REPORT:

A Soft Skill Course on the topic 'Learning Soft Skills through English Literature' was arranged by the Faculty members of the English Department for the willing students of Sem 2 and Sem 4 in the academic session of 2022- 2023 in order to acquaint them with the various kind of soft skills that can also be learned from literary texts. The Course was of an 8 days and 32 hours tenure held from 2nd February 2023 to 10th February in this academic session. A total number of 24 students participated in the Course conducted chiefly by the teachers of the English Department.

It began with a lecture delivered by the Principal of this institution who elaborated on the topic of 'Communication Skills' while reading GB Shaw's text on 'Spoken English and Broken English' on the first day of the Course. The two other Soft Skill topics like 'Teamwork and Collaboration' and 'Emotional Intelligence' were taken up by Kyamalia Bairagya on the next two days of the Course by the reading of Rudyard Kipling's *The Jungle Book* and Daniel Defoe's *Robinson Crusoe* respectively. Bidyut Kumar Mondal spoke on the importance of Problem Solving from his reading of Frank Stockton's short story 'The Lady or the Tiger'. Oendri Chatteraj's interpretation of the topic of 'Time Management' took place through her reading of Anton Chekov's 'The Bet' which has the famous character of the Lawyer spend 20 years of his life in solitary confinement with the help of books. The soft skill of Adaptability was an appropriate topic taken up by Mrigen Mondal which could be interpreted from the kind of acceptance of fate which could be found in the characters of Maurya and her family. While teaching Coleridge's *The Rime of the Ancient Mariner* Kyamalia Bairagya used her knowledge on Creativity to focus on the particular of Skill. The final day was about a general discussion among students based on which the assessment sheet was made,

It was an experimental and innovative way of teaching the widely known Soft Skills through relevant texts in English Literature. The students enjoyed the Course as it was an interactive session for them. It equipped them with ideas on how to deal with various difficult and easy situation in life with grace and intelligence.

SPOKEN and COMMUNICATIVE ENGLISH

Report :

A 9 days (36 hours) Course on Spoken and Communicative English was organized by the Department of English faculties for willing College students under the guidance of IQAC and direction of the Head of the Institution in the academic session of 2021- 2022. It was an intra- College program which took place in the College premises from 16th April 2022 to 26th April 2022. A total number of 37 students benefitted from this Course.

After receiving permission from the Principal, a notice was circulated among the students to enlist the name of the participants for the Course. A few students from departments other than English had also enlisted themselves for the Course.

The entire Course was divided in nine days culminating into a total duration of 36 hours. All the faculties of the English Department were involved in the successful deliberation of the Course. The Principal of the institution was invited to commence the Course on the first day with his erudition on the subject of basic Communication skills in English. The next two days were a lot more interesting as the two faculties Bidyut Mondal and Mrigen Mondal were able to make use of innovative techniques like making the participants listen to English speaking sessions from Google and also hear sports Commentary to improve their language absorbing skills. The participants were made to use their internet enabled personal gadgets for this purpose. Since both reading and writing are two important aspects of learning to speak or communicate in good English, separate classes were kept in this Course to practice Reading and develop Basic English writing skills. Teaching Basic English Grammar was also a part of the Course which was handled well by Oendri Chatteraj and Kyamali Bairagya. The Course ended with an interactive session involving the teachers and the participants were made to appear in small Viva voce session for a qualitative evaluation of their learning before the distribution of Certificates could take place.

It was an honest effort made by the teachers of the Department to enable the participants with the basic English speaking skills. Although a number of participants were from Departments other than English they also tried their best to learn about various the

A REPORT ON SOFT SKILL COURSE IN PHYSICAL FITNESS

The Department of Physical Education, Turku Hansda lapsa Hemram Mahavidyalay conducted an Soft skill Certificate Course in Physical Fitness on 10th May to 25th May, 2022 in room no 122. The enrollment was for only 30 students based on first come first serve basis. Total 17 students enrolled, and all the students completed for this course. The exam was conducted through practical and viva basis. The certificates were provided duly. This course aimed to provide students with a comprehensive understanding of physical fitness, its principles, and practical applications. The Certificate Course in Physical Fitness provided a solid foundation for individual's interest in pursuing a career in Physical Fitness instruction, wellness coaching, or holistic health. By combining theoretical knowledge with practical training, students can enhance their understanding of Physical Fitness and contribution to the well-being of others.

ABOUT THE COURSE

CAPACITY DEVELOPMENT AND SKILL ENHANCEMENT (2022-2023) 'Scientific Computing Using MATLAB'

Report of the Course :-

The **Scientific Computing Using MATLAB** successfully equipped participants with practical skills in automating tasks, enhancing computing functionality, and creating custom solutions using MATLAB. Participants completed practical assignments and examinations. Certificates were awarded to successful candidates and feedback were collected from participants regarding course content, delivery, and overall experience. Throughout the course, participants actively engaged in hands-on exercises, discussions, and practical assignments. Their enthusiasm and willingness to explore MATLAB concepts contributed to a vibrant learning environment. Students gained practical skills in MATLAB programming. Explored numerical techniques for data handling and solving differential equations. The course is suitable for students interested in research projects involving numerical methods. Access to MATLAB during the course, thanks to support from MathWorks.

Conclusion:

The Scientific Computing Using MATLAB certificate course successfully equipped participants with valuable skills. Participants expressed satisfaction with the practical approach and real-world applications. Regular feedback sessions allowed us to fine-tune the course content. Adjustments were made based on participant preferences and learning pace. Congratulations to all participants who successfully completed the course. Your certificates are a testament to your dedication and newfound skills.

Capacity Development and Skill Enhancement Course titled "ICT for Effective Learning"

❖ Report:

The Physics Department organized an Add-on/Certificate Course on "Physics in Everyday Life" specifically tailored for undergraduate students. The course aimed to provide foundational knowledge of physics principles relevant to daily experiences. Topics covered included mechanics, thermodynamics, waves, optics, and magnetism. Students gained practical insights into real-world applications. The course enhanced problem-solving skills and fostered interdisciplinary learning. Overall, it empowered students with a deeper understanding of the natural world. The brief of the course is given below.

- