareness program on reusable waste management with active participation from students, faculty, and staff. The program aimed to educate and inspire our college community to adopt sustainable practices and reduce our environmental impact.

- The program began with an informative session on the importance of reusable waste. Participants learned about the environmental consequences of excessive waste generation and the role of individuals in mitigating these effects.
- Best practices for reusing materials, minimizing single-use plastics, and proper waste segregation were discussed.
- Attendees actively participated in discussions, sharing personal experiences and practical tips.
- Questions related to waste reduction, recycling, and composting were addressed by our expert speakers.
- The survey was distributed among participants to assess their current waste management practices.
- Preliminary data collection will guide future initiatives and help tailor our efforts to specific needs.

### Outcomes:

- Participants gained a deeper understanding of the impact of waste on the environment.
- Many expressed a commitment to making conscious choices to reduce waste in their daily lives.
- Students pledged to:
  - Use reusable water bottles and containers.
  - Avoid single-use plastics (straws, bags, etc.).
  - Participate in campus-wide recycling programs.

### Conclusion:

The Green Campus Committee acknowledges the positive response from the college community. We are encouraged by the enthusiasm shown during the program and commit to the following:

- We will organize workshops to delve deeper into specific waste reduction strategies.
- Topics will include composting, upcycling, and responsible e-waste disposal.
- Posters, social media content, and campus events will keep the momentum alive.
- Guest lectures and practical demonstrations will enhance learning.

The Green Campus Committee extends its gratitude to all participants, speakers, and volunteers.

Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** Request for Permission to Conduct Meeting for "Plastic Free Day" Celebration and Implementation of Plastic Restrictions

Respected Sir,

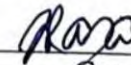

I hope this letter finds you in good health and high spirits. As the convener of the Green Campus Committee at THLHM, I am writing to seek your kind permission to conduct a meeting for the celebration of "Plastic Free Day" and to discuss the implementation of restrictions on plastic usage within our campus.

We propose scheduling the event on the upcoming Friday, allowing us to kickstart the weekend with a positive environmental message. We kindly request permission to use the teacher's room for this meeting. The spacious setting will allow us to accommodate a larger audience and facilitate meaningful discussions.

We anticipate the participation of faculty members, administrative staff, student representatives who are passionate about environmental conservation. Your support and guidance have always been pivotal to our initiatives. We believe that your presence will greatly emphasize the importance of this meeting and inspire our committee members to enforce these necessary regulations diligently.

## Meeting Notice

*For Green Campus Committee Members*

Dear Committee Members,

I hope this message finds you well. As part of our ongoing efforts to promote environmental sustainability, the Green Campus Committee has scheduled a meeting to discuss reusable waste management. Your active participation is crucial to the success of this initiative.

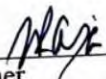

### Meeting Details:

- Date: Mar 14, 2018
- Time: 1.30 PM
- Venue: Teacher's Room

### Agenda:

1. Introduction to Reusable Waste: Understanding the importance of reducing waste and promoting reuse.
2. Best Practices: Sharing success stories and practical tips for waste reduction.
3. Survey Discussion: Reviewing the survey questions and planning data collection.
4. Action Plan: Brainstorming ideas for implementing reusable waste practices on campus.

Please mark your calendars and make every effort to attend this important meeting. Your insights and contributions will shape our future initiatives and help create a greener campus.

# Minutes

## Green Campus Committee Meeting

DATE	March 14, 2018
TIME	1:30:00 PM
MEETING CALLED TO ORDER BY	Dr. Amit Kumar Chakrabarty

### IN ATTENDANCE

- Prof. WASIM RAJA
- Prof. MANU MARDI
- Prof. DIPANKAR SINHA
- Prof. SUJAY DUTTA
- Prof. ASHRAFUL HOSSAIN

### APPROVAL OF MINUTES

The minutes were read from the Previous meeting and approved. Action items from the previous meeting were discussed, and progress updates were shared.

### AGENDA

- Overview of the "Trash to Treasure Drive" campaign
- Allocation of tasks to committee members
- Strategies for promoting awareness and participation
- Logistics and resource requirements
- Timeline for campaign implementation

### ACTIVITY

- Welcome and Introduction
- The meeting commenced with a warm welcome to all attendees.
- Convener Prof. Wasim Raja introduced the purpose of the meeting and highlighted the importance of the "Trash to Treasure Drive" campaign.
- Convener Prof. Wasim Raja provided an overview of the "Trash to Treasure Drive" campaign.
- Discussion on the campaign's objectives, target audience, and expected outcomes.
- Committee members discussed the survey design, including questions related to waste management practices.
- Decision on survey distribution methods (online, paper-based, etc.).
- Brainstorming session on organizing engaging awareness sessions.
- Agreement on campaign timeline, including key milestones.
- Deadlines for survey completion, awareness sessions, and exhibition preparation.
- Discussion on materials needed (posters, pamphlets, banners, etc.).

  
Principal  
THLH Mahavidyalay  
Madian, Mallarpur, Gonpur  
Birbhum, W.B.

### ANNOUNCEMENTS

The meeting concluded with a vote of thanks to the principal and a commitment from all members to actively participate in programme.

## Notice *For Students*

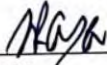

Dear Students,

The Green Campus Committee is excited to announce an upcoming awareness program on Reusable Waste Management. We invite you to actively participate and contribute to our collective efforts in creating a more sustainable and eco-friendly campus.

Program Details:

- Date: Mar 19, 2018
- Time: 10.30 AM
- Venue: College Campus

Spread the word among your friends and classmates and share your ideas and suggestions during the interactive sessions. Let's make "World Recycling Day" a memorable and impactful event! Together, we can create a waste-free campus that benefits us all.

## Conclusion Report and Outcome *Of the Event*

The Green Campus Committee successfully organized an awareness program on reusable waste management with active participation from students, faculty, and staff. The program aimed to educate and inspire our college community to adopt sustainable practices and reduce our environmental impact.

### 1. Engaging Sessions:

- The program began with an informative session on the importance of reusable waste. Participants learned about the environmental consequences of excessive waste generation and the role of individuals in mitigating these effects.
- Best practices for reusing materials, minimizing single-use plastics, and proper waste segregation were discussed.

### 2. Interactive Discussions:

- Attendees actively participated in discussions, sharing personal experiences and practical tips.
- Questions related to waste reduction, recycling, and composting were addressed by our expert speakers.

### 3. Waste Survey:

- The survey was distributed among participants to assess their current waste management practices.
- Preliminary data collection will guide future initiatives and help tailor our efforts to specific needs.

### Outcomes:

#### 4. Increased Awareness:

- Participants gained a deeper understanding of the impact of waste on the environment.
- Many expressed a commitment to making conscious choices to reduce waste in their daily lives.

#### 5. Commitment to Change:

- Students pledged to:
  - Use reusable water bottles and containers.
  - Avoid single-use plastics (straws, bags, etc.).
  - Participate in campus-wide recycling programs.

### Conclusion:

The Green Campus Committee acknowledges the positive response from the college community. We are encouraged by the enthusiasm shown during the program and commit to the following:

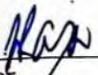

#### 1. Follow-Up Workshops:

- We will organize workshops to delve deeper into specific waste reduction strategies.
- Topics will include composting, upcycling, and responsible e-waste disposal.

#### 2. Regular Awareness Campaigns:

- Monthly campaigns will reinforce reusable waste practices.
- Posters, social media content, and campus events will keep the momentum alive.

The Green Campus Committee extends its gratitude to all participants, speakers, and volunteers.

## Request for Permission to Arrange a Meeting for Renovation of Rainwater Harvesting System and Repainting Campus Signage

To,  
The Principal,  
THLH Mahavidyalay  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** Request for Permission to Arrange a Meeting for Renovation of Rainwater Harvesting System and Repainting Campus Signage

Respected Sir,

I hope this letter finds you in good health and high spirits. I am writing to you as the Convener of the Green Campus Committee to seek your permission to organize a meeting regarding the renovation of our college's rainwater harvesting system and the repainting of campus signage.

As you are aware, the rainwater harvesting system plays a pivotal role in conserving water and ensuring sustainability within our campus. However, it has come to our attention that the system requires immediate attention and renovation to function efficiently. Additionally, the campus signage, which guides and informs students, staff, and visitors, is in need of a fresh coat of paint to maintain the aesthetic appeal and readability.

We propose to hold the meeting on Feb 3, 2023 at 1:30 PM in Teacher's room. The meeting will be attended by committee members, facility management staff. We believe that with your support and guidance, we can ensure the successful execution of these essential projects, which will significantly contribute to our commitment to environmental conservation.

We kindly request you to grant us permission to proceed with the meeting arrangements and provide any additional support or resources that may be required.

Principal

## Meeting Notice for Green Campus Committee Members

Dear Committee Members,

I hope this message finds you well. As part of our ongoing efforts to enhance sustainability and environmental consciousness on campus, the Green Campus Committee has scheduled an important meeting. Your participation is crucial, and we look forward to your valuable insights.

### Meeting Details:

- Date: Feb 3, 2023
- Time: 1:30 PM
- Venue: Teacher's room

### Agenda:

1. Renovation of Rainwater Harvesting System:
  - Assessment of the current system.
  - Identification of necessary repairs and improvements.
  - Budget estimation.
  - Timeline planning.
2. Repainting of Campus Signage:
  - Selection of eco-friendly paints.
  - Scheduling the repainting work.

## Minutes Green Campus Committee Meeting

DATE	Feb 3, 2023
TIME	1:30:00 PM
MEETING CALLED TO ORDER BY	Dr. Amit Kumar Chakrabarty

### APPROVAL OF MINUTES

The minutes were read from the Previous meeting and approved. Action items from the previous meeting were discussed, and progress updates were shared.

### AGENDA

- Renovation of Rainwater Harvesting System:
- Repainting of Campus Signage:
- Selection of eco-friendly paints.
- Scheduling the repainting work.

### ACTIVITY

- Committee members reported the following issues:
- The current rainwater harvesting system was assessed by the facilities team.
  - Identified issues:
    - Leakage in certain pipes and storage tanks.
    - Clogged filters affecting water flow.
    - Worn-out components that need replacement.
  - Proposed solutions:
    - Repair damaged parts.
    - Upgrade filters and storage tanks.
    - Enhance maintenance procedures.
- Budget estimation: Approximately Rs 80000/only.
- Timeline planning: Work to commence in the next session.
- The existing campus signage was inspected.
  - Identified issues:
    - Faded paint affecting visibility.
    - Weathered materials in some signs.
  - Proposed solutions:
    - Repaint all campus signs using eco-friendly paints.
    - Replace damaged signs.
- Scheduling:
  - Preparation phase: Obtain necessary materials and finalize color choices.
  - Execution phase: Begin repainting during the upcoming semester break.
  - Completion: Expected within 1 years.

### Permission to arrange a meeting for Ground Water Recharge Initiative of our college

To,  
The Principal,  
THLH Mahavidyalay  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** *Permission to arrange a meeting for Ground Water Recharge Initiative of our college*

Respected Sir,

As the convener of the Green Campus Committee, I am writing to you as the Convener of the Green Campus Committee to seek your permission to organize a meeting regarding to implement a ground water recharge initiative on our campus. This project aims to harness the rainwater from rooftops and yards to recharge the groundwater levels, thereby contributing to water conservation and environmental sustainability.

We propose to hold the meeting on Nov 10, 2022 at 1:30 PM in Teacher's room. The meeting will be attended by committee members, facility management staff. We believe that with your support and guidance, we can ensure the successful execution of these essential projects, which will significantly contribute to our commitment to environmental conservation.

We kindly request you to grant us permission to proceed with the meeting arrangements and provide any additional support or resources that may be required.

We believe this initiative will not only benefit our campus but also set an example for others to follow in terms of responsible water management.

We request your approval to proceed with the necessary arrangements for this project.

## Request for Permission to Conduct a Meeting for the "Save Sparrow" Campaign

To,  
The Principal,  
THLH Mahavidyalay  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** Request for Permission to Conduct a Meeting for the "Save Sparrow" Campaign

Respected Sir,

I hope this letter finds you in good health and high spirits. As the convener of the Green Campus Committee at [College Name], I am writing to seek your kind permission to conduct a meeting regarding our upcoming initiative, the "Save Sparrow" campaign.

The "Save Sparrow" campaign aims to create a sustainable environment for sparrows within our college premises. These delightful little birds play a crucial role in maintaining ecological balance by controlling insect populations and pollinating plants. Unfortunately, their numbers have been declining due to habitat loss, pollution, and other factors. As responsible citizens and environmental enthusiasts, we believe it is our duty to take action and protect these avian friends.

Here are the details of the proposed meeting:

Date and Time:

- We propose holding the meeting on Apr 12, 2023 at 1:30 PM.
- The meeting duration will be approximately one hour.

We kindly request a meeting at your earliest convenience to discuss the campaign in more detail and address any questions or concerns you may have.

Yours faithfully,

K. Baidya  
Convener,  
Green Campus Committee

## Meeting Notice For Green Campus Committee Members

Dear Committee Members,

I hope this message finds you well. As part of our ongoing efforts to create a sustainable environment on our campus, we are pleased to announce a meeting to discuss the "Save Sparrow" campaign. Your active participation is crucial to the success of this initiative.

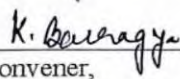

### Meeting Details:

- Date: Apr 12, 2023
- Time: 1:30 PM
- Venue: Teacher's room

### Agenda:

1. Introduction to the "Save Sparrow" campaign and its significance.
2. Presentation of research findings on sparrow conservation.
3. Brainstorming session for innovative ideas.
4. Formation of subcommittees (nest box installation, awareness drives, etc.).

Your insights, suggestions, and commitment to this cause are highly valued. Let us come together to make a positive impact on our local ecosystem and contribute to the well-being of these delightful birds.

## Green Campus Committee Meeting

DATE	April 12, 2023
TIME	1:30:00 PM
MEETING CALLED TO ORDER BY	Dr. Amit Kumar Chakrabarty

### IN ATTENDANCE

- Prof. KYAMALIA BAIRAGYA
- Prof. CHANDAN MANDAL
- Prof. DIPANKAR SINHA
- Prof. KANCHAN PAL
- CHANDAN MONDAL

### APPROVAL OF MINUTES

The minutes were read from the Previous meeting and approved. Action items from the previous meeting were discussed, and progress updates were shared.

### AGENDA

- Introduction to the "Save Sparrow" campaign and its significance.
- Presentation of research findings on sparrow conservation.
- Brainstorming session for innovative ideas.

### ACTIVITY

- The meeting began with a brief introduction to the purpose of the "Save Sparrow" campaign. We emphasized the importance of conserving sparrows and their role in maintaining ecological balance.
- We presented research findings on sparrow population decline, habitat loss, and the impact of pollution. These insights highlighted the urgency of our campaign.
- Our following primary objectives for the campaign was adopted unanimously:
  - Increase sparrow awareness among students, staff, and local community.
  - Create suitable nesting habitats within the college premises.
  - Promote responsible waste disposal to reduce pollution.
  - Monitor sparrow populations and track progress.
  - Create green spaces with native plants that attract insects (sparrow food).
  - Encourage students to participate in tree-planting drives.
  - Appoint volunteers to monitor sparrow populations.

### ANNOUNCEMENTS

The meeting concluded with a vote of thanks to the principal and a commitment from all members to actively participate in programme.

### Resolution

*of The Meeting*

About Save Sparrow Campaign

Here are the meeting resolutions based on the discussions during our Green Campus Committee meeting:

**Resolution 1.** Nest Box Installation:

- The committee will identify suitable locations for sparrow nest boxes within the college premises.
- Collaboration with the college maintenance team will be established to install the nest boxes.
- Regular monitoring and maintenance of the nest boxes will be carried out.

**Resolution 2.** Awareness Drives:

- Workshops, seminars, and awareness sessions will be conducted to educate students, staff, and the local community about sparrows.
- Students will actively participate in sparrow-related activities.
- Informative pamphlets will be distributed to raise awareness.

**Resolution 3.** Plant Native Trees and Shrubs:

- Green spaces with native plants that attract insects (sparrow food) will be created.
- Students will be encouraged to participate in tree-planting drives.

**Resolution 4.** Regular Monitoring:

- Volunteers will be appointed to monitor sparrow populations.
- Observations will be recorded, and data will be shared with the committee.

**Resolution 5.** Collaboration:

- The committee will collaborate with local NGOs, birdwatching clubs, and environmental organizations.
- Support from faculty and administrative staff will be sought.

**Resolution 6.** Timeline:

- Nest box installation: Completion within the next six months.
- Awareness drives: Ongoing throughout the academic year.
- Regular monitoring: Quarterly reports.
- Collaboration efforts: Continuous engagement.

## Permission to Arrange Meeting for Environment Day Celebration

To,  
The Principal,  
THLH Mahavidyalay  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** *Permission to Arrange Meeting for Environment Day Celebration*

Respected Sir,

I hope this letter finds you in the best of health and spirits. As the Convener of the Green Campus Committee, I am writing to seek your permission to organize a meeting on the occasion of the upcoming Environment Day. This event is a significant opportunity for us to highlight the importance of environmental conservation and to engage the college community in our green initiatives.

Proposed Date and Time: May 31, 2023 at 1:30 PM Venue: Teacher's Room

We believe that your presence as the host and chief guest would greatly enhance the significance of the meeting. Your support and guidance have always been pivotal to our committee's success, and we are eager to have you lead us in celebrating this vital day.

### Resolution

*of The Meeting*

About Environment Day

The Green Campus Committee with the presence of all committee members and staff, hereby resolves the following:

**Resolution 1.** Environment Day Celebration: The committee unanimously agrees to celebrate Environment Day with a series of events aimed at promoting environmental awareness and sustainability within the college community.

**Resolution 2.** Events and Workshops: The committee finalizes the organization of the following events:

- A Tree Planting Ceremony at College Campus, led by Green Campus Committee.
- A Campus Clean-Up Drive .

**Resolution 3.** Assignment of Responsibilities: Specific responsibilities for the successful execution of the Environment Day events are assigned to designated committee members and volunteers.

**Resolution 4.** Support and Participation: The committee calls upon all staff and students to actively participate in the Environment Day events and contribute to the college's green initiatives.

This resolution is passed with full consensus and is recorded in the meeting minutes as a testament to the committee's commitment to fostering a greener and more sustainable campus environment.

## Conclusion Report and Outcome Of the Event

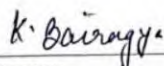

The Green Campus Committee is proud to present the outcome and conclusion report for the Environment Day celebration held on [Insert Date]. The event was a resounding success, with enthusiastic participation from students, faculty, and staff members.

### Outcomes:

1. Tree Planting Ceremony:
  - A total of 15 trees were planted across the campus, contributing to our goal of creating a greener and more sustainable environment.
  - Participants included students from various departments, demonstrating a collective effort towards ecological conservation.
2. Campus Clean-Up Drive:
  - The drive resulted in the collection of 8 kilograms of waste, which was properly segregated and disposed of, emphasizing the importance of cleanliness and waste management.
  - The initiative also raised awareness about the impact of littering and the benefits of recycling.

### Conclusion:

The Environment Day celebration not only brought our college community together but also instilled a sense of responsibility towards the environment. The active engagement and positive feedback from participants indicate a growing consciousness about environmental issues and a willingness to take action.

## Request for Permission to Conduct a Meeting for Purchasing or Building Handmade Bird Nests on Campus

To,  
The Principal,  
THLH Mahavidyalay  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** Request for Permission to Conduct a Meeting for Purchasing or Building Handmade Bird Nests on Campus

Respected Sir,

I hope this letter finds you well. As the convener of the Green Campus Committee, I am writing to seek your permission to conduct a meeting with the purpose of discussing the initiative to purchase or build handmade bird nests on our college campus.

Our committee is committed to promoting environmental awareness and biodiversity within our college premises. We believe that creating suitable habitats for birds is essential for maintaining ecological balance and enhancing the natural beauty of our campus. By installing bird nests, we aim to attract various bird species and provide them with safe spaces for nesting and breeding.

Meeting Details:

- Date: May 18, 2023
- Time: 1:30 PM
- Venue: Teacher's Room

Kindly grant us permission to hold the proposed meeting so that we can discuss this initiative in detail and move forward with our plans. We believe that this project aligns with our college's commitment to sustainability and environmental stewardship.

Thank you for your attention to this matter. We look forward to your favorable response.

Yours faithfully,

K. Banerjee

## Meeting Notice

*For Green Campus Committee Members*

Dear Committee Members,

I hope this message finds you well. As the convener of the Green Campus Committee, I am writing to inform you about an important meeting scheduled for the purpose of discussing our initiative to purchase or build handmade bird nests on campus.

Meeting Details:

- Date: May 18, 2023
- Time: 1:30 PM
- Venue: Teacher's Room

Agenda:

1. We will explore various options for purchasing or constructing bird nests suitable for different bird species.
2. Identifying strategic locations on campus where these nests can be installed.
3. Discussing the materials needed for building the nests and considering eco-friendly designs.
4. Establishing a plan for regular maintenance and monitoring of the nests.

Your active participation and valuable insights are crucial for the success of this project. Let us work together to enhance biodiversity and create a bird-friendly environment within our college premises.

## Green Campus Committee Meeting

DATE	May 18, 2023
TIME	1:30:00 PM
MEETING CALLED TO ORDER BY	Dr. Amit Kumar Chakrabarty

### IN ATTENDANCE

- Prof. KYAMALIA BAIRAGYA
- Prof. CHANDAN MANDAL
- Prof. DIPANKAR SINHA
- Prof. KANCHAN PAL
- CHANDAN MONDAL

### APPROVAL OF MINUTES

The minutes were read from the Previous meeting and approved. Action items from the previous meeting were discussed, and progress updates were shared.

### AGENDA

- To explore types of Bird Nests:
- To select Location for Bird Nests:
- To discuss about Materials and Design:
- To establish Maintenance and Monitoring system:

### ACTIVITY

- Explored various options for purchasing or constructing bird nests suitable for different bird species.
- Discussed the pros and cons of ready-made nests versus handmade ones.
- Decided to focus on eco-friendly, locally sourced materials.
- Identified potential locations on campus for installing bird nests.
- Discussed the materials needed for building the nests.
- Established a maintenance schedule for regular cleaning and repairs.
- Assigned responsibilities to committee members for monitoring the nests.
- Decided to involve students in reporting any issues.
- Committee members will research and finalize the purchase of materials.
- Workshop dates will be announced.
- A team will be formed to install the nests at chosen locations.
- Convener will liaise with the college maintenance staff.
- Committee members will create posters and flyers to raise awareness about the bird nest initiative.

### Resolution

*of The Meeting*

About Bird Nest

Here are the meeting resolutions based on the discussions during our Green Campus Committee meeting:

1. Procurement and Construction:
  - The committee will research and finalize the purchase of materials for building the bird nests.
  - Volunteers will be sought to participate in constructing the nests during workshops.
  - We aim to use eco-friendly, locally sourced materials for the nests.
2. Location Selection and Installation:
  - The identified locations for installing bird nests will be marked on a map.
  - A team will be formed to install the nests at these chosen spots.
  - The convener will coordinate with the college maintenance staff for installation.
3. Maintenance and Monitoring:
  - Regular cleaning and maintenance schedules will be established.
  - Committee members will take responsibility for monitoring the nests.
  - Students will be encouraged to report any issues related to the nests.
4. Awareness Campaign:
  - Posters and flyers will be created to raise awareness about the bird nest initiative.
  - College communication channels will be used to inform students and staff.
5. Next Steps:
  - The convener will seek necessary approvals from the college administration.
  - Volunteers will be notified about workshop dates.
  - Implementation of the project will begin promptly.

We appreciate everyone's active participation and commitment to this project.

## Request for Permission to Conduct "World Earth Day" Meeting and Plantation Program

To,  
The Principal,  
THLH Mahavidyalay  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** Request for Permission to Conduct "World Earth Day" Meeting and Plantation Program

Respected Sir,

I hope this letter finds you in good health and high spirits. As the convener of the Green Campus Committee, I am writing to seek your kind permission to organize a meeting and a plantation program in celebration of "World Earth Day."

Event Details:

Date: Apr 10, 2023

Time: 01:00 PM onwards

Venue: Teacher's room

This meeting is to raise awareness about environmental conservation, sustainable practices, and the importance of preserving our planet. We plan to discuss upcoming initiatives, share ideas about environmental issues. Following the meeting, we propose organizing a tree plantation drive. We aim to plant native trees and create green spaces within the college premises. We will ensure proper maintenance and care for the newly planted saplings.

We sincerely request your approval to conduct this event. Your support will significantly enhance our efforts towards creating a greener and more environmentally conscious campus.

Yours faithfully,

## Green Campus Committee Meeting

DATE	April 10, 2023
TIME	1:30:00 PM
MEETING CALLED TO ORDER BY	Dr. Amit Kumar Chakrabarty

### IN ATTENDANCE

- Prof. KYAMALIA BAIRAGYA
- Prof. CHANDAN MANDAL
- Prof. DIPANKAR SINHA
- Prof. KANCHAN PAL
- CHANDAN MONDAL

### APPROVAL OF MINUTES

The minutes were read from the Previous meeting and approved. Action items from the previous meeting were discussed, and progress updates were shared.

### AGENDA

- Introduction to the significance of World Earth Day.
- Discussion on Green Initiatives
- Distributing saplings and encouraging participants to plant trees within the campus.

### ACTIVITY

The meeting commenced with a brief introduction to the significance of World Earth Day. The Convener welcomed all participants and emphasized the

Key points discussed:

- Need for tree plantation drives within the campus.
- Importance of waste reduction and recycling initiatives.
- Encouraging students to adopt eco-friendly habits.
- Proposal for a monthly "Green Challenge" to engage students in ecoconscious activities.
- Setting up composting bins in common areas.
- Participants pledged to plant and nurture the saplings within the campus.
- Committee members volunteered to oversee the maintenance of planted trees.
- Attendees collectively agreed to:
  - Reduce plastic usage.
  - Promote energy conservation.

### ANNOUNCEMENTS

The meeting concluded with a vote of thanks to the principal and a commitment from all members to actively participate in programme.

### Resolution

*of The Meeting*

About World Earth Day

In our recent meeting celebrating "World Earth Day," the Green Campus Committee reached several important resolutions to enhance our environmental initiatives. Here are the key outcomes:

#### Resolution 1.

- o We unanimously agreed to organize regular tree plantation drives within the campus. Native tree species will be prioritized to promote biodiversity and improve the overall green cover.
- o Committee members volunteered to take responsibility for specific areas and ensure proper care of the planted saplings.

#### Resolution 2.

- o We will introduce a monthly "Green Challenge" for students and staff. Each month, participants will be encouraged to adopt eco-friendly practices, such as reducing plastic usage, conserving energy, or practicing waste segregation.
- o The committee will create awareness campaigns and reward systems to motivate active participation.

#### Resolution 3.

- o We aim to set up composting bins in common areas to manage organic waste effectively.

#### Resolution 5.

- o Prof. Sujoy Dutta will design eye-catching posters to educate the campus community about waste reduction, recycling, and responsible consumption.

#### Resolution 6.

- o All attendees took a pledge to actively contribute to a greener campus. We commit to making small but impactful changes in our daily habits.

#### Resolution 7.

The committee will allocate a portion of our budget for tree saplings, awareness materials, and any necessary expenses related to our initiatives.

## Request for Permission to Conduct Campus Survey on Environmental Management

To,  
The Principal,  
THLH Mahavidyalay  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** Request for Permission to Conduct Campus Survey on Environmental Management

Respected Sir,

I hope this letter finds you in good health and high spirits. I am writing to you as the Convener of the Green Campus Committee, a body committed to fostering sustainable practices within our college premises.

Our committee is planning to undertake a comprehensive survey that aims to assess and improve the current state of waste management, energy conservation, water preservation, and greenery enhancement on our campus.

To conduct this survey effectively, we seek your permission to organize a meeting involving our committee members and interested students. We believe that the insights gained from this survey will be instrumental in implementing targeted strategies for a greener and more sustainable campus. We propose to hold the meeting on Apr 3, 2023 at 1:30 PM in Teacher's room.

We are eager to embark on this significant endeavour and are confident that with your support, we can make a substantial impact. We kindly request you to grant us the necessary permission to proceed with the meeting and the subsequent survey.

## Meeting Notice

For Green Campus Committee Members

Dear Esteemed Members,

We are pleased to announce that the Green Campus Committee will be holding a crucial meeting to discuss the upcoming campus survey on waste, energy, water, and greenery management. Your participation is highly valued as we aim to collectively contribute to the betterment of our college's environmental footprint.

Meeting Details:

- Date: Apr 3, 2023
- Time: 1:30 PM
- Venue: Teacher's room

The agenda will include:

- Finalizing the survey methodology.
- Distribution of survey-related tasks.
- Planning for data collection and subsequent analysis.
- Establishing a timeline for the survey execution.

Your insights and active involvement are essential for the success of this initiative. Together, we can drive meaningful change and reinforce our commitment to sustainability.

## Conclusion Report and Outcome Of the Event

The Green Campus Committee successfully conducted a comprehensive survey to evaluate the current state of environmental management at our college. The survey focused on four key areas: waste management, energy conservation, water preservation, and greenery enhancement. The initiative aimed to identify areas for improvement and engage the student body in sustainable practices.

### Key Findings

- **Waste Management:** The survey revealed that while there are adequate waste bins around the campus, recycling practices are not widely adopted. There is a need for better segregation of waste and increased awareness of recycling benefits.
- **Energy Conservation:** The findings indicated that a significant amount of energy could be saved by optimizing lighting and air conditioning usage, especially during off-peak hours.
- **Water Preservation:** The survey identified several leaky faucets and inefficient water usage in landscaping. There is potential for water conservation through the installation of low-flow fixtures and rainwater harvesting systems.
- **Greenery Enhancement:** The campus has a good amount of green space, but there are opportunities to increase biodiversity and create more green zones.

### Recommendations

Based on the survey results, the committee proposes the following actions:

- Implement a campus-wide recycling program with clear guidelines and proper facilities.
- Conduct energy audits to identify areas for efficiency improvements and implement a campus-wide energy-saving campaign.
- Install water-saving devices and repair existing fixtures to reduce water wastage.
- Develop a greenery enhancement plan that includes planting native species and creating additional green spaces.

### Outcome

The college administration has acknowledged the survey findings and expressed support for the proposed recommendations. A task force will be formed to oversee the implementation of the initiatives, with the Green Campus Committee playing a key role in monitoring progress and ensuring the successful execution of the sustainability plan.

### Conclusion

The survey has provided valuable insights into the environmental management of our college. It has also successfully engaged students in sustainability efforts, fostering a culture of environmental responsibility. The Green Campus Committee is committed to working with the college administration to implement the recommended actions and continue to promote a sustainable campus environment.

### Permission to Inaugurate a Meeting for "No Smoking Day" Awareness Program

To,  
The Principal,  
THLH Mahavidyalay  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** Permission to Inaugurate a Meeting for "No Smoking Day" Awareness Program

Respected Sir,

I hope this letter finds you in good health. As the convener of the Green Campus Committee, I am writing to seek your kind permission to inaugurate a meeting aimed at conducting an awareness program in observance of "No Smoking Day". Our committee is committed to promoting a healthy and sustainable environment within the college premises, and this initiative aligns perfectly with our objectives.

This meeting is to raise awareness about the harmful effects of smoking and encourage a smoke-free campus. We believe that by educating our students, faculty, and staff, we can contribute to a healthier and cleaner environment for everyone.

We propose to hold the meeting on Mar 3, 2023, at 1:30 PM in the Teachers Room. Your support and guidance have always been pivotal to our initiatives. We believe that your presence will greatly emphasize the importance of this meeting and inspire our committee members to enforce these necessary regulations diligently.

## Green Campus Committee Meeting

DATE	March 3, 2023
TIME	1:30:00 PM
MEETING CALLED TO ORDER BY	Dr. Amit Kumar Chakrabarty

### IN ATTENDANCE

- Prof. KYAMALIA BAIRAGYA
- Prof. CHANDAN MANDAL
- Prof. DIPANKAR SINHA
- Prof. KANCHAN PAL
- CHANDAN MONDAL

### APPROVAL OF MINUTES

The minutes were read from the Previous meeting and approved.

### AGENDA

- Review the campus smoking policy and its enforcement.
- Discuss awareness campaigns for promoting a smoke-free environment.
- Plan activities for No Smoking Day.
- Finalization of event schedule
- Allocation of tasks (poster display, logistics, registration, etc.)
- Review of promotional materials

### ACTIVITY

- The convener Prof. Kyamalia Bairagya welcomed all committee members and introduced the purpose of the meeting.
- The committee discussed the existing no smoking policy on campus.
- Emphasized the importance of maintaining a smoke-free environment for the well-being of all students, faculty, and staff.
- Highlighted the risks associated with smoking, including property damage, health hazards, and fire risks.
- Discussed plans for observing "No Smoking Day" on campus.
- Proposed awareness campaigns to promote smoke-free habits.
- Considered organizing a campus-wide pledge to encourage everyone to refrain from smoking on that day.
- Agreed to reinforce the no smoking policy through clear signage, announcements, and regular reminders.
- Discussed ways to communicate the importance of smoke-free areas to students and visitors.

### ANNOUNCEMENTS

About No Smoking Day

**Resolution 1.**

The Green Campus Committee acknowledges the risks associated with smoking on campus, including property damage, health hazards, and fire risks.

**Resolution 2.**

The committee reaffirms its commitment to maintaining a smoke-free environment for the well-being of all students, faculty, and staff.

**Resolution 3.**

The committee agrees to observe "No Smoking Day" by implementing the following initiatives:

- Conduct awareness campaigns to educate the campus community about the harmful effects of smoking.
- Distribute informational pamphlets and posters emphasizing the benefits of a smoke-free campus.
- Organize workshops and seminars on smoking cessation.
- Collaborate with student organizations to promote smoke-free habits.

**Resolution 4.**

The committee assigns responsibilities to individual members for planning and executing the activities related to "No Smoking Day."

**Resolution 5.**

The committee encourages all members to actively participate in creating a healthier and cleaner campus environment.

**Resolution 6.**

The next committee meeting will review the progress of the "No Smoking Day" initiatives and assess their impact.

## Conclusion Report and Outcome Of the Event

As the Green Campus Committee, we successfully observed "No Smoking Day" on [insert date]. This initiative aimed to create awareness about the harmful effects of smoking and promote a smoke-free environment on our campus. Here are the key outcomes and conclusions:

### Outcomes:

1. Increased awareness about smoking hazards.
2. Reduced smoking incidents on campus.
3. Strengthened commitment to a smoke-free environment.
4. Improved overall air quality and cleanliness.

### Conclusion

- We conducted awareness campaigns through posters, flyers, and social media graphics. These materials emphasized the risks of smoking, second-hand smoke, and the benefits of a smoke-free campus.
- The response from students, faculty, and staff was positive, and many actively participated in sharing the campaign messages.
- A campus-wide pledge drive encouraged individuals to commit to a smoke-free lifestyle. Many students and staff members pledged to quit smoking or support others in their journey.
- Pledge cards were displayed prominently across campus.
- We reinforced smoke-free zones by placing clear signage near entrances, common areas, and designated spots.
- Security personnel monitored compliance and politely reminded individuals not to smoke in prohibited areas.
- We plan to continue promoting smoke-free habits beyond "No Smoking Day." Regular reminders, educational sessions, and collaboration with student organizations will be essential.
- Monitoring and evaluating the long-term impact of our efforts will guide future initiatives.

In conclusion, our collective efforts made "No Smoking Day" a success. Let's continue working together to create a healthier and more sustainable campus for everyone.

## Meeting Notice

*For Green Campus Committee Members*

To All Members of the Green Campus Committee,  
You are cordially invited to attend the upcoming meeting for the "Orchard Oasis" campaign. The meeting will be inaugurated by our respected Principal, and will focus on the cultivation of fruit trees within our college premises.

Date: Feb 10, 2023

Time: 1:30 PM

Venue: Teacher's Room

Your participation is crucial for the success of this campaign. Please make it a point to attend.

## Green Campus Committee Meeting

DATE	February 10, 2023
TIME	1:30:00 PM
MEETING CALLED TO ORDER BY	Dr. Amit Kumar Chakrabarty

### IN ATTENDANCE

- Prof. KYAMALIA BAIRAGYA
- Prof. CHANDAN MANDAL
- Prof. DIPANKAR SINHA
- Prof. KANCHAN PAL
- CHANDAN MONDAL

### APPROVAL OF MINUTES

The minutes were read from the Previous meeting and approved. Action items from the previous meeting were discussed, and progress updates were shared.

### AGENDA

- Inauguration by the Principal.
- Presentation of the "Orchard Oasis" campaign plan.
- Discussion on the selection and procurement of fruit tree saplings.
- Allocation of responsibilities among committee members.

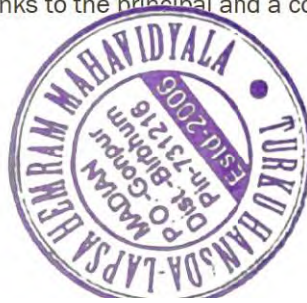

Finalization of the campaign schedule.

### ACTIVITY

- The meeting was inaugurated by college principal, who emphasized the importance of environmental conservation.
- The campaign plan was presented, outlining the objectives and benefits of cultivating fruit trees.
- A variety of fruit tree saplings were selected for plantation, considering the local climate and soil conditions.
- Committee members volunteered for various tasks, ensuring a collaborative effort.
- The campaign schedule was finalized, with the plantation drive set to commence on February 20, 2023.
- Procure selected saplings by Feb 19, 2023.
- Prepare the designated plantation sites by Feb 17, 2023.
- Organize volunteer teams for the plantation drive.

### ANNOUNCEMENTS

The meeting concluded with a vote of thanks to the principal and a commitment from all members to actively participate in programme.

Principal  
THLH Mahavidyalaya  
Madian, Mallarpur, Gonpur

### Resolution

#### *Of The Meeting*

#### About Orchard Oasis: cultivation of fruit trees

Here are the detailed resolutions of the meeting for the "Orchard Oasis" campaign:

##### Resolution 1.

- The meeting was officially inaugurated by the Principal, who delivered a welcome address highlighting the significance of the "Orchard Oasis" campaign in promoting environmental sustainability and enhancing the campus's green cover.

##### Resolution 2

- The objectives of the campaign were presented, which include:
  - To increase biodiversity on campus.
  - To provide fresh fruits for the college community.
  - To create natural shaded areas for students and staff.

##### Resolution 3.

- A resolution was passed to select a variety of fruit trees that are well-suited to the local climate and soil conditions. The selection includes mango, guava, lemon, and papaya trees.

##### Resolution 4.

- The committee resolved to procure high-quality saplings from reputable nurseries. A budget was allocated, and a procurement team was formed to oversee the process.

##### Resolution 5.

- It was resolved to prepare the designated sites for plantation by clearing the area, enriching the soil, and ensuring proper irrigation facilities are in place.

##### Resolution 6.

- A resolution was made to engage student volunteers in the campaign. A volunteer registration drive will be organized to enlist interested students.

##### Resolution 7.

- The committee agreed upon a detailed schedule for the campaign activities, including the plantation drive, maintenance workshops, and periodic reviews of the growth progress.

##### Resolution 8.

- The committee resolved to conduct awareness sessions and educational workshops on the importance of fruit trees and their care for the college community.

##### Resolution 9.

- The committee expressed its intention to expand the "Orchard Oasis" campaign in the future by including more varieties of fruit trees and extending the plantation area.

The meeting concluded with a commitment from all members to actively participate and contribute to the success of the "Orchard Oasis" campaign.

## Conclusion Report and Outcome *Of the Event*

As the Convener of the Green Campus Committee, it is with great pleasure that I present the conclusion report and outcomes of the "Orchard Oasis" campaign.

**Campaign Overview:** The "Orchard Oasis" campaign was initiated with the objective of cultivating fruit trees across our college campus. The campaign aimed to enhance biodiversity, provide fresh fruits, create shaded areas, and contribute to environmental sustainability.

**Program Execution:** The campaign was launched on Feb 20, 2023. Throughout the duration, we witnessed enthusiastic participation from students, faculty, and staff members. The plantation drive involved the planting of various fruit trees, including mango, guava, lemon, and papaya.

### Outcomes:

- A total of 15 fruit trees were successfully planted.
- The campaign received overwhelming support, with 20 volunteers participating.

### Conclusion:

The "Orchard Oasis" campaign has been a resounding success. The newly planted trees are thriving and promise to yield fruits in the coming years. The campaign has not only beautified our campus but also instilled a sense of environmental responsibility among the college community.

### Request for Permission to Conduct Campus Survey on Environmental Management

To,  
The Principal,  
THLH Mahavidyalay  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** Request for Permission to Conduct Campus Survey on Environmental Management

Respected Sir,

I hope this letter finds you in good health and high spirits. I am writing to you as the Convener of the Green Campus Committee, a body committed to fostering sustainable practices within our college premises.

Our committee is planning to undertake a comprehensive survey that aims to assess and improve the current state of waste management, energy conservation, water preservation, and greenery enhancement on our campus.

To conduct this survey effectively, we seek your permission to organize a meeting involving our committee members and interested students. We believe that the insights gained from this survey will be instrumental in implementing targeted strategies for a greener and more sustainable campus. We propose to hold the meeting on Jan 11, 2023 at 1:30 PM in Teacher's room.

We are eager to embark on this significant endeavour and are confident that with your support, we can make a substantial impact. We kindly request you to grant us the necessary permission to proceed with the meeting and the subsequent survey.

Yours faithfully,

*K. Banerjee*

## Meeting Notice

*For Green Campus Committee Members*

Dear Esteemed Members,

We are pleased to announce that the Green Campus Committee will be holding a crucial meeting to discuss the upcoming campus survey on waste, energy, water, and greenery management. Your participation is highly valued as we aim to collectively contribute to the betterment of our college's environmental footprint.

### Meeting Details:

- Date: Jan 11, 2023
- Time: 1:30 PM
- Venue: Teacher's room

The agenda will include:

- Finalizing the survey methodology.
- Distribution of survey-related tasks.
- Planning for data collection and subsequent analysis.
- Establishing a timeline for the survey execution.

Your insights and active involvement are essential for the success of this initiative. Together, we can drive meaningful change and reinforce our commitment to sustainability.

## Conclusion Report and Outcome *Of the Event*

The Green Campus Committee successfully conducted a comprehensive survey to evaluate the current state of environmental management at our college. The survey focused on four key areas: waste management, energy conservation, water preservation, and greenery enhancement. The initiative aimed to identify areas for improvement and engage the student body in sustainable practices.

### Key Findings

- **Waste Management:** The survey revealed that while there are adequate waste bins around the campus, recycling practices are not widely adopted. There is a need for better segregation of waste and increased awareness of recycling benefits.
- **Energy Conservation:** The findings indicated that a significant amount of energy could be saved by optimizing lighting and air conditioning usage, especially during off-peak hours.
- **Water Preservation:** The survey identified several leaky faucets and inefficient water usage in landscaping. There is potential for water conservation through the installation of low-flow fixtures and rainwater harvesting systems.
- **Greenery Enhancement:** The campus has a good amount of green space, but there are opportunities to increase biodiversity and create more green zones.

### Recommendations

Based on the survey results, the committee proposes the following actions:

- Implement a campus-wide recycling program with clear guidelines and proper facilities.
- Conduct energy audits to identify areas for efficiency improvements and implement a campus-wide energy-saving campaign.
- Install water-saving devices and repair existing fixtures to reduce water wastage.
- Develop a greenery enhancement plan that includes planting native species and creating additional green spaces.

### Outcome

The college administration has acknowledged the survey findings and expressed support for the proposed recommendations. A task force will be formed to oversee the implementation of the initiatives, with the Green Campus Committee playing a key role in monitoring progress and ensuring the successful execution of the sustainability plan.

### Conclusion

The survey has provided valuable insights into the environmental management of our college. It has also successfully engaged students in sustainability efforts, fostering a culture of environmental responsibility. The Green Campus Committee is committed to working with the college administration to implement the recommended actions and continue to promote a sustainable campus environment.

## Permission for Modifications and Beautification of the Medicinal Plant Garden

To,  
The Principal,  
THLH Mahavidyalay  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** *Permission for Modifications and Beautification of the Medicinal Plant Garden*

Respected Sir,

I hope this letter finds you in good health and high spirits. I am writing to you as the Convener of the Green Campus Committee to seek your esteemed presence and permission to inaugurate a meeting for undertaking certain modifications and beautification efforts in our college's medicinal plant garden.

As you are aware, the medicinal plant garden is not only a valuable resource for our students' practical learning but also serves as a serene green space within our campus. To enhance its educational value and aesthetic appeal, we propose the following modifications:

1. Installation of New Plant Signages
2. Pathway Renovation
3. Addition of Benches and Lighting
4. Introduction of New Medicinal Plant Species

We believe these enhancements will significantly contribute to the educational and environmental ethos of our institution. The Green Campus Committee is committed to overseeing the project with minimal disruption to the daily activities of the college.

We kindly request your approval to proceed with the planned modifications. We assure you that all activities will be conducted in compliance with the college's regulations and with utmost respect for the existing garden ecosystem.

Thank you for considering our request. We look forward to your positive response and support.

Yours faithfully,

### Meeting Notice

*For Green Campus Committee Members*

I hope this notice finds you in good health and high spirits. As a valued member of the Green Campus Committee, I am writing to invite you to attend an important meeting regarding the modification and beautification of our Medicinal Garden.

Date: Jan 5, 2023

Time: 1:30 PM

Location: College Campus

Agenda:

1. Overview of the Current State of the Medicinal Garden
2. Discussion on Planned Modifications
3. Brainstorming Beautification Ideas
4. Allocation of Responsibilities and Tasks
5. Timeline and Implementation Plan
6. Any Other Business

The purpose of this meeting is to discuss the necessary modifications to enhance the functionality, aesthetic appeal, and overall utilization of our Medicinal Garden. Your input, expertise, and passion for our green initiatives are highly valued, and we believe that your presence will greatly contribute to the success of this project.

We kindly request that you come prepared with any ideas, suggestions, or key points relevant to the modification and beautification of the Medicinal Garden. Additionally, please feel free to communicate any specific agenda items you would like to discuss during the meeting. Your active participation is essential to ensure the successful outcome of this project, and we highly encourage you to attend and share your invaluable insights.

### Resolution

*Of The Meeting*

About Modifications and Beautification of the  
Medicinal Plant Garden

WHEREAS, the Green Campus Committee recognizes the importance of the medicinal plant garden as a valuable resource for education and well-being;

WHEREAS, the Committee acknowledges the need for enhancements to improve the aesthetic appeal and functionality of the garden;

BE IT RESOLVED, that the Green Campus Committee hereby approves the following actions:

**Plant Selection and Arrangement:** The Committee will collaborate with botany experts to curate a diverse selection of medicinal plants that are both beneficial and visually appealing. The arrangement of plants will be designed to create a harmonious and accessible space.

**Pathway Improvement:** The existing pathways will be upgraded with eco-friendly materials to ensure safe and comfortable access for all visitors. The design will complement the natural beauty of the garden.

**Educational Signage:** Informative signs will be installed throughout the garden to educate visitors about the medicinal properties and uses of the plants. The signage will be both engaging and durable.

**Seating Areas:** The Committee will introduce additional seating areas to provide visitors with spaces to relax and reflect within the garden.

**Lighting:** Solar-powered lighting will be installed to enhance the garden's visibility and security during evening hours.

**Maintenance Plan:** A sustainable maintenance plan will be established to ensure the long-term care and preservation of the garden. The Committee commits to overseeing the implementation of these modifications and beautification efforts.

## Conclusion Report and Outcome Of the Event

In conclusion, the college's Green Campus Committee has made significant strides in the modifications and beautification of the medicinal plant garden. The systematic execution of green environment initiatives has not only maintained biodiversity but also ensured a pollution-free environment within the campus. The medicinal garden has been well-maintained by the combined efforts of gardeners, departmental teachers, and students, contributing to the campus's green cover.

The college observed 'Banomahotsav' and World Environment Day, promoting awareness and encouraging student participation in tree plantation. The NSS organized campus cleanliness drives and prepared organic manures for soil enrichment of the medicinal garden. The 'No plastic zone' initiative and the use of renewable energy, such as the installation of a Solar PV Plant, have furthered the college's commitment to sustainability.

The Echo Club and the Physical Maintenance as well as Green Campus committee have worked tirelessly towards campus maintenance and beautification.

Overall, the college's dedication to creating a green and sustainable campus is commendable, and the medicinal plant garden stands as a testament to these efforts, enhancing the aesthetic and ecological value of the campus.

### Permission to arrange a meeting for observing "International Biodiversity Day"

To,  
The Principal,  
THLH Mahavidyalay  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** *Permission to arrange a meeting for observing "International Biodiversity Day"*

Respected Sir,

As the convener of the Green Campus Committee, I am writing to seek your permission to organize a meeting for observing "International Biodiversity Day" on Dec 20, 2022. The program aims to raise awareness about the rich biodiversity within our campus and to engage students in conservation efforts.

The program will include:

- Guided walks to observe local flora and fauna.
- Interactive sessions on biodiversity and its importance.
- Workshops on sustainable practices.

We believe this program will greatly benefit our students and enhance our reputation as an environmentally conscious institution.

### Resolution

*Of The Meeting*

#### About International Biodiversity Day

In our recent meeting celebrating "International Biodiversity Day," the Green Campus Committee reached several important resolutions to enhance our environmental initiatives. Here are the key Outcomes:

##### Resolution 1:

The committee resolves to initiate and intensify environmental awareness campaigns within the campus. These campaigns will include:

- Organizing educational workshops on sustainability.
- Hosting seminars featuring environmental experts.
- The goal is to foster a culture of environmental responsibility and active participation in sustainability efforts.

##### Resolution 2:

The committee agrees to allocate necessary funds for the successful implementation of the Biodiversity Observation Program. The allocated budget will cover:

- Purchase of equipment for biodiversity observation and recording.
- Resolution ensures that the program is adequately resourced to provide a comprehensive educational experience.

##### Resolution 3:

The committee resolves to recruit student volunteers to support the Biodiversity Observation Program. Volunteers will be involved in:

- Assisting with the organization and execution of program activities.
- Facilitating guided biodiversity walks.
- This resolution aims to enhance student engagement and provide hands-on experience in conservation efforts.

##### Resolution 4:

The committee reviewed the progress of ongoing projects and resolved to:

- Continue and expand the current recycling program.
- Enhance the tree plantation drive with increased participation.
- This resolution reflects the committee's commitment to continuous improvement and expansion of environmental projects.

These resolutions are set forth to guide the committee's actions and reinforce its dedication to creating a sustainable and environmentally conscious campus. These resolutions reflect the committee's dedication to fostering an environmentally conscious campus culture and its commitment to practical action towards sustainability.

## Conclusion Report and Outcome

### *Of the Event*

The Biodiversity Day Observation Program conducted by the Green Campus Committee aimed to explore and document the rich biodiversity within our campus. Through guided nature walks, interactive sessions, and species identification activities, participants had the opportunity to connect with nature and deepen their understanding of local ecosystems.

#### Activities and Observations

- Our naturalists provided field guides, helping participants identify local plants, insects, and birds.
- Participants learned about the role of each species in maintaining ecological balance.
- Bird feeder setup: Participants assembled simple bird feeders using recycled materials.
- Insect habitat creation: Small insect hotels were built to provide shelter for pollinators.

#### Key Findings

- The *Dendrobium campusensis* orchid is endemic to our campus and requires conservation efforts.
- Participants documented its location for future monitoring.
- Over 50 students participated, demonstrating a keen interest in environmental activities.
- Many expressed a desire to continue exploring nature beyond this program.

#### Conclusion

The Biodiversity Observation Program was a success, fostering a deeper appreciation for our campus's natural heritage. Moving forward, we recommend:

- Regular biodiversity surveys to monitor changes over time.
- Educational workshops on native species and conservation.
- Collaboration with other departments for larger-scale initiatives.

We extend our gratitude to all participants, naturalists, and volunteers who made this program possible.

## Permission for Formation of Eco Club and Green Volunteers

To,  
The Principal,  
THLH Mahavidyalay  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** *Permission for Formation of Eco Club and Green Volunteers*

Respected Sir,

I hope this letter finds you in good health. As a member of the Green Campus Committee, I am writing to seek your esteemed presence and permission to inaugurate a meeting to establish an Eco-Club, Green volunteer & rain water harvesting unit within our college. We believe that the Eco Club will serve as a platform for students to engage in eco-friendly activities, while the Green Volunteers will take a hands-on approach to maintaining and improving our green campus.

As a member of the Green Campus Committee, I am committed to taking an active role in the Eco-Club, Green volunteer & rain water harvesting unit. I will coordinate activities, engage fellow students, and collaborate with faculty members to ensure the club's success.

Having an active Eco-Club, Green volunteer & rain water harvesting unit will enhance our college's reputation as an environmentally conscious institution. The club will provide a platform for students to actively participate in meaningful environmental projects.

Thank you for considering my proposal. I am ready to provide further details if needed.

## Notice for Students

Dear Students,

Are you passionate about protecting the environment and making a positive impact in our community? If so, we invite you to join our esteemed Eco Club and become a part of the Green Volunteers team at THLHM.

The Eco Club is a dynamic student-run organization that aims to raise awareness about environmental issues and promote sustainable practices on campus. We organize various initiatives, workshops, campaigns, and events throughout the year to engage and educate the college community on the importance of preserving our planet.

As a member of the Eco Club, you will have the opportunity to:

1. Collaborate with like-minded individuals who share your passion for the environment.
2. Participate in hands-on activities such as tree-planting drives, beach clean-ups, recycling programs, and more.
3. Gain valuable leadership and teamwork skills through organizing and executing environmentally focused projects.
4. Create and implement innovative ideas for promoting sustainability within the college premises.
5. Attend guest lectures, seminars, and workshops conducted by experts in the field of environmental conservation.

Joining the Green Volunteers program will enable you to actively contribute to meaningful initiatives alongside the Eco Club. As a Green Volunteer, you may participate in activities such as community gardening, working with local NGOs on sustainability projects, conducting awareness drives, and much more. Let's work together towards a greener and more sustainable future. Join us now and be a part of the solution!

Thank you for your dedication towards preserving our environment.

### Resolution Of The Meeting About Car-Free Day

The following resolutions were passed unanimously:

#### 1. Resolution to Implement "Wheels Off Day":

The committee resolves to implement "Wheels Off Day" as a regular event to encourage environmental sustainability and reduce the carbon footprint on campus. All students, faculty, and staff are encouraged to participate by refraining from using personal and public vehicles on campus every Wednesday.

#### 2. Resolution for Awareness Campaigns:

The committee resolves to initiate awareness campaigns to educate the college community about the benefits of "Wheels Off Day." These campaigns will include the distribution of informative materials, organization of workshops, and active promotion on social media platforms.

#### 3. Resolution for Monitoring and Feedback:

The committee resolves to establish a monitoring system to assess the participation and impact of "Wheels Off Day." Feedback will be collected from participants to continuously improve the initiative and ensure its success.

#### 4. Resolution for Future Sustainability Initiatives:

The committee resolves to explore and implement additional sustainability initiatives that align with the college's commitment to environmental stewardship. This includes the consideration of renewable energy sources, waste reduction programs, and green infrastructure projects.

The Green Campus Committee is committed to making "Wheels Off Day" a cornerstone of our college's environmental efforts. We look forward to the active involvement of the entire college community in making this initiative a success.

Date: Sep 22, 2022

### Conclusion Report and Outcome *Of the Event*

The Green Campus Committee successfully organized "Wheels Off Day", an initiative aimed at promoting environmental sustainability and reducing the carbon footprint on campus.

#### Objectives:

- To encourage the college community to refrain from using vehicles for a day.
- To raise awareness about the environmental impact of vehicular emissions.
- To foster a culture of sustainability within the college.

#### Outcomes:

- A significant reduction in vehicle usage on campus was observed, with many students and staff opting for alternative modes of transportation such as walking, cycling, or carpooling.
- The awareness campaigns led to increased engagement on social media, with students sharing their experiences and commitment to the cause.
- Feedback collected from participants was overwhelmingly positive, with many expressing a desire to continue the practice beyond the designated day.

#### Challenges:

- Some logistical issues were encountered, such as the need for additional bicycle parking spaces.
- Ensuring consistent participation across all departments remains a challenge.

#### Recommendations:

- To address the parking issue, the committee recommends the installation of new bicycle racks at strategic locations on campus.
- To maintain momentum, the committee suggests organizing monthly "Wheels Off Day" events and incorporating them into the college's official calendar.

#### Conclusion:

"Wheels Off Day" was a resounding success, demonstrating the college community's willingness to embrace sustainable practices. The Green Campus Committee is committed to building on this success and exploring further initiatives to promote environmental stewardship.

## Request for Permission to Conduct an Awareness Programmeme on Medicinal Plants

To,  
The Principal,  
THLH Mahavidyalay  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** *Request for Permission to Conduct an Awareness Programmeme on Medicinal Plants*

Respected Sir,

I hope this letter finds you well. As the convener of the Green Campus Committee, I am writing to seek your permission to conduct a meeting within our college premises. The purpose of this meeting is to discuss and plan an awareness program titled "Blossoms of Healing: Discovering Medicinal Herbs."

We believe that creating awareness about the value of medicinal plants is crucial for promoting sustainable living and environmental conservation. The proposed meeting will serve as a platform for brainstorming ideas, organizing resources, and coordinating efforts to make the awareness program a success.

### Meeting Details:

- Date: Jul 6, 2022
- Time: 1:30 PM
- Venue: Teacher's room

We kindly request your approval to host this meeting. Your encouragement and guidance will be invaluable as we work towards organizing the awareness program.

Thank you for considering our proposal. We look forward to your positive response.

Principal  
THLH Mahavidyalay

### Resolution

*Of The Meeting*

About Blossoms of Healing: Discovering Medicinal Herbs

The Green Campus Committee convened on Jul 6, 2022 to discuss the implementation of "Blossoms of Healing: Discovering Medical Herbs. The following resolutions were passed unanimously:

#### Resolution 1.

- The awareness program will be titled "Blossoms of Healing: Discovering Medicinal Herbs."

#### Resolution 2.

- The program will cover topics such as:
  - Traditional and modern uses of medicinal herbs
  - Conservation strategies for threatened plant species
  - Market intervention and sustainable practices
  - Interaction with experts and practitioners
  - Q&A session

#### Resolution 3.

- Each committee member has been assigned specific responsibilities:
  - Prof. KYAMALIA BAIRAGYA will coordinate speaker invitations.
  - Prof. DIPANKAR SINHA will organize the exhibition of medicinal plants.
  - Prof. CHANDAN MANDAL will handle logistics and event coordination.
  - All teaching staffs volunteered for various tasks.

#### Resolution 4.

- The convener will draft a detailed program outline.
- Committee members will review and provide feedback.
- The final date for the awareness program will be decided.

## Conclusion Report and Outcome *Of the Event*

### Conclusion Report:

The awareness program titled "Blossoms of Healing: Discovering Medicinal Herbs" was successfully conducted by the Green Campus Committee at our college. The program aimed to create awareness about the value of medicinal plants, their traditional and modern uses, and strategies for conservation.

1. The program included the following sessions:
  - Introduction: The convener provided an overview of the importance of medicinal herbs.
  - Exhibition: A display of different medicinal herbs and their healing properties.
  - Q&A Session: Participants engaged in interactive discussions.
2. Key Takeaways:
  - Participants learned about the significance of medicinal plants in promoting health and well-being.
  - Traditional knowledge and modern research findings were shared.
  - Strategies for sustainable practices and conservation were discussed.

### Outcomes:

1. The program successfully raised awareness among students, faculty, and staff about the importance of preserving medicinal plant biodiversity.
2. Participants interacted with experts and practitioners, fostering collaboration and knowledge exchange.
3. Attendees expressed their commitment to conserving medicinal herbs and promoting sustainable practices.

### Resolution

*Of The Meeting*

About Environment Day

The Green Campus Committee with the presence of all committee members and staff, hereby resolves the following:

**Resolution 1.** Environment Day Celebration: The committee unanimously agrees to celebrate Environment Day with a series of events aimed at promoting environmental awareness and sustainability within the college community.

**Resolution 2.** Events and Workshops: The committee finalizes the organization of the following events:

- A Tree Planting Ceremony at College Campus, led by Green Campus Committee.
- A Campus Clean-Up Drive .

**Resolution 3.** Assignment of Responsibilities: Specific responsibilities for the successful execution of the Environment Day events are assigned to designated committee members and volunteers.

**Resolution 4.** Support and Participation: The committee calls upon all staff and students to actively participate in the Environment Day events and contribute to the college's green initiatives.

This resolution is passed with full consensus and is recorded in the meeting minutes as a testament to the committee's commitment to fostering a greener and more sustainable campus environment.

## Conclusion Report and Outcome *Of the Event*

The Green Campus Committee is proud to present the outcome and conclusion report for the Environment Day celebration held on [Insert Date]. The event was a resounding success, with enthusiastic participation from students, faculty, and staff members.

### Outcomes:

1. Tree Planting Ceremony:
  - A total of 14 trees were planted across the campus, contributing to our goal of creating a greener and more sustainable environment.
  - Participants included students from various departments, demonstrating a collective effort towards ecological conservation.
2. Campus Clean-Up Drive:
  - The drive resulted in the collection of 7 kilograms of waste, which was properly segregated and disposed of, emphasizing the importance of cleanliness and waste management.
  - The initiative also raised awareness about the impact of littering and the benefits of recycling.

### Conclusion:

The Environment Day celebration not only brought our college community together but also instilled a sense of responsibility towards the environment. The active engagement and positive feedback from participants indicate a growing consciousness about environmental issues and a willingness to take action.

### Request for Permission to Conduct Campus Survey on Environmental Management

To,  
The Principal,  
THLH Mahavidyalay  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** Request for Permission to Conduct Campus Survey on Environmental Management

Respected Sir,

I hope this letter finds you in good health and high spirits. I am writing to you as the Convener of the Green Campus Committee, a body committed to fostering sustainable practices within our college premises.

Our committee is planning to undertake a comprehensive survey that aims to assess and improve the current state of waste management, energy conservation, water preservation, and greenery enhancement on our campus.

To conduct this survey effectively, we seek your permission to organize a meeting involving our committee members and interested students. We believe that the insights gained from this survey will be instrumental in implementing targeted strategies for a greener and more sustainable campus. We propose to hold the meeting on Apr 5, 2022 at 1:30 PM in Teacher's room.

We are eager to embark on this significant endeavour and are confident that with your support, we can make a substantial impact. We kindly request you to grant us the necessary permission to proceed with the meeting and the subsequent survey.

## Meeting Notice

*For Green Campus Committee Members*

Dear Esteemed Members,

We are pleased to announce that the Green Campus Committee will be holding a crucial meeting to discuss the upcoming campus survey on waste, energy, water, and greenery management. Your participation is highly valued as we aim to collectively contribute to the betterment of our college's environmental footprint.

Meeting Details:

- Date: Apr 5, 2022
- Time: 1:30 PM
- Venue: Teacher's room

The agenda will include:

- Finalizing the survey methodology.
- Distribution of survey-related tasks.
- Planning for data collection and subsequent analysis.
- Establishing a timeline for the survey execution.

Your insights and active involvement are essential for the success of this initiative. Together, we can drive meaningful change and reinforce our commitment to sustainability.

  - Distribution of survey-related tasks.
  - Planning for data collection and subsequent analysis.
- Establishing a timeline for the survey execution.

### ACTIVITY

- Convener welcomed all members and introduced the purpose of the meeting.
- Convener presented the proposed survey topics: waste management, energy conservation, water preservation, and greenery enhancement.
- Members shared their insights and suggestions on survey methodology.
- Tasks were assigned for data collection and analysis.
- A tentative timeline was discussed.
- Members agreed to adhere to deadlines.
- Convener emphasized the importance of active participation.
- Subcommittees were formed for each survey topic.
- Members volunteered for specific roles (e.g., data collectors, analysts).

### ANNOUNCEMENTS

The meeting concluded with a vote of thanks to the principal and a commitment from all members to actively participate in the programme.

Principal  
THLH Mahavidyalaya  
Madian, Mallarpur, Gonpur  
Birbhum, W.B.

### Resolution Of The Meeting About Campus Survey

Here are the meeting resolutions based on the discussions during our Green Campus Committee meeting:

#### Resolution 1.

- The committee agreed to conduct a comprehensive survey covering waste management, energy conservation, water preservation, and greenery enhancement.
- Members will collaborate to finalize the survey questions and data collection methods.

#### Resolution 2.

- Subcommittees were formed for each survey topic:
  - Waste Management Subcommittee
  - Energy Conservation Subcommittee
  - Water Preservation Subcommittee
  - Greenery Enhancement Subcommittee
- Members volunteered for specific roles within these subcommittees.

## Notice for Students

We are excited to announce that the Green Campus Committee is conducting a comprehensive survey to assess and enhance our college's environmental management practices. This survey will focus on waste management, energy conservation, water preservation, and greenery enhancement.

We Need Your Participation!

This is a fantastic opportunity for you to contribute to making our campus more sustainable and eco-friendly. Your involvement will not only help in gathering valuable data but also provide you with hands-on experience in environmental stewardship.

Meeting Details:

- Date: Apr 12, 2022
- Time: 10:30 AM
- Venue: College Campus

## Conclusion Report and Outcome

*Of the Event*

The Green Campus Committee successfully conducted a comprehensive survey to evaluate the current state of environmental management at our college. The survey focused on four key areas: waste management, energy conservation, water preservation, and greenery enhancement. The initiative aimed to identify areas for improvement and engage the student body in sustainable practices.

### Key Findings

- **Waste Management:** The survey revealed that while there are adequate waste bins around the campus, recycling practices are not widely adopted. There is a need for better segregation of waste and increased awareness of recycling benefits.
- **Energy Conservation:** The findings indicated that a significant amount of energy could be saved by optimizing lighting and air conditioning usage, especially during off-peak hours.
- **Water Preservation:** The survey identified several leaky faucets and inefficient water usage in landscaping. There is potential for water conservation through the installation of low-flow fixtures and rainwater harvesting systems.
- **Greenery Enhancement:** The campus has a good amount of green space, but there are opportunities to increase biodiversity and create more green zones.

### Recommendations

Based on the survey results, the committee proposes the following actions:

- Implement a campus-wide recycling program with clear guidelines and proper facilities.
- Conduct energy audits to identify areas for efficiency improvements and implement a campus-wide energy-saving campaign.
- Install water-saving devices and repair existing fixtures to reduce water wastage.
- Develop a greenery enhancement plan that includes planting native species and creating additional green spaces.

### Outcome

The college administration has acknowledged the survey findings and expressed support for the proposed recommendations. A task force will be formed to oversee the implementation of the initiatives, with the Green Campus Committee playing a key role in monitoring progress and ensuring the successful execution of the sustainability plan.

### Conclusion

The survey has provided valuable insights into the environmental management of our college. It has also successfully engaged students in sustainability efforts, fostering a culture of environmental responsibility. The Green Campus Committee is committed to working with the college administration to implement the recommended actions and continue to promote a sustainable campus environment.

## Request for Permission to Conduct "World Earth Day" Meeting and Plantation Program

To,  
The Principal,  
THLH Mahavidyalay  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** Request for Permission to Conduct "World Earth Day" Meeting and Plantation Program

Respected Sir,

I hope this letter finds you in good health and high spirits. As the convener of the Green Campus Committee, I am writing to seek your kind permission to organize a meeting and a plantation program in celebration of "World Earth Day."

Event Details:

Date: Apr 13, 2022

Time: 01:00 PM onwards

Venue: Teacher's room

This meeting is to raise awareness about environmental conservation, sustainable practices, and the importance of preserving our planet. We plan to discuss upcoming initiatives, share ideas about environmental issues. Following the meeting, we propose organizing a tree plantation drive. We aim to plant native trees and create green spaces within the college premises. We will ensure proper maintenance and care for the newly planted saplings.

We sincerely request your approval to conduct this event. Your support will significantly enhance our efforts towards creating a greener and more environmentally conscious campus.

## Meeting Notice

*For Green Campus Committee Members*

Dear Committee Members,

I hope this message finds you well. As part of our ongoing efforts to promote environmental awareness and sustainability, the Green Campus Committee has organized a meeting to celebrate "World Earth Day." Your participation is crucial to the success of this event, and we invite you to attend.

### Meeting Details:

- Date: Apr 13, 2022
- Time: 1:30 PM
- Venue: Teacher's Room

### Agenda:

1. Introduction to the significance of World Earth Day.
2. Discussion on Green Initiatives
3. Distributing saplings and encouraging participants to plant trees within the campus.

Your active participation and valuable inputs will contribute to our collective efforts in creating a greener and more sustainable campus. Let us come together to make a positive impact on our environment.

## Green Campus Committee Meeting

DATE	April 13, 2022
TIME	1:30:00 PM
MEETING CALLED TO ORDER BY	Dr. Amit Kumar Chakrabarty

### IN ATTENDANCE

- Prof. KYAMALIA BAIRAGYA
- Prof. CHANDAN MANDAL
- Prof. DIPANKAR SINHA
- Prof. KANCHAN PAL
- CHANDAN MONDAL

### APPROVAL OF MINUTES

The minutes were read from the Previous meeting and approved. Action items from the previous meeting were discussed, and progress updates were shared.

### AGENDA

- Introduction to the significance of World Earth Day.
- Discussion on Green Initiatives
- Distributing saplings and encouraging participants to plant trees within the campus.

### ACTIVITY

The meeting commenced with a brief introduction to the significance of World Earth Day. The Convener welcomed all participants and emphasized the

- Key points discussed:
  - Need for tree plantation drives within the campus.
  - Importance of waste reduction and recycling initiatives.
  - Encouraging students to adopt eco-friendly habits.
  - Setting up composting bins in common areas.
  - Collaborating with other student clubs for joint environmental projects.
  - Participants pledged to plant and nurture the saplings within the campus.
  - Committee members volunteered to oversee the maintenance of planted trees.
  - Attendees collectively agreed to:
    - Reduce plastic usage.
    - Promote energy conservation.
    - Advocate for a greener campus.

Principal  
THLH Mahavidyalaya  
Madian, Mallarpur, Gonpur

### Resolution

#### *Of The Meeting*

#### About World Earth Day

In our recent meeting celebrating "World Earth Day," the Green Campus Committee reached several important resolutions to enhance our environmental initiatives. Here are the key Outcomes:

#### Resolution 1.

- o We unanimously agreed to organize regular tree plantation drives within the campus. Native tree species will be prioritized to promote biodiversity and improve the overall green cover.
- o Committee members volunteered to take responsibility for specific areas and ensure proper care of the planted saplings.

#### Resolution 2.

- o We will introduce a monthly "Green Challenge" for students and staff. Each month, participants will be encouraged to adopt eco-friendly practices, such as reducing plastic usage, conserving energy, or practicing waste segregation.
- o The committee will create awareness campaigns and reward systems to motivate active participation.

#### Resolution 3.

- o We aim to set up composting bins in common areas to manage organic waste effectively.

#### Resolution 5.

- o Prof. Sujoy Dutta will design eye-catching posters to educate the campus community about waste reduction, recycling, and responsible consumption.

#### Resolution 6.

- o All attendees took a pledge to actively contribute to a greener campus. We commit to making small but impactful changes in our daily habits.

#### Resolution 7.

The committee will allocate a portion of our budget for tree saplings, awareness materials, and any necessary expenses related to our initiatives.

## Conclusion Report and Outcome *Of the Event*

We are delighted to share the outcomes of our "World Earth Day" celebration and plantation program organized by the Green Campus Committee. Your active participation and commitment made this event a success, and we are grateful for your dedication to environmental conservation.

### Event Highlights:

- Climate Action: Small individual actions collectively contribute to combating climate change.
- Committee members and participants engaged in lively discussions:
- Monthly Green Challenges: We agreed to launch monthly challenges to encourage eco-friendly habits. Look out for upcoming themes!
- Committee members are researching composting methods for implementation across campus.
- We plan to collaborate with other student clubs for joint environmental projects.
- Over 25 saplings were distributed.
- Participants planted trees in designated areas, creating green spaces within our campus.
- Each tree represents our commitment to a healthier environment.
- During the closing session, we collectively pledged to:
  - Reduce plastic usage.
  - Conserve energy.
  - Promote sustainable practices.

### Outcomes:

- Students and faculty gained insights into environmental issues and solutions.
- The event sparked conversations about responsible living.
- Our campus community came together, fostering a sense of responsibility.
- Students expressed enthusiasm for ongoing initiatives.
- The newly planted saplings are thriving, enhancing our campus aesthetics.
- Composting bins will soon be strategically placed for waste management.

### Next Steps:

- Committee members will oversee tree care and maintenance.
- Regular updates on tree growth will be shared.
- Participate actively in monthly challenges.
- Encourage others to join the movement.
- Strengthen ties with other clubs.
- Explore joint events and awareness campaigns.

Thank you for contributing to a greener future. Let's sustain this momentum and make every day Earth Day!

### Request for inauguration of general meeting to reform the Green Campus Committee.

To,  
The Principal,  
THLH Mahavidyalay  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** Request for inauguration of general meeting to reform the Green Campus Committee.

Respected Sir,

I hope this letter finds you in good health. As the former convener of the Green Campus Committee, I am writing to seek your gracious presence at the upcoming meeting scheduled for the selection of committee members and the appointment of the convener.

The purpose of this meeting is to bring together the teaching and non-teaching staff of our esteemed institution to form the Green Campus Committee. This committee plays a crucial role in promoting sustainable practices, environmental awareness, and eco-friendly initiatives within the college premises. By actively participating in this committee, we aim to create a greener and more environmentally conscious campus.

Your presence at the inauguration of this meeting would be highly appreciated. Your support and encouragement will inspire all participants to actively contribute to our college's sustainability efforts. We believe that your guidance will set the tone for a successful and impactful Green Campus Committee.

Kindly confirm your availability for the specified date and time. We look forward to your esteemed presence.

Thank you for your attention, and we eagerly await your positive response.

### Meeting Resolution

(Selection of Members for the Green Campus Committee)

The meeting of all staff members of THLH Mahavidyalay was convened to discuss and select the members for the Green Campus Committee. The following resolutions were passed:

1. **Committee Purpose:** The Green Campus Committee is reformed with the aim of promoting environmental sustainability and implementing eco-friendly practices within the college premises.
2. **Selection Criteria:** Members will be selected based on their expertise in environmental issues, commitment to sustainability, and willingness to actively participate in the committee's initiatives.
3. **Voting Procedure:** A democratic voting process will be conducted to select the committee members by raising the hand of the college staff.
4. **Committee Composition:** The committee will consist of 5 members, ensuring representation from various departments of the college.
5. **Selected Members:** The following staff members have been selected to the Green Campus Committee:
  - i. Prof. KYAMALIA BAIRAGYA, Department of English (Convener)
  - ii. Prof. CHANDAN MANDAL, Department of Bengali
  - iii. Prof. DIPANKAR SINHA, Department of Geography
  - iv. Prof. KANCHAN PAL, Department Bengali
  - v. CHANDAN MONDAL, Department of Mathematics
6. **Tenure:** The selected members will serve on the committee for a term of 3 years, after which a new selection will be held.

The staff members expressed their enthusiasm for the initiative and pledged their support for the Green Campus Committee's efforts. The meeting was adjourned with a vote of thanks to the chair.

## Permission to Inaugurate a Meeting for "No Smoking Day" Awareness Program

To,  
The Principal,  
THLH Mahavidyalay  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** *Permission to Inaugurate a Meeting for "No Smoking Day" Awareness Program*

Respected Sir,

I hope this letter finds you in good health. As the convener of the Green Campus Committee, I am writing to seek your kind permission to inaugurate a meeting aimed at conducting an awareness program in observance of "No Smoking Day". Our committee is committed to promoting a healthy and sustainable environment within the college premises, and this initiative aligns perfectly with our objectives.

This meeting is to raise awareness about the harmful effects of smoking and encourage a smoke-free campus. We believe that by educating our students, faculty, and staff, we can contribute to a healthier and cleaner environment for everyone.

We propose to hold the meeting on Mar 3, 2022, at 1:30 PM in the Teachers Room. Your support and guidance have always been pivotal to our initiatives. We believe that your presence will greatly emphasize the importance of this meeting and inspire our committee members to enforce these necessary regulations diligently.

## Meeting Notice

*For Green Campus Committee Members*

Dear Green Campus Committee Members,

I hope this message finds you well. As the convener of the Green Campus Committee, I would like to invite you to an important meeting regarding the observation of "No Smoking Day." The details of the meeting are as follows:

- Date: 03/03/2022
- Time: 1.30 PM
- Location: Teachers Room

Agenda:

1. Review the campus smoking policy and its enforcement.
2. Discuss awareness campaigns for promoting a smoke-free environment.
3. Plan activities for No Smoking Day.

Your active participation and valuable insights are crucial to achieving our goal of maintaining a healthy and sustainable campus. Let us work together to create a smoke-free environment for everyone.

## Green Campus Committee Meeting

DATE	March 3, 2022
TIME	1:30:00 PM
MEETING CALLED TO ORDER BY	Dr. Amit Kumar Chakrabarty

### IN ATTENDANCE

- Prof. WASIM RAJA
- Prof. MANU MARDI
- Prof. DIPANKAR SINHA
- Prof. SUJAY DUTTA
- Prof. ASHRAFUL HOSSAIN

### APPROVAL OF MINUTES

The minutes were read from the Previous meeting and approved.

### AGENDA

- Review the campus smoking policy and its enforcement.
- Discuss awareness campaigns for promoting a smoke-free environment.
- Plan activities for No Smoking Day.
- Finalization of event schedule
- Allocation of tasks (poster display, logistics, registration, etc.)
- Review of promotional materials

### ACTIVITY

- The convener Prof. Kyamalia Bairagya welcomed all committee members and introduced the purpose of the meeting.
- The committee discussed the existing no smoking policy on campus.
- Emphasized the importance of maintaining a smoke-free environment for the well-being of all students, faculty, and staff.
- Highlighted the risks associated with smoking, including property damage, health hazards, and fire risks.
- Discussed plans for observing "No Smoking Day" on campus.
- Proposed awareness campaigns to promote smoke-free habits.
- Considered organizing a campus-wide pledge to encourage everyone to refrain from smoking on that day.
- Agreed to reinforce the no smoking policy through clear signage, announcements, and regular reminders.
- Discussed ways to communicate the importance of smoke-free areas to students and visitors.

### ANNOUNCEMENTS

The meeting concluded with a vote of thanks to the principal and a commitment from all members to actively participate in programme.

Principal  
THLH Mahavidyalaya  
Madian, Mallarpur, Gonpur  
Birbhum, W.B.

## GREEN CAMPUS COMMITTEE

## Resolution

*Of The Meeting*

About No Smoking Day

### Resolution 1.

The Green Campus Committee acknowledges the risks associated with smoking on campus, including property damage, health hazards, and fire risks.

### Resolution 2.

The committee reaffirms its commitment to maintaining a smoke-free environment for the well-being of all students, faculty, and staff.

### Resolution 3.

The committee agrees to observe "No Smoking Day" by implementing the following initiatives:

- Conduct awareness campaigns to educate the campus community about the harmful effects of smoking.
- Distribute informational pamphlets and posters emphasizing the benefits of a smoke-free campus.
- Organize workshops and seminars on smoking cessation.
- Collaborate with student organizations to promote smoke-free habits.

### Resolution 4.

The committee assigns responsibilities to individual members for planning and executing the activities related to "No Smoking Day."

### Resolution 5.

The committee encourages all members to actively participate in creating a healthier and cleaner campus environment.

### Resolution 6.

The next committee meeting will review the progress of the "No Smoking Day" initiatives and assess their impact.

### Notice For Students

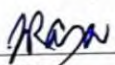

Dear Students,

We hope this message finds you well. As part of our commitment to promoting a healthy and smoke-free campus, we are organizing a special event to observe "No Smoking Day." We invite all students to actively participate in this program and contribute to creating a cleaner and safer environment for everyone.

Event Details:

- Date: Mar 9, 2022
- Time: 10.30 AM
- Venue: College Campus

Spread the word among your friends and classmates and share your ideas and suggestions during the interactive sessions. Let's make "No Smoking Day" a memorable and impactful event! Together, we can create a smoke-free campus that benefits us all.

## Conclusion Report and Outcome *Of the Event*

As the Green Campus Committee, we successfully observed "No Smoking Day" on [insert date]. This initiative aimed to create awareness about the harmful effects of smoking and promote a smoke-free environment on our campus. Here are the key outcomes and conclusions:

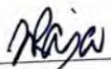

### Outcomes:

1. Increased awareness about smoking hazards.
2. Reduced smoking incidents on campus.
3. Strengthened commitment to a smoke-free environment.
4. Improved overall air quality and cleanliness.

### Conclusion

1. Awareness Campaigns:
  - We conducted awareness campaigns through posters, flyers, and social media graphics. These materials emphasized the risks of smoking, second-hand smoke, and the benefits of a smoke-free campus.
  - The response from students, faculty, and staff was positive, and many actively participated in sharing the campaign messages.
2. Pledge Drive:
  - A campus-wide pledge drive encouraged individuals to commit to a smoke-free lifestyle. Many students and staff members pledged to quit smoking or support others in their journey.
  - Pledge cards were displayed prominently across campus.
3. Smoke-Free Zones:
  - We reinforced smoke-free zones by placing clear signage near entrances, common areas, and designated spots.
  - Security personnel monitored compliance and politely reminded individuals not to smoke in prohibited areas.
6. Next Steps:
  - We plan to continue promoting smoke-free habits beyond "No Smoking Day." Regular reminders, educational sessions, and collaboration with student organizations will be essential.
  - Monitoring and evaluating the long-term impact of our efforts will guide future initiatives.

In conclusion, our collective efforts made "No Smoking Day" a success. Let's continue working together to create a healthier and more sustainable campus for everyone.

## Permission to arrange a meeting for observing "International Biodiversity Day"

To,  
The Principal,  
THLH Mahavidyalay  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** *Permission to arrange a meeting for observing "International Biodiversity Day"*

Respected Sir,

As the convener of the Green Campus Committee, I am writing to seek your permission to organize a meeting for observing "International Biodiversity Day" on Dec 23, 2019. The program aims to raise awareness about the rich biodiversity within our campus and to engage students in conservation efforts.

The program will include:

- Guided walks to observe local flora and fauna.
- Interactive sessions on biodiversity and its importance.
- Workshops on sustainable practices.

We believe this program will greatly benefit our students and enhance our reputation as an environmentally conscious institution.

## Resolution

*Of The Meeting*

About International Biodiversity Day

In our recent meeting celebrating "International Biodiversity Day," the Green Campus Committee reached several important resolutions to enhance our environmental initiatives. Here are the key Outcomes:

### Resolution 1:

The committee resolves to initiate and intensify environmental awareness campaigns within the campus. These campaigns will include:

- Organizing educational workshops on sustainability.
  - Hosting seminars featuring environmental experts.
  - Conducting interactive sessions to engage the student body in green practices.
- The goal is to foster a culture of environmental responsibility and active participation in sustainability efforts.

### Resolution 2:

The committee agrees to allocate necessary funds for the successful implementation of the Biodiversity Observation Program. The allocated budget will cover:

- Purchase of equipment for biodiversity observation and recording.
- This resolution ensures that the program is adequately resourced to provide a comprehensive educational experience.

### Resolution 3:

The committee resolves to recruit student volunteers to support the Biodiversity Observation Program. Volunteers will be involved in:

- Assisting with the organization and execution of program activities.
- Facilitating guided biodiversity walks.
- This resolution aims to enhance student engagement and provide hands-on experience in conservation efforts.

### Resolution 4:

The committee reviewed the progress of ongoing projects and resolved to:

- Continue and expand the current recycling program.
- Enhance the tree plantation drive with increased participation.
- This resolution reflects the committee's commitment to continuous improvement and expansion of environmental projects.

These resolutions are set forth to guide the committee's actions and reinforce its dedication to creating a sustainable and environmentally conscious campus.

## Conclusion Report and Outcome

*Of the Event*

The Biodiversity Day Observation Program conducted by the Green Campus Committee aimed to explore and document the rich biodiversity within our campus. Through guided nature walks, interactive sessions, and species identification activities, participants had the opportunity to connect with nature and deepen their understanding of local ecosystems.

### Activities and Observations

Our naturalists provided field guides, helping participants identify local plants, insects, and birds.

Participants learned about the role of each species in maintaining ecological balance.

### Hands-On Activities:

Bird feeder setup: Participants assembled simple bird feeders using recycled materials.

Insect habitat creation: Small insect hotels were built to provide shelter for pollinators.

### Key Findings

The *Dendrobium campusensis* orchid is endemic to our campus and requires conservation efforts.

Participants documented its location for future monitoring.

Over 50 students participated, demonstrating a keen interest in environmental activities.

Many expressed a desire to continue exploring nature beyond this program.

### Conclusion

The Biodiversity Observation Program was a success, fostering a deeper appreciation for our campus's natural heritage. Moving forward, we recommend:

Regular biodiversity surveys to monitor changes over time.

Educational workshops on native species and conservation.

Collaboration with other departments for larger-scale initiatives.

We extend our gratitude to all participants, naturalists, and volunteers who made this program possible.

### Resolution Of The Meeting About Car Free Day

The following resolutions were passed unanimously:

#### Resolution 1.

The committee resolves to implement "Wheels Off Day" as a regular event to encourage environmental sustainability and reduce the carbon footprint on campus. All students, faculty, and staff are encouraged to participate by refraining from using personal and public vehicles on campus every Wednesday.

#### Resolution 2.

The committee resolves to initiate awareness campaigns to educate the college community about the benefits of "Wheels Off Day." These campaigns will include the distribution of informative materials, organization of workshops, and active promotion on social media platforms.

#### Resolution 3.

The committee resolves to establish a monitoring system to assess the participation and impact of "Wheels Off Day." Feedback will be collected from participants to continuously improve the initiative and ensure its success.

#### Resolution 4.

The committee resolves to explore and implement additional sustainability initiatives that align with the college's commitment to environmental stewardship. This includes the consideration of renewable energy sources, waste reduction programs, and green infrastructure projects.

The Green Campus Committee is committed to making "Wheels Off Day" a cornerstone of our college's environmental efforts. We look forward to the active involvement of the entire college community in making this initiative a success.

## Conclusion Report and Outcome

*Of the Event*

### Introduction:

The Green Campus Committee successfully organized "Wheels Off Day", an initiative aimed at promoting environmental sustainability and reducing the carbon footprint on campus.

### Objectives:

- To encourage the college community to refrain from using vehicles for a day.
- To raise awareness about the environmental impact of vehicular emissions.
- To foster a culture of sustainability within the college.

### Outcomes:

- A significant reduction in vehicle usage on campus was observed, with many students and staff opting for alternative modes of transportation such as walking, cycling, or carpooling.
- The awareness campaigns led to increased engagement on social media, with students sharing their experiences and commitment to the cause.
- Feedback collected from participants was overwhelmingly positive, with many expressing a desire to continue the practice beyond the designated day.

### Challenges:

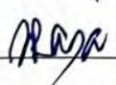

- Some logistical issues were encountered, such as the need for additional bicycle parking spaces.
- Ensuring consistent participation across all departments remains a challenge.

### Recommendations:

- To address the parking issue, the committee recommends the installation of new bicycle racks at strategic locations on campus.
- To maintain momentum, the committee suggests organizing monthly "Wheels Off Day" events and incorporating them into the college's official calendar.

### Conclusion:

"Wheels Off Day" was a resounding success, demonstrating the college community's willingness to embrace sustainable practices. The Green Campus Committee is committed to building on this success and exploring further initiatives to promote environmental stewardship.

## Request for Permission to Conduct Campus Survey on Environmental Management

To,  
The Principal,  
THLH Mahavidyalaya  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** Request for Permission to Conduct Campus Survey on Environmental Management

Respected Sir,

I hope this letter finds you in good health and high spirits. I am writing to you as the Convener of the Green Campus Committee, a body committed to fostering sustainable practices within our college premises.

Our committee is planning to undertake a comprehensive survey that aims to assess and improve the current state of waste management, energy conservation, water preservation, and greenery enhancement on our campus.

To conduct this survey effectively, we seek your permission to organize a meeting involving our committee members and interested students. We believe that the insights gained from this survey will be instrumental in implementing targeted strategies for a greener and more sustainable campus. We propose to hold the meeting on Aug 6, 2019 at 1:30 PM in Teacher's room.

We are eager to embark on this significant endeavour and are confident that with your support, we can make a substantial impact. We kindly request you to grant us the necessary permission to proceed with the meeting and the subsequent survey.

## Meeting Notice

*For Green Campus Committee Members*

Dear Esteemed Members,

We are pleased to announce that the Green Campus Committee will be holding a crucial meeting to discuss the upcoming campus survey on waste, energy, water, and greenery management. Your participation is highly valued as we aim to collectively contribute to the betterment of our college's environmental footprint.

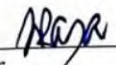

### Meeting Details:

- Date: Aug 6, 2019
- Time: 1:30 PM
- Venue: Teacher's room

The agenda will include:

- Finalizing the survey methodology.
- Distribution of survey-related tasks.
- Planning for data collection and subsequent analysis.
- Establishing a timeline for the survey execution.

Your insights and active involvement are essential for the success of this initiative. Together, we can drive meaningful change and reinforce our commitment to sustainability.

### Resolution

*Of The Meeting*

About Campus Survey

Here are the meeting resolutions based on the discussions during our Green Campus Committee meeting:

#### Resolution 1.

- The committee agreed to conduct a comprehensive survey covering waste management, energy conservation, water preservation, and greenery enhancement.
- Members will collaborate to finalize the survey questions and data collection methods.

#### Resolution 2.

- Subcommittees were formed for each survey topic:
  - Waste Management Subcommittee
  - Energy Conservation Subcommittee
  - Water Preservation Subcommittee
  - Greenery Enhancement Subcommittee
- Members volunteered for specific roles within these subcommittees.

## Conclusion Report and Outcome

*Of the Event*

The Green Campus Committee successfully conducted a comprehensive survey to evaluate the current state of environmental management at our college. The survey focused on four key areas: waste management, energy conservation, water preservation, and greenery enhancement. The initiative aimed to identify areas for improvement and engage the student body in sustainable practices.

### Key Findings

- **Waste Management:** The survey revealed that while there are adequate waste bins around the campus, recycling practices are not widely adopted. There is a need for better segregation of waste and increased awareness of recycling benefits.
- **Energy Conservation:** The findings indicated that a significant amount of energy could be saved by optimizing lighting and air conditioning usage, especially during off-peak hours.
- **Water Preservation:** The survey identified several leaky faucets and inefficient water usage in landscaping. There is potential for water conservation through the installation of low-flow fixtures and rainwater harvesting systems.
- **Greenery Enhancement:** The campus has a good amount of green space, but there are opportunities to increase biodiversity and create more green zones.

### Recommendations

Based on the survey results, the committee proposes the following actions:

- Implement a campus-wide recycling program with clear guidelines and proper facilities.
- Conduct energy audits to identify areas for efficiency improvements and implement a campus-wide energy-saving campaign.
- Install water-saving devices and repair existing fixtures to reduce water wastage.
- Develop a greenery enhancement plan that includes planting native species and creating additional green spaces.

### Outcome

The college administration has acknowledged the survey findings and expressed support for the proposed recommendations. A task force will be formed to oversee the implementation of the initiatives, with the Green Campus Committee playing a key role in monitoring progress and ensuring the successful execution of the sustainability plan.

### Conclusion

The survey has provided valuable insights into the environmental management of our college. It has also successfully engaged students in sustainability efforts, fostering a culture of environmental responsibility. The Green Campus Committee is committed to continue to promote a sustainable campus environment.

## Permission to Arrange Meeting for Environment Day Celebration

To,  
The Principal,  
THLH Mahavidyalaya  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** *Permission to Arrange Meeting for Environment Day Celebration*

Respected Sir,

I hope this letter finds you in the best of health and spirits. As the Convener of the Green Campus Committee, I am writing to seek your permission to organize a meeting on the occasion of the upcoming Environment Day. This event is a significant opportunity for us to highlight the importance of environmental conservation and to engage the college community in our green initiatives.

Proposed Date and Time: May 30, 2019 at 1:30 PM Venue: Teacher's Room

We believe that your presence as the host and chief guest would greatly enhance the significance of the meeting. Your support and guidance have always been pivotal to our committee's success, and we are eager to have you lead us in celebrating this vital day.

### Resolution

*Of The Meeting*

About Environment Day

The Green Campus Committee with the presence of all committee members and staff, hereby resolves the following:

#### Resolution 1.

- The committee unanimously agrees to celebrate Environment Day with a series of events aimed at promoting environmental awareness and sustainability within the college community.

#### Resolution 2.

- The committee finalizes the organization of the following events:
- A Tree Planting Ceremony at College Campus, led by Green Campus Committee.

#### Resolution 3.

- Specific responsibilities for the successful execution of the Environment Day events are assigned to designated committee members and volunteers.

#### Resolution 4.

- The committee calls upon all staff and students to actively participate in the Environment Day events and contribute to the college's green initiatives.

This resolution is passed with full consensus and is recorded in the meeting minutes as a testament to the committee's commitment to fostering a greener and more sustainable campus environment.

## Conclusion Report and Outcome Of the Event

The Green Campus Committee is proud to present the outcome and conclusion report for the Environment Day celebration held. The event was a resounding success, with enthusiastic participation from students, faculty, and staff members.

### Outcomes:

#### 1. Tree Planting Ceremony:

- A total of 12 trees were planted across the campus, contributing to our goal of creating a greener and more sustainable environment.
- Participants included students from various departments, demonstrating a collective effort towards ecological conservation.

#### 2. Campus Clean-Up Drive:

- The drive resulted in the collection of 10 kilograms of waste, which was properly segregated and disposed of, emphasizing the importance of cleanliness and waste management.
- The initiative also raised awareness about the impact of littering and the benefits of recycling.

### Conclusion:

The Environment Day celebration not only brought our college community together but also instilled a sense of responsibility towards the environment. The active engagement and positive feedback from participants indicate a growing consciousness about environmental issues and a willingness to take action.

### Request for Permission to Conduct "World Earth Day" Meeting and Plantation Program

To,  
The Principal,  
THLH Mahavidyalaya  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** Request for Permission to Conduct "World Earth Day" Meeting and Plantation Program

Respected Sir,

I hope this letter finds you in good health and high spirits. As the convener of the Green Campus Committee, I am writing to seek your kind permission to organize a meeting and a plantation program in celebration of "World Earth Day."

**Meeting Details:**

Date: Apr 16, 2019

Time: 01:00 PM onwards

Venue: Teacher's room

This meeting is to raise awareness about environmental conservation, sustainable practices, and the importance of preserving our planet. We plan to discuss upcoming initiatives, share ideas about environmental issues. Following the meeting, we propose organizing a tree plantation drive. We aim to plant native trees and create green spaces within the college premises. We will ensure proper maintenance and care for the newly planted saplings.

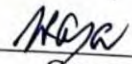

We sincerely request your approval to conduct this event. Your support will significantly enhance our efforts towards creating a greener and more environmentally conscious campus.

Yours faithfully,

### Resolution

*Of The Meeting*

About World Earth Day

In our recent meeting celebrating "World Earth Day," the Green Campus Committee reached several important resolutions to enhance our environmental initiatives. Here are the key **Outcomes**:

#### Resolution 1.

- o We unanimously agreed to organize regular tree plantation drives within the campus. Native tree species will be prioritized to promote biodiversity and improve the overall green cover.
- o Committee members volunteered to take responsibility for specific areas and ensure proper care of the planted saplings.

#### Resolution 2.

- o We will introduce a monthly "Green Challenge" for students and staff. Each month, participants will be encouraged to adopt eco-friendly practices, such as reducing plastic usage, conserving energy, or practicing waste segregation.
- o The committee will create awareness campaigns and reward systems to motivate active participation.

#### Resolution 3.

We aim to set up composting bins in common areas to manage organic waste effectively.

#### Resolution 5.

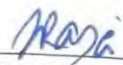

- o Prof. Sujoy Dutta will design eye-catching posters to educate the campus community about waste reduction, recycling, and responsible consumption.

#### Resolution 6. Pledge for a Greener Future:

- o All attendees took a pledge to actively contribute to a greener campus. We commit to making small but impactful changes in our daily habits.

#### Resolution 7.

The committee will allocate a portion of our budget for tree saplings, awareness materials, and any necessary expenses related to our initiatives.

### Notice For Students

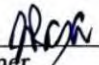

Dear Students,

Join Us in Celebrating World Earth Day! The Green Campus Committee is excited to invite you to our upcoming event in honor of World Earth Day. Let's come together to make a positive impact on our environment and create a greener campus.

**Event Details:**

- Date: Apr 22, 2019
- Time: 10:30 AM
- Venue: College Campus

Let's make this World Earth Day memorable! Your participation matters.

## Conclusion Report and Outcome *Of the Event*

We are delighted to share the outcomes of our "World Earth Day" celebration and plantation program organized by the Green Campus Committee. Your active participation and commitment made this event a success, and we are grateful for your dedication to environmental conservation.

### Event Highlights:

1. Climate Action: Small individual actions collectively contribute to combating climate change.
2. Committee members and participants engaged in lively discussions:
3. Composting Bins: Committee members are researching composting methods for implementation across campus.
4. Over 20 saplings were distributed.
5. Participants planted trees in designated areas, creating green spaces within our campus.
6. Each tree represents our commitment to a healthier environment.
7. During the closing session, we collectively pledged to:
  - o Reduce plastic usage.
  - o Conserve energy.
  - o Promote sustainable practices.

### Outcomes:

1. Increased Awareness:
  - o Students and faculty gained insights into environmental issues and solutions.
  - o The event sparked conversations about responsible living.
2. Community Engagement:
  - o Our campus community came together, fostering a sense of responsibility.
  - o Students expressed enthusiasm for ongoing initiatives.
3. Visible Impact:
  - o The newly planted saplings are thriving, enhancing our campus aesthetics.
  - o Composting bins will soon be strategically placed for waste management.

### Next Steps:

1. Monitor Tree Growth:
  - o Committee members will oversee tree care and maintenance.
  - o Regular updates on tree growth will be shared.
2. Continue Green Challenges:
  - o Participate actively in monthly challenges.
  - o Encourage others to join the movement.

Thank you for contributing to a greener future. Let's sustain this momentum and make every day Earth Day!

### Permission to Inaugurate a Meeting for "No Smoking Day" Awareness Program

To,  
The Principal,  
THLH Mahavidyalaya  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** Permission to Inaugurate a Meeting for "No Smoking Day" Awareness Program

Respected Sir,

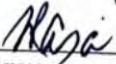

I hope this letter finds you in good health. As the convener of the Green Campus Committee, I am writing to seek your kind permission to inaugurate a meeting aimed at conducting an awareness program in observance of "No Smoking Day". Our committee is committed to promoting a healthy and sustainable environment within the college premises, and this initiative aligns perfectly with our objectives.

This meeting is to raise awareness about the harmful effects of smoking and encourage a smoke-free campus. We believe that by educating our students, faculty, and staff, we can contribute to a healthier and cleaner environment for everyone.

We propose to hold the meeting on Mar 1, 2019, at 1:30 PM in the Teachers Room. Your support and guidance have always been pivotal to our initiatives. We believe that your presence will greatly emphasize the importance of this meeting and inspire our committee members to enforce these necessary regulations diligently.

Yours faithfully,

  
Principal  
THLH Mahavidyalaya  
Madian, Mallarpur, Gonpur

### Meeting Notice

*For Green Campus Committee Members*

Dear Green Campus Committee Members,

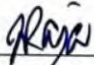

I hope this message finds you well. As the convener of the Green Campus Committee, I would like to invite you to an important meeting regarding the observation of "No Smoking Day." The details of the meeting are as follows:

- Date: 01/03/2019
- Time: 1.30 PM
- Location: Teachers Room

Agenda:

1. Review the campus smoking policy and its enforcement.
2. Discuss awareness campaigns for promoting a smoke-free environment.
3. Plan activities for No Smoking Day.

Your active participation and valuable insights are crucial to achieving our goal of maintaining a healthy and sustainable campus. Let us work together to create a smoke-free environment for everyone.

# Minutes

## Green Campus Committee Meeting

DATE	March 5, 2019
TIME	1:30:00 PM
MEETING CALLED TO ORDER BY	Dr. Amit Kumar Chakrabarty

### IN ATTENDANCE

- Prof. WASIM RAJA
- Prof. MANU MARDI
- Prof. DIPANKAR SINHA
- Prof. SUJAY DUTTA
- Prof. ASHRAFUL HOSSAIN

### APPROVAL OF MINUTES

The minutes were read from the Previous meeting and approved.

### AGENDA

- Review the campus smoking policy and its enforcement.
- Discuss awareness campaigns for promoting a smoke-free environment.
- Plan activities for No Smoking Day.
  - Finalization of event schedule
  - Allocation of tasks (poster display, logistics, registration, etc.)
  - Review of promotional materials

### ACTIVITY

- The convener Prof. Wasim Raja welcomed all committee members and introduced the purpose of the meeting.
- The committee discussed the existing no smoking policy on campus.
- Emphasized the importance of maintaining a smoke-free environment for the well-being of all students, faculty, and staff.
- Highlighted the risks associated with smoking, including property damage, health hazards, and fire risks.
- Discussed plans for observing "No Smoking Day" on campus.
- Proposed awareness campaigns to promote smoke-free habits.
- Considered organizing a campus-wide pledge to encourage everyone to refrain from smoking on that day.
- Agreed to reinforce the no smoking policy through clear signage, announcements, and regular reminders.
- Discussed ways to communicate the importance of smoke-free areas to students and visitors.

### ANNOUNCEMENTS

The meeting concluded with a vote of thanks to the principal and a commitment from all members to actively participate in programme.

Principal  
THLH Mahavidyalay  
Madian, Mallarpur, Gonpur  
Birbhum, W.B.

### Resolution

*Of The Meeting*

About No Smoking Day

#### Resolution 1.

The Green Campus Committee acknowledges the risks associated with smoking on campus, including property damage, health hazards, and fire risks.

#### Resolution 2.

The committee reaffirms its commitment to maintaining a smoke-free environment for the well-being of all students, faculty, and staffs.

#### Resolution 3.

The committee agrees to observe "No Smoking Day" by implementing the following initiatives:

- Conduct awareness campaigns to educate the campus community about the harmful effects of smoking.
- Distribute informational pamphlets and posters emphasizing the benefits of a smoke-free campus.
- Organize workshops and seminars on smoking cessation.
- Collaborate with student organizations to promote smoke-free habits.

#### Resolution 4.

The committee assigns responsibilities to individual members for planning and executing the activities related to "No Smoking Day."

#### Resolution 5.

The committee encourages all members to actively participate in creating a healthier and cleaner campus environment.

#### Resolution 6.

The next committee meeting will review the progress of the "No Smoking Day" initiatives and assess their impact.

### Notice for Students

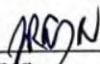

Dear Students,

We hope this message finds you well. As part of our commitment to promoting a healthy and smoke-free campus, we are organizing a special event to observe "No Smoking Day." We invite all students to actively participate in this program and contribute to creating a cleaner and safer environment for everyone.

Event Details:

- Date: Mar 9, 2019
- Time: 10.30 AM
- Venue: College Campus

Spread the word among your friends and classmates and share your ideas and suggestions during the interactive sessions. Let's make "No Smoking Day" a memorable and impactful event! Together, we can create a smoke-free campus that benefits us all.

## Conclusion Report and Outcome

### Of the Event

As the Green Campus Committee, we successfully observed "No Smoking Day" on [insert date]. This initiative aimed to create awareness about the harmful effects of smoking and promote a smoke-free environment on our campus. Here are the key outcomes and conclusions:

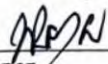

#### Outcomes:

1. Increased awareness about smoking hazards.
2. Reduced smoking incidents on campus.
3. Strengthened commitment to a smoke-free environment.
4. Improved overall air quality and cleanliness.

#### Conclusion

1. Awareness Campaigns:
  - We conducted awareness campaigns through posters, flyers, and social media graphics. These materials emphasized the risks of smoking, second-hand smoke, and the benefits of a smoke-free campus.
  - The response from students, faculty, and staff was positive, and many actively participated in sharing the campaign messages.
2. Pledge Drive:
  - A campus-wide pledge drive encouraged individuals to commit to a smoke-free lifestyle. Many students and staff members pledged to quit smoking or support others in their journey.
  - Pledge cards were displayed prominently across campus.
3. Smoke-Free Zones:
  - We reinforced smoke-free zones by placing clear signage near entrances, common areas, and designated spots.
  - Security personnel monitored compliance and politely reminded individuals not to smoke in prohibited areas.
6. Next Steps:
  - We plan to continue promoting smoke-free habits beyond "No Smoking Day." Regular reminders, educational sessions, and collaboration with student organizations will be essential.
  - Monitoring and evaluating the long-term impact of our efforts will guide future initiatives.

In conclusion, our collective efforts made "No Smoking Day" a success. Let's continue working together to create a healthier and more sustainable campus for everyone.

### Request for Permission to Conduct Campus Survey on Environmental Management

To,  
The Principal,  
THLH Mahavidyalay  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** Request for Permission to Conduct Campus Survey on Environmental Management

Respected Sir,

I hope this letter finds you in good health and high spirits. I am writing to you as the Convener of the Green Campus Committee, a body committed to fostering sustainable practices within our college premises.

Our committee is planning to undertake a comprehensive survey that aims to assess and improve the current state of waste management, energy conservation, water preservation, and greenery enhancement on our campus.

To conduct this survey effectively, we seek your permission to organize a meeting involving our committee members and interested students. We believe that the insights gained from this survey will be instrumental in implementing targeted strategies for a greener and more sustainable campus. We propose to hold the meeting on Jan 9, 2019 at 1:30 PM in Teacher's room.

We are eager to embark on this significant endeavour and are confident that with your support, we can make a substantial impact. We kindly request you to grant us the necessary permission to proceed with the meeting and the subsequent survey.

### Meeting Notice

*For Green Campus Committee Members*

Dear Esteemed Members,

We are pleased to announce that the Green Campus Committee will be holding a crucial meeting to discuss the upcoming campus survey on waste, energy, water, and greenery management. Your participation is highly valued as we aim to collectively contribute to the betterment of our college's environmental footprint.

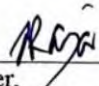

Meeting Details:

- Date: Jan 9, 2019
- Time: 1:30 PM
- Venue: Teacher's room

The agenda will include:

- Finalizing the survey methodology.
- Distribution of survey-related tasks.
- Planning for data collection and subsequent analysis.
- Establishing a timeline for the survey execution.

Your insights and active involvement are essential for the success of this initiative. Together, we can drive meaningful change and reinforce our commitment to sustainability.

### Conclusion Report and Outcome *Of the Event*

The Green Campus Committee successfully conducted a comprehensive survey to evaluate the current state of environmental management at our college. The survey focused on four key areas: waste management, energy conservation, water preservation, and greenery enhancement. The initiative aimed to identify areas for improvement and engage the student body in sustainable practices.

#### Key Findings

- **Waste Management:** The survey revealed that while there are adequate waste bins around the campus, recycling practices are not widely adopted. There is a need for better segregation of waste and increased awareness of recycling benefits.
- **Energy Conservation:** The findings indicated that a significant amount of energy could be saved by optimizing lighting and air conditioning usage, especially during off-peak hours.
- **Water Preservation:** The survey identified several leaky faucets and inefficient water usage in landscaping. There is potential for water conservation through the installation of low-flow fixtures and rainwater harvesting systems.
- **Greenery Enhancement:** The campus has a good amount of green space, but there are opportunities to increase biodiversity and create more green zones.

#### Recommendations

Based on the survey results, the committee proposes the following actions:

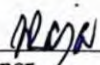

- Implement a campus-wide recycling program with clear guidelines and proper facilities.
- Conduct energy audits to identify areas for efficiency improvements and implement a campus-wide energy-saving campaign.
- Install water-saving devices and repair existing fixtures to reduce water wastage.
- Develop a greenery enhancement plan that includes planting native species and creating additional green spaces.

#### Conclusion

The survey has provided valuable insights into the environmental management of our college. It has also successfully engaged students in sustainability efforts, fostering a culture of environmental responsibility. The Green Campus Committee is committed to working with the college administration to implement the recommended actions and continue to promote a sustainable campus environment.

#### Outcome

The college administration has acknowledged the survey findings and expressed support for the proposed recommendations. A task force will be formed to oversee the implementation of the initiatives, with the Green Campus Committee playing a key role in monitoring progress and ensuring the successful execution of the sustainability plan.

### Permission to arrange a meeting for observing "International Biodiversity Day"

To,  
The Principal,  
THLH Mahavidyalaya  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** *Permission to arrange a meeting for observing "International Biodiversity Day"*

Respected Sir,

As the convener of the Green Campus Committee, I am writing to seek your permission to organize a meeting for observing "International Biodiversity Day" on Dec 20, 2018. The program aims to raise awareness about the rich biodiversity within our campus and to engage students in conservation efforts.

The program will include:

- Guided walks to observe local flora and fauna.
- Interactive sessions on biodiversity and its importance.
- Workshops on sustainable practices.

We believe this program will greatly benefit our students and enhance our reputation as an environmentally conscious institution.

# Minutes

## Green Campus Committee Meeting

DATE	December 29, 2018
TIME	1:30:00 PM
MEETING CALLED TO ORDER BY	Dr. Amit Kumar Chakrabarty

### IN ATTENDANCE

- Prof. WASIM RAJA
- Prof. MANU MARDI
- Prof. DIPANKAR SINHA
- Prof. SUJAY DUTTA
- Prof. ASHRAFUL HOSSAIN

### APPROVAL OF MINUTES

The minutes were read from the Previous meeting and approved. Action items from the previous meeting were discussed, and progress updates were shared.

### AGENDA

- Discussion on current environmental initiatives.
- Planning for the upcoming Biodiversity Day Observation Program.
- Any other matters

### ACTIVITY

- The committee reviewed the progress of ongoing projects such as the recycling program and tree plantation drive.
- It was resolved to increase awareness campaigns within the campus to encourage more student participation.
- The committee discussed the objectives and activities planned for the observation program.
- A resolution was passed to allocate funds for the necessary equipment and materials.
- Volunteers will be recruited from the student body to assist with the program.
- No other matters were discussed.

### ANNOUNCEMENTS

The meeting concluded with a vote of thanks to the principal and a commitment from all members to actively participate in programme.

Principal  
THLH Mahavidyalaya  
Madian, Mallarpur, Gonpur  
Birbhum, W.B.

### Resolution

*Of The Meeting*

#### About International Biodiversity Day

In our recent meeting celebrating "International Biodiversity Day," the Green Campus Committee reached several important resolutions to enhance our environmental initiatives. Here are the key **Outcomes**:

##### **Resolution 1:**

The committee resolves to initiate and intensify environmental awareness campaigns within the campus. These campaigns will include:

- Organizing educational workshops on sustainability.
- Hosting seminars featuring environmental experts.
- Conducting interactive sessions to engage the student body in green practices. The goal is to foster a culture of environmental responsibility and active participation in sustainability efforts.

##### **Resolution 2:**

The committee agrees to allocate necessary funds for the successful implementation of the Biodiversity Observation Program. The allocated budget will cover:

- Purchase of equipment for biodiversity observation and recording.
- Procurement of materials for workshops and educational activities. This resolution ensures that the program is adequately resourced to provide a comprehensive educational experience.

##### **Resolution 3:**

The committee resolves to recruit student volunteers to support the Biodiversity Observation Program. Volunteers will be involved in:

- Assisting with the organization and execution of program activities.
- Facilitating guided biodiversity walks.
- Helping with the setup and management of workshops. This resolution aims to enhance student engagement and provide hands-on experience in conservation efforts.

##### **Resolution 4:**

The committee reviewed the progress of ongoing projects and resolved to:

- Continue and expand the current recycling program.
- Enhance the tree plantation drive with increased participation.
- Explore new initiatives for campus greening and sustainability. This resolution reflects the committee's commitment to continuous improvement and expansion of environmental projects.

These resolutions are set forth to guide the committee's actions and reinforce its dedication to creating a sustainable and environmentally conscious campus.

These resolutions reflect the committee's dedication to fostering an environmentally conscious campus culture and its commitment to practical action towards sustainability.

## Conclusion Report and Outcome *Of the Event*

The Biodiversity Day Observation Program conducted by the Green Campus Committee aimed to explore and document the rich biodiversity within our campus. Through guided nature walks, interactive sessions, and species identification activities, participants had the opportunity to connect with nature and deepen their understanding of local ecosystems.

### Activities and Observations

- Our naturalists provided field guides, helping participants identify local plants, insects, and birds.
- Participants learned about the role of each species in maintaining ecological balance.
- Hands-On Activities:
- Bird feeder setup: Participants assembled simple bird feeders using recycled materials.
- Insect habitat creation: Small insect hotels were built to provide shelter for pollinators.

### Key Findings

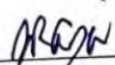

- The *Dendrobium campusensis* orchid is endemic to our campus and requires conservation efforts.
- Participants documented its location for future monitoring.
- Over 50 students participated, demonstrating a keen interest in environmental activities.
- Many expressed a desire to continue exploring nature beyond this program.

### Conclusion

The Biodiversity Observation Program was a success, fostering a deeper appreciation for our campus's natural heritage. Moving forward, we recommend:

- Regular biodiversity surveys to monitor changes over time.
- Educational workshops on native species and conservation.
- Collaboration with other departments for larger-scale initiatives.

We extend our gratitude to all participants, naturalists, and volunteers who made this program possible.

### Request for Permission to Arrange Campus Cleaning Meeting on Gandhi Jayanti

To,  
The Principal,  
THLH Mahavidyalay  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** Request for Permission to Arrange Campus Cleaning Meeting on Gandhi Jayanti

Respected Sir,

I hope this letter finds you in good health and high spirits. I am writing to you as the Convener of the Green Campus Committee to seek your permission to organize a meeting and subsequent campus cleaning drive on the auspicious occasion of Gandhi Jayanti, which falls on October 2nd.

As you are aware, Mahatma Gandhi was a staunch advocate for cleanliness and environmental sustainability. To honour his legacy and to install these values in our student community, we propose to conduct a meeting followed by a campus-wide cleaning initiative. This event will not only contribute to the beautification of our college premises but also serve as a practical lesson in civic responsibility and environmental stewardship for our students.

We plan to gather in the Teacher's room at 1:30 PM for a brief meeting where we will discuss the cleaning plan, distribute materials, and assign areas to volunteers.

We kindly request your approval to use the college auditorium for the meeting and to support us in mobilizing the necessary resources for the cleaning drive. Your presence and address to the volunteers would be highly motivational and greatly appreciated.

Yours faithfully, **Principal**  
THLH Mahavidyalay

### Meeting Notice

*For Green Campus Committee Members*

I hope this message finds you well. As part of our ongoing efforts to promote environmental awareness and sustainability, we are pleased to announce a Green Campus Cleaning Meeting in honour of Gandhi Jayanti.

Date: Sep 26 Time: 9:00 AM Venue: Teacher's room

#### Agenda:

1. Brief discussion on the importance of cleanliness and environmental responsibility.
2. Distribution of cleaning materials (gloves, trash bags, etc.).
3. Assignment of cleaning areas across the campus.

Your active participation is crucial to the success of this initiative. Let us come together as responsible citizens and contribute to maintaining a clean and green campus.

### Resolution

*Of The Meeting*

About Campus Cleaning

The Green Campus Committee, convened on Gandhi Jayanti, resolved to undertake a campus-wide cleaning drive with the following objectives:

**Resolution 1.**

To raise awareness among students, faculty, and staff about the importance of cleanliness and environmental responsibility.

**Resolution 2.**

To enhance the aesthetics of our college premises by removing litter, maintaining green spaces, and ensuring a clean environment.

**Resolution 3.**

To honour Mahatma Gandhi's teachings on cleanliness and civic duty, aligning our efforts with his vision for a cleaner and healthier society.

## Conclusion Report and Outcome Of the Event

The Green Campus Committee organized a campus-wide cleaning drive to commemorate Gandhi Jayanti and promote environmental consciousness. The primary objectives were:

1. **Cleanliness Awareness:** Raise awareness about the importance of cleanliness and its impact on our surroundings.
2. **Beautification:** Enhance the aesthetics of our college campus by removing litter and maintaining green spaces.
3. **Inspiration from Gandhi:** Align our efforts with Mahatma Gandhi's vision for a cleaner and healthier society.

### Event Highlights:

1. **Preparatory Meeting:**
  - The day began with a meeting at 9:00 AM in the college auditorium.
  - Committee members and student volunteers gathered to discuss the cleaning plan.
  - Cleaning materials (gloves, trash bags, etc.) were distributed.
2. **Principal's Address:**
  - Our esteemed Principal addressed the gathering.
  - The Principal emphasized Gandhi Ji's teachings on cleanliness and civic responsibility.
  - Students were inspired to actively participate.
3. **Campus-Wide Cleaning:**
  - At 11:00 AM, the cleaning drive commenced.
  - Volunteers covered academic blocks, hostels, pathways, and common areas.
  - Litter was collected, pathways cleared, and green spaces rejuvenated.
4. **Student Participation:**
  - Students from various departments actively participated.
  - Their enthusiasm and commitment were commendable.

### Outcomes:

1. **Cleaner Campus:**
  - The campus witnessed a visible improvement in cleanliness.
  - Litter was significantly reduced, enhancing the overall ambiance.
3. **Continued Efforts:**
  - The committee resolved to maintain regular follow-up sessions.
  - Students pledged to sustain cleanliness beyond this event.

### Conclusion:

The Green Campus Committee expresses gratitude to all participants. Let us carry forward the spirit of Gandhi Ji by nurturing a greener, cleaner, and more responsible campus.

**Subject:** *Permission to Inaugurate meeting to observe "Wheels off Day"*

Respected Sir,

I am writing to you as the Convener of the Green Campus Committee to seek your esteemed presence and permission to inaugurate a meeting on Sep 15, 2018 to celebrate "Wheels Off Day." This initiative aims to promote environmental awareness and reduce our carbon footprint by encouraging the college community to refrain from using vehicles for a day.

We believe your support and participation will greatly inspire our students and staff to embrace this green initiative. We kindly request you to grace the occasion with your inaugural address, marking the beginning of a more sustainable future for our campus.

Thank you for considering our request. We look forward to your positive response.

### Resolution Of The Meeting About Car Free Day

The following resolutions were passed unanimously:

**1. Resolution to Implement "Wheels Off Day":**

The committee resolves to implement "Wheels Off Day" as a regular event to encourage environmental sustainability and reduce the carbon footprint on campus. All students, faculty, and staff are encouraged to participate by refraining from using personal and public vehicles on campus every Wednesday.

**2. Resolution for Awareness Campaigns:**

The committee resolves to initiate awareness campaigns to educate the college community about the benefits of "Wheels Off Day." These campaigns will include the distribution of informative materials, organization of workshops, and active promotion on social media platforms.

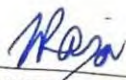

**3. Resolution for Monitoring and Feedback:**

The committee resolves to establish a monitoring system to assess the participation and impact of "Wheels Off Day." Feedback will be collected from participants to continuously improve the initiative and ensure its success.

**4. Resolution for Future Sustainability Initiatives:**

The committee resolves to explore and implement additional sustainability initiatives that align with the college's commitment to environmental stewardship. This includes the consideration of renewable energy sources, waste reduction programs, and green infrastructure projects.

The Green Campus Committee is committed to making "Wheels Off Day" a cornerstone of our college's environmental efforts. We look forward to the active involvement of the entire college community in making this initiative a success.

## Conclusion Report and Outcome Of the Event

The Green Campus Committee successfully organized "Wheels Off Day", an initiative aimed at promoting environmental sustainability and reducing the carbon footprint on campus.

### Objectives:

- To encourage the college community to refrain from using vehicles for a day.
- To raise awareness about the environmental impact of vehicular emissions.
- To foster a culture of sustainability within the college.

### Outcomes:

- A significant reduction in vehicle usage on campus was observed, with many students and staff opting for alternative modes of transportation such as walking, cycling, or carpooling.
- The awareness campaigns led to increased engagement on social media, with students sharing their experiences and commitment to the cause.
- Feedback collected from participants was overwhelmingly positive, with many expressing a desire to continue the practice beyond the designated day.

### Challenges:

- Some logistical issues were encountered, such as the need for additional bicycle parking spaces.
- Ensuring consistent participation across all departments remains a challenge.

### Recommendations:

- To address the parking issue, the committee recommends the installation of new bicycle racks at strategic locations on campus.
- To maintain momentum, the committee suggests organizing monthly "Wheels Off Day" events and incorporating them into the college's official calendar.

### Conclusion:

"Wheels Off Day" was a resounding success, demonstrating the college community's willingness to embrace sustainable practices. The Green Campus Committee is committed to building on this success and exploring further initiatives to promote environmental stewardship.

### Request for Permission to Conduct Campus Survey on Environmental Management

To,  
The Principal,  
THLH Mahavidyalaya  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** Request for Permission to Conduct Campus Survey on Environmental Management

Respected Sir,

I hope this letter finds you in good health and high spirits. I am writing to you as the Convener of the Green Campus Committee, a body committed to fostering sustainable practices within our college premises.

Our committee is planning to undertake a comprehensive survey that aims to assess and improve the current state of waste management, energy conservation, water preservation, and greenery enhancement on our campus.

To conduct this survey effectively, we seek your permission to organize a meeting involving our committee members and interested students. We believe that the insights gained from this survey will be instrumental in implementing targeted strategies for a greener and more sustainable campus. We propose to hold the meeting on Jul 11, 2018 at 1:30 PM in Teacher's room.

We are eager to embark on this significant endeavour and are confident that with your support, we can make a substantial impact. We kindly request you to grant us the necessary permission to proceed with the meeting and the subsequent survey.

Yours faithfully,

## Meeting Notice

*For Green Campus Committee Members*

Dear Esteemed Members,

We are pleased to announce that the Green Campus Committee will be holding a crucial meeting to discuss the upcoming campus survey on waste, energy, water, and greenery management. Your participation is highly valued as we aim to collectively contribute to the betterment of our college's environmental footprint.

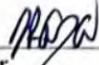

Meeting Details:

- Date: Jul 11, 2018
- Time: 1:30 PM
- Venue: Teacher's room

The agenda will include:

- Finalizing the survey methodology.
- Distribution of survey-related tasks.
- Planning for data collection and subsequent analysis.
- Establishing a timeline for the survey execution.

Your insights and active involvement are essential for the success of this initiative. Together, we can drive meaningful change and reinforce our commitment to sustainability

## Green Campus Committee Meeting

DATE	Jul 11, 2018
TIME	1:30:00 PM
MEETING CALLED TO ORDER BY	Dr. Amit Kumar Chakrabarty

### IN ATTENDANCE

- Prof. WASIM RAJA
- Prof. MANU MARDI
- Prof. DIPANKAR SINHA
- Prof. SUJAY DUTTA
- Prof. ASHRAFUL HOSSAIN

### APPROVAL OF MINUTES

The minutes were read from the Previous meeting and approved. Action items from the previous meeting were discussed, and progress updates were shared.

### AGENDA

- Finalizing the survey methodology.
- Distribution of survey-related tasks.
- Planning for data collection and subsequent analysis.
- Establishing a timeline for the survey execution.

### ACTIVITY

- Convener welcomed all members and introduced the purpose of the meeting.
- Convener presented the proposed survey topics: waste management, energy conservation, water preservation, and greenery enhancement.
- Members shared their insights and suggestions on survey methodology.
- Tasks were assigned for data collection and analysis.
- A tentative timeline was discussed:
- Members agreed to adhere to deadlines.
- Convener emphasized the importance of active participation.
- Subcommittees were formed for each survey topic.
- Members volunteered for specific roles (e.g., data collectors, analysts).

### ANNOUNCEMENTS

The meeting concluded with a vote of thanks to the principal and a commitment from all members to actively participate in programme.

### Resolution

*Of The Meeting*

About Campus Survey

Here are the meeting resolutions based on the discussions during our Green Campus Committee meeting:

#### Resolution 1.

- The committee agreed to conduct a comprehensive survey covering waste management, energy conservation, water preservation, and greenery enhancement.
- Members will collaborate to finalize the survey questions and data collection methods.

#### Resolution 2.

- Subcommittees were formed for each survey topic:
  - Waste Management Subcommittee
  - Energy Conservation Subcommittee
  - Water Preservation Subcommittee
  - Greenery Enhancement Subcommittee
- Members volunteered for specific roles within these subcommittees.

## Conclusion Report and Outcome

*Of the Event*

The Green Campus Committee successfully conducted a comprehensive survey to evaluate the current state of environmental management at our college. The survey focused on four key areas: waste management, energy conservation, water preservation, and greenery enhancement. The initiative aimed to identify areas for improvement and engage the student body in sustainable practices.

### Key Findings

- **Waste Management:** The survey revealed that while there are adequate waste bins around the campus, recycling practices are not widely adopted. There is a need for better segregation of waste and increased awareness of recycling benefits.
- **Energy Conservation:** The findings indicated that a significant amount of energy could be saved by optimizing lighting and air conditioning usage, especially during off-peak hours.
- **Water Preservation:** The survey identified several leaky faucets and inefficient water usage in landscaping. There is potential for water conservation through the installation of low-flow fixtures and rainwater harvesting systems.
- **Greenery Enhancement:** The campus has a good amount of green space, but there are opportunities to increase biodiversity and create more green zones.

### Recommendations

Based on the survey results, the committee proposes the following actions:

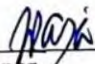

- Implement a campus-wide recycling program with clear guidelines and proper facilities.
- Conduct energy audits to identify areas for efficiency improvements and implement a campus-wide energy-saving campaign.
- Install water-saving devices and repair existing fixtures to reduce water wastage.
- Develop a greenery enhancement plan that includes planting native species and creating additional green spaces.

### Conclusion

The survey has provided valuable insights into the environmental management of our college. It has also successfully engaged students in sustainability efforts, fostering a culture of environmental responsibility. The Green Campus Committee is committed to working with the college administration to implement the recommended actions and continue to promote a sustainable campus environment.

### Outcome

The college administration has acknowledged the survey findings and expressed support for the proposed recommendations. A task force will be formed to oversee the implementation of the initiatives, with the Green Campus Committee playing a key role in monitoring progress and ensuring the successful execution of the sustainability plan.

### Permission to Arrange Meeting for Environment Day Celebration

To,  
The Principal,  
THLH Mahavidyalaya  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** Permission to Arrange Meeting for Environment Day Celebration

Respected Sir,

I hope this letter finds you in the best of health and spirits. As the Convener of the Green Campus Committee, I am writing to seek your permission to organize a meeting on the occasion of the upcoming Environment Day. This event is a significant opportunity for us to highlight the importance of environmental conservation and to engage the college community in our green initiatives.

Proposed Date and Time: May 31, 2018 at 1:30 PM Venue: Teacher's Room

We believe that your presence as the host and chief guest would greatly enhance the significance of the meeting. Your support and guidance have always been pivotal to our committee's success, and we are eager to have you lead us in celebrating this vital day.

Yours faithfully,

### Resolution Of The Meeting About Environment Day

The Green Campus Committee with the presence of all committee members and staff, hereby resolves the following:

- Resolution 1.** Environment Day Celebration: The committee unanimously agrees to celebrate Environment Day with a series of events aimed at promoting environmental awareness and sustainability within the college community.
- Resolution 2.** Events and Workshops: The committee finalizes the organization of the following events:
- A Tree Planting Ceremony at College Campus, led by Green Campus Committee.
  - A Campus Clean-Up Drive .
- Resolution 3.** Assignment of Responsibilities: Specific responsibilities for the successful execution of the Environment Day events are assigned to designated committee members and volunteers.
- Resolution 4.** Support and Participation: The committee calls upon all staff and students to actively participate in the Environment Day events and contribute to the college's green initiatives.

This resolution is passed with full consensus and is recorded in the meeting minutes as a testament to the committee's commitment to fostering a greener and more sustainable campus environment.

## Conclusion Report and Outcome *Of the Event*

The Green Campus Committee is proud to present the outcome and conclusion report for the Environment Day celebration held on [Insert Date]. The event was a resounding success, with enthusiastic participation from students, faculty, and staff members.

### Outcomes:

#### 1. Tree Planting Ceremony:

- A total of 15 trees were planted across the campus, contributing to our goal of creating a greener and more sustainable environment.
- Participants included students from various departments, demonstrating a collective effort towards ecological conservation.

#### 2. Campus Clean-Up Drive:

- The drive resulted in the collection of 11 kilograms of waste, which was properly segregated and disposed of, emphasizing the importance of cleanliness and waste management.
- The initiative also raised awareness about the impact of littering and the benefits of recycling.

### Conclusion:

The Environment Day celebration not only brought our college community together but also instilled a sense of responsibility towards the environment. The active engagement and positive feedback from participants indicate a growing consciousness about environmental issues and a willingness to take action.

## Request for Permission to Conduct "World Earth Day" Meeting and Plantation Program

To,  
The Principal,  
THLH Mahavidyalay  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** Request for Permission to Conduct "World Earth Day" Meeting and Plantation Program

Respected Sir,

I hope this letter finds you in good health and high spirits. As the convener of the Green Campus Committee, I am writing to seek your kind permission to organize a meeting and a plantation program in celebration of "World Earth Day."

Event Details:

Date: Apr 16, 2018

Time: 01:00 PM onwards

Venue: Teacher's room

This meeting is to raise awareness about environmental conservation, sustainable practices, and the importance of preserving our planet. We plan to discuss upcoming initiatives, share ideas about environmental issues. Following the meeting, we propose organizing a tree plantation drive. We aim to plant native trees and create green spaces within the college premises. We will ensure proper maintenance and care for the newly planted saplings.

We sincerely request your approval to conduct this event. Your support will significantly enhance our efforts towards creating a greener and more environmentally conscious campus.

Yours faithfully,

## Green Campus Committee Meeting

DATE	April 16, 2018
TIME	1:30:00 PM
MEETING CALLED TO ORDER BY	Dr. Amit Kumar Chakrabarty

### IN ATTENDANCE

- Prof. WASIM RAJA
- Prof. MANU MARDI
- Prof. DIPANKAR SINHA
- Prof. SUJAY DUTTA
- Prof. ASHRAFUL HOSSAIN

### APPROVAL OF MINUTES

The minutes were read from the Previous meeting and approved. Action items from the previous meeting were discussed, and progress updates were shared.

### AGENDA

- Introduction to the significance of World Earth Day.
- Discussion on Green Initiatives
- Distributing saplings and encouraging participants to plant trees within the campus.

### ACTIVITY

The meeting commenced with a brief introduction to the significance of World Earth Day. The Convener welcomed all participants and emphasized the importance of environmental awareness.

Key points discussed:

- Need for tree plantation drives within the campus.
- Importance of waste reduction and recycling initiatives.
- Encouraging students to adopt eco-friendly habits.
- Committee members actively participated in brainstorming sessions:
- Setting up composting bins in common areas.
- Participants pledged to plant and nurture the saplings within the campus.
- Committee members volunteered to oversee the maintenance of planted trees.
- Attendees collectively agreed to:
  - Reduce plastic usage.
  - Promote energy conservation.
  - Advocate for a greener campus.

### Resolution

*Of The Meeting*

About World Earth Day

In our recent meeting celebrating "World Earth Day," the Green Campus Committee reached several important resolutions to enhance our environmental initiatives. Here are the key **Outcomes**:

#### Resolution 1.

- o We unanimously agreed to organize regular tree plantation drives within the campus. Native tree species will be prioritized to promote biodiversity and improve the overall green cover.
- o Committee members volunteered to take responsibility for specific areas and ensure proper care of the planted saplings.

#### Resolution 2.

- o We will introduce a monthly "Green Challenge" for students and staff. Each month, participants will be encouraged to adopt eco-friendly practices, such as reducing plastic usage, conserving energy, or practicing waste segregation.
- o The committee will create awareness campaigns and reward systems to motivate active participation.

#### Resolution 3.

- We aim to set up composting bins in common areas to manage organic waste effectively.

#### Resolution 5.

- o Prof. Sujoy Dutta will design eye-catching posters to educate the campus community about waste reduction, recycling, and responsible consumption.

#### Resolution 6. Pledge for a Greener Future:

- o All attendees took a pledge to actively contribute to a greener campus. We commit to making small but impactful changes in our daily habits.

#### Resolution 7.

The committee will allocate a portion of our budget for tree saplings, awareness materials, and any necessary expenses related to our initiatives.

### Notice

*For Students*

Dear Students,

Join Us in Celebrating World Earth Day! The Green Campus Committee is excited to invite you to our upcoming event in honor of World Earth Day. Let's come together to make a positive impact on our environment and create a greener campus.

Event Details:

- Date: Apr 23, 2018
- Time: 10:30 AM
- Venue: College Campus

Let's make this World Earth Day memorable! Your participation matters.

Convener,  
Green Campus Committee

Principal  
THLH Mahavidyalaya

## Conclusion Report and Outcome *Of the Event*

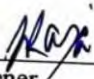

We are delighted to share the outcomes of our "World Earth Day" celebration and plantation program organized by the Green Campus Committee. Your active participation and commitment made this event a success, and we are grateful for your dedication to environmental conservation.

1. Small individual actions collectively contribute to combating climate change.
2. Discussion on Green Initiatives:
  - Committee members and participants engaged in lively discussions:
3. We agreed to launch monthly challenges to encourage eco-friendly habits. Look out for upcoming themes!
4. Committee members are researching composting methods for implementation across campus.
5. We plan to collaborate with other student clubs for joint environmental projects.
6. Plantation Drive:
  - Over 30 saplings were distributed.
  - Participants planted trees in designated areas, creating green spaces within our campus.
  - Each tree represents our commitment to a healthier environment.
7. Pledge for a Greener Future:
  - During the closing session, we collectively pledged to:
    - Reduce plastic usage.
    - Conserve energy.
    - Promote sustainable practices.

### Outcomes:

1. Increased Awareness:
  - Students and faculty gained insights into environmental issues and solutions.
  - The event sparked conversations about responsible living.
2. Community Engagement:
  - Our campus community came together, fostering a sense of responsibility.
  - Students expressed enthusiasm for ongoing initiatives.
3. Visible Impact:
  - The newly planted saplings are thriving, enhancing our campus aesthetics.
  - Composting bins will soon be strategically placed for waste management.

Thank you for contributing to a greener future. Let's sustain this momentum and make every day Earth Day!

## Permission to Inaugurate Meeting for observing "No Smoking Day"

To,  
The Principal,  
THLH Mahavidyalaya  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** *Permission to Inaugurate Meeting for observing "No Smoking Day"*

Respected Sir,

I am writing to you as the Convener of the Green Campus Committee to seek your esteemed presence and permission to inaugurate a meeting focused on observation of "No Smoking Day" and implementing strict restrictions on smoking and chewing gutkha within the college premises. The meeting is scheduled for Mar 5, 2018 at 1.30 pm in Teacher's room.

Your support and guidance have always been pivotal to our initiatives. We believe that your presence will greatly emphasize the importance of this meeting and inspire our committee members to enforce these necessary regulations diligently.

Thank you for considering our request. We look forward to your positive response.

Yours faithfully,

# Minutes

## Green Campus Committee Meeting

DATE	March 5, 2018
TIME	1:30:00 PM
MEETING CALLED TO ORDER BY	Dr. Amit Kumar Chakrabarty

### IN ATTENDANCE

- Prof. WASIM RAJA
- Prof. MANU MARDI
- Prof. DIPANKAR SINHA
- Prof. SUJAY DUTTA
- Prof. ASHRAFUL HOSSAIN

### APPROVAL OF MINUTES

The minutes were read from the Previous meeting and approved.

### AGENDA

- Inauguration by the Principal
- Discussion on observation of "No smoking Day" and implementation of strict restrictions on smoking and chewing gutkha
- Strategies for enforcement and awareness
- Any other business

### ACTIVITY

The meeting was inaugurated by Dr. Amit Kumar Chakrabarty, who emphasized the importance of a clean and healthy campus environment. The committee discussed various strategies to enforce the restrictions, including regular patrols, signage, and awareness campaigns. Members proposed collaborating with student organizations to spread the message effectively.

The following initiative has been taken to strengthen the outcome:

- Draft a policy document outlining the restrictions and penalties.
- Design and install no-smoking and no-gutkha signs around the campus.
- Organize an awareness week with workshops and activities.

### ANNOUNCEMENTS

The meeting concluded with a vote of thanks to the principal and a commitment from all members to actively participate in the enforcement of the new regulations.

Principal  
THLH Mahavidyalaya  
Madian, Mallarpur, Gonpur

### Resolution

*Of The Meeting*

About No Smoking Day

The Green Campus Committee, in its meeting held on 9th March, 2018, with the esteemed presence of the principal, Dr. Amit Kumar Chakrabarty, and the committee members, hereby resolves the following:

**Resolution 1.** The committee unanimously agrees to implement strict restrictions on smoking and chewing gutkha within the college premises. A comprehensive policy document will be drafted to outline these restrictions and the associated penalties for violations.

**Resolution 2.** To ensure the effectiveness of the policy, the committee will establish a dedicated enforcement team responsible for regular patrols and monitoring. Violations will be addressed promptly, and repeat offenders will face stringent consequences.

**Resolution 3.** Recognizing the importance of awareness in changing behaviours, the committee will launch an awareness campaign. This will include workshops, seminars, and interactive sessions to educate students and staff about the health risks associated with smoking and gutkha use.

**Resolution 4.** The committee will collaborate with student organizations to amplify the reach of the awareness campaign. These organizations will play a key role in peer-to-peer education and in fostering a supportive environment for the policy's adoption.

**Resolution 5.** No-smoking and no-gutkha signs will be designed and installed at strategic locations around the campus. Additionally, the committee will utilize college communication channels to disseminate information about the new policy and its importance.

**Resolution 6.** An awareness week will be organized, featuring a series of events such as workshops, activities, and pledge signings to commit to a smoke-free and gutkha-free campus.

**Resolution 7.** The committee will conduct regular reviews of the policy's impact and gather feedback from the college community. This will help in refining the approach and ensuring the policy's success.

The Green Campus Committee is committed to creating a healthier, cleaner, and more sustainable campus environment. The resolutions passed in this meeting reflect our collective dedication to this cause. The meeting adjourned with a vote of thanks to the Principal and all members for their active participation and support.

## Notice *for Students*

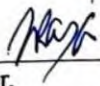

Dear Students,

We hope this message finds you well. As part of our commitment to promoting a healthy and smoke-free campus, we are organizing a special event to observe "No Smoking Day." We invite all students to actively participate in this program and contribute to creating a cleaner and safer environment for everyone.

Event Details:

- Date: Mar 9, 2018
- Time: 10.30 AM
- Venue: College Campus

Spread the word among your friends and classmates and share your ideas and suggestions during the interactive sessions. Let's make "No Smoking Day" a memorable and impactful event! Together, we can create a smoke-free campus that benefits us all.

## Conclusion Report and Outcome *Of the Event*

The "No Smoking Day" awareness program, organized by the Green Campus Committee, aimed to educate students and faculty about the harmful effects of smoking and promote a smoke-free environment within our college. The event took place on 9th Mar, 2018, in the College Seminar Hall.

### Outcomes:

1. Increased Awareness:
  - Participants gained a deeper understanding of the health risks associated with smoking.
  - Many pledged to quit smoking or support their peers in quitting.
2. Commitment to Change:
  - The college administration committed to enforcing stricter anti-smoking policies.

### Conclusion:

The "No Smoking Day" awareness program was a resounding success. It not only educated participants but also ignited a collective commitment to create a healthier and cleaner campus. We extend our gratitude to the Principal, committee members, and all participants for their active involvement.

Let us continue our efforts to make our college a beacon of health and well-being.

- Students formed a "Smoke-Free Campus" task force to monitor compliance.
- The event trended on social media platforms, reaching a wider audience.
- Hashtags like #NoSmokingDay and #SmokeFreeCampus gained traction.

## Request for permission to conduct a meeting to review Green Policy

To,  
The Principal,  
THLH Mahavidyalaya  
Madian, Mallarpur, Ganpur, Birbhum, WB 731216

**Subject:** Request for permission to conduct a meeting to review Green Policy

Respected Sir,

I hope this letter finds you in good health and high spirits. As the Convener of the Green Campus Committee at [College Name], I am writing to seek your permission for an important initiative that will contribute to our college's commitment to sustainability and environmental consciousness.

Our Green Campus Committee aims to promote eco-friendly practices, raise awareness about environmental issues, and ensure the effective implementation of our college's Green Policy. To achieve these goals, we propose conducting a comprehensive review of our existing Green Policy. This review will assess its effectiveness, identify areas for improvement, and recommend necessary updates.

Based on our findings, we will prepare a detailed report with recommendations for policy enhancements. These may include updates to specific targets, new initiatives, awareness campaigns, and resource allocation.

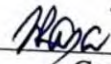

A revised Green Policy will strengthen our commitment to environmental sustainability and align with global efforts to combat climate change.

We kindly request your permission to proceed with the review process outlined above. We assure you that our committee will work diligently, involving all relevant stakeholders, and submit a comprehensive report within the stipulated timeframe.

Thank you for your attention to this matter.

Yours faithfully,

## Meeting Notice

*For Green Campus Committee Members*

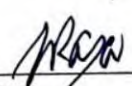

Dear Committee Members,

As the Convener of the Green Campus Committee, I am writing to invite you to our upcoming meeting scheduled for Feb 7, 2018. The primary agenda for this meeting is to conduct a comprehensive review of our college's green policy.

The topics for discussion will include:

- Evaluation of current environmental initiatives
- Identification of areas for improvement
- Planning of new sustainable practices

Your participation is crucial for the success of our green initiatives.

### Resolution

*Of The Meeting*

About Green Policy Review

WHEREAS, the THLHM is committed to environmental sustainability and the welfare of its community;

WHEREAS, the current green policy has been in effect since 2018, and it is essential to assess its effectiveness and relevance;

BE IT RESOLVED, that a meeting will be convened on Feb 7, 2018 at 1:30 PM in Teacher's Room, to conduct a comprehensive review of the green policy of THLHM.

BE IT FURTHER RESOLVED, that the review will include an evaluation of the policy's impact on the college's carbon footprint, waste management, energy usage, and overall sustainability efforts;

BE IT FURTHER RESOLVED, that the meeting will involve key stakeholders including faculty, students, administrative staff, and external environmental experts;

BE IT FURTHER RESOLVED, that recommendations for amendments, updates, or overhauls to the green policy will be solicited, discussed, and documented during the meeting;

BE IT FINALLY RESOLVED, that the outcomes of the meeting, including any proposed changes to the green policy, will be compiled into a report to be presented to the college's governing body for approval and implementation.

**Subject:** Request for Permission to Conduct Campus Survey on Environmental Management

Respected Sir,

I hope this letter finds you in good health and high spirits. I am writing to you as the Convener of the Green Campus Committee, a body committed to fostering sustainable practices within our college premises.

Our committee is planning to undertake a comprehensive survey that aims to assess and improve the current state of waste management, energy conservation, water preservation, and greenery enhancement on our campus.

To conduct this survey effectively, we seek your permission to organize a meeting involving our committee members and interested students. We believe that the insights gained from this survey will be instrumental in implementing targeted strategies for a greener and more sustainable campus. We propose to hold the meeting on Jan 11, 2018 at 1:30 PM in Teacher's room.

We are eager to embark on this significant endeavour and are confident that with your support, we can make a substantial impact. We kindly request you to grant us the necessary permission to proceed with the meeting and the subsequent survey.

Yours faithfully,

## Meeting Notice

*For Green Campus Committee Members*

Dear Esteemed Members,

We are pleased to announce that the Green Campus Committee will be holding a crucial meeting to discuss the upcoming campus survey on waste, energy, water, and greenery management. Your participation is highly valued as we aim to collectively contribute to the betterment of our college's environmental footprint.

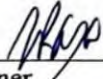

Meeting Details:

- Date: Jan 11, 2018
- Time: 1:30 PM
- Venue: Teacher's room

The agenda will include:

- Finalizing the survey methodology.
- Distribution of survey-related tasks.
- Planning for data collection and subsequent analysis.
- Establishing a timeline for the survey execution.

Your insights and active involvement are essential for the success of this initiative. Together, we can drive meaningful change and reinforce our commitment to sustainability.

## Resolution

*Of The Meeting*

About Campus Survey

Here are the meeting resolutions based on the discussions during our Green Campus Committee meeting:

**Resolution 1.** Survey Methodology:

- The committee agreed to conduct a comprehensive survey covering waste management, energy conservation, water preservation, and greenery enhancement.
- Members will collaborate to finalize the survey questions and data collection methods.

**Resolution 2.** Roles and Responsibilities:

- Subcommittees were formed for each survey topic:
  - Waste Management Subcommittee
  - Energy Conservation Subcommittee
  - Water Preservation Subcommittee
  - Greenery Enhancement Subcommittee
- Members volunteered for specific roles within these subcommittees.

## Conclusion Report and Outcome *Of the Event*

The Green Campus Committee successfully conducted a comprehensive survey to evaluate the current state of environmental management at our college. The survey focused on four key areas: waste management, energy conservation, water preservation, and greenery enhancement. The initiative aimed to identify areas for improvement and engage the student body in sustainable practices.

### Key Findings

- **Waste Management:** The survey revealed that while there are adequate waste bins around the campus, recycling practices are not widely adopted. There is a need for better segregation of waste and increased awareness of recycling benefits.
- **Energy Conservation:** The findings indicated that a significant amount of energy could be saved by optimizing lighting and air conditioning usage, especially during off-peak hours.
- **Water Preservation:** The survey identified several leaky faucets and inefficient water usage in landscaping. There is potential for water conservation through the installation of low-flow fixtures and rainwater harvesting systems.
- **Greenery Enhancement:** The campus has a good amount of green space, but there are opportunities to increase biodiversity and create more green zones.

### Recommendations

Based on the survey results, the committee proposes the following actions:

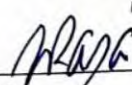

- Implement a campus-wide recycling program with clear guidelines and proper facilities.
- Conduct energy audits to identify areas for efficiency improvements and implement a campus-wide energy-saving campaign.
- Install water-saving devices and repair existing fixtures to reduce water wastage.
- Develop a greenery enhancement plan that includes planting native species and creating additional green spaces.

### Conclusion

The survey has provided valuable insights into the environmental management of our college. It has also successfully engaged students in sustainability efforts, fostering a culture of environmental responsibility. The Green Campus Committee is committed to working with the college administration to implement the recommended actions and continue to promote a sustainable campus environment.

### Outcome

The college administration has acknowledged the survey findings and expressed support for the proposed recommendations. A task force will be formed to oversee the implementation of the initiatives, with the Green Campus Committee playing a key role in monitoring progress and ensuring the successful execution of the sustainability plan.

# TRANSECT SURVEY DATA FORM 1 FIELD RESULTS

Complete one form for each transect surveying in a transect

Name: Sanjay Kishu Date: 13.08.19

Scientific name: Tridax procumbens L

Name of study area: Flower garden

Transect number: 02

Transect length: 10 m

Total number of samples collected using your transect: 20

Describe your study area (e.g. disturbed habitat, forest, undisturbed wetland)

The flower garden is situated in front side of campus area

Describe how you recorded the presence of species along the transect (e.g. presence at other side within 1 m to each side of transect, every 0.5 m along transect)

Presence within 1 m to each side of the transect, every 0.5 m along transect.

List points where species was present	List points where species was absent (e.g., 0.5 m, 2.0 m)	Habitat
1.5 m	0.5 m	Garden
2 m	1 m	d
2.5 m	4 m	d
3 m	4.5 m	d
3.5 m	5 m	d
6.5 m	5.5 m	d
7 m	6 m	d
9 m	7.5 m	d
9.5 m	8 m	d
10 m	8.5 m

# TRANSECT SURVEY DATA FORM 1 FIELD RESULTS

Complete one form for each species along each transect

Name: Sahadev Mondal Date: 16.07.2018  
 Species name: Gomphrena celosioides (সুন্দরী, এলাচুল)  
 Name of study area: Fruit Garden of College campus  
 Transect number: 01  
 Transect length: 20 m  
 Total number of sampling units along your transect: 20 x 2 = 40

Describe your study area (e.g. transect roadside to roadside) and location:  
Large fruit tree garden, situated in the front left side of college campus

Describe how you recorded the presence of species along the transect (e.g. presence or absence within 1 m to each side of transect, every 0.5 m along transect)

Presence within 1 m to each side of transect, every 0.5 m along transect.

1 m intervals along transect	1 m intervals perpendicular to transect (e.g. 0.5 m, 2.0 m)	Presence
0.5 m, 1 m, 1.5 m	2.5 m, 3 m, 4 m	Grass land
2 m	6.5 m, 7 m, 7.5 m	
4.5 m,	8 m, 8.5 m, 9 m	
5 m, 5.5, 6 m	9.5 m, 10 m	
10.5 m, 11 m,	11.5 m, 12 m, 12.5 m	
13 m, 13.5 m, 14 m	15 m, 15.5 m, 16 m	
14.5 m	16.5 m	
17 m, 17.5 m	18 m, 19 m	
18.5 m, 20 m	19.5 m

To

The Controller of the Exam

The University of Burdwan

Rajbati, Burdwan

(Through the Principal, THLH Mahavidyalay)

Sir,

With due respect I would like to inform you that I, Laxmi Das, a blind student and examinee of BA honours in History, Sem.-VI, bearing Roll No.20013130074 Exam.-2023 of your University under THLH Mahavidyalay.

I humbly request you to please allow me an amanuensis with extra time as per norms.

I will be highly obliged if you please arrange for accepting my prayer and granting the same and do the needful.

Thanking you,

Sincerely Yours,

Laxmi Das

 CONTROLLER OF EXAMINATIONS

**INSTRUCTIONS TO THE EXAMINEE**

- An examinee must produce the valid Admit Card in the Examination Centre as and when asked for. Without the valid Admit Card no examinee will be allowed to enter into the Examination Centre.
- An examinee shall take his/her seat at least ten minutes before the commencement of the examination. In exceptional cases, the Centre-in-Charge may grant special permission to an examinee to enter into the Examination Centre after the commencement of the examination but in no case an examinee will be allowed to enter the Examination Centre after twenty minutes of the commencement of the examination. However, no extra time will be granted to such examinee.
- No examinee will be allowed to leave the examination hall till an hour has elapsed from the commencement of the examination. The examinee must hand over his/her answer-script, even if blank, to the Invigilator before leaving the examination hall.
- An examinee shall provide the relevant information only on the space provided in the answer script. Any additional information (viz. Candidate's name/College name etc.) shall lead to cancellation of examination of the paper/course concerned and/or the entire examination.
- An examinee is forbidden to carry into the examination hall or to have in his/her possession any book, note, paper, writings, scribbling or other electronic gadgets like Mobile Phones / Cellular Phones / Satellite Phones / Pagers / Digital Diaries / Programmable Calculators / Smart Watches. He/she will carry his/her Admit Card, Registration Certificate, pen or the like. Any article found in the possession of an examinee in contravention of these instructions shall be liable to be seized by the Invigilator/ Officer-in-Charge.
- An examinee shall neither help / try to help any other examinee nor obtain / try to obtain any help from any examinee or person inside the examination hall. Communication of any nature between an examinee and another examinee or any person during the examination, whether inside or outside the examination hall, is strictly forbidden.
- An examinee shall not write any objectionable or improper remark in his/her answer-script. He/she must not write anything on the question paper.
- An examinee is warned that adoption of unfair means or an attempt to adopt such means during the examination or any breach or attempt to breach any of these instructions or other examination regulations or any type of tampering with the Admit Card, will render him/her liable to expulsion from the examination or to be reported against by the Centre in-Charge.
- A warning bell shall be rung fifteen minutes before the completion of the examination when the doors of the examination hall(s) shall be closed. Thereafter the examinees shall remain in their seats and must not leave the hall till the invigilators allow them to leave.
- Notwithstanding the issue of this Admit Card, the University shall have the right for any reason which may appear to be sufficient to cancel the admission of any examinee to any Examination Centre, whether before, during or after the examination. The University may also debar an examinee from appearing at any subsequent University examination(s) and the decision of the University in all such cases shall be final and binding.
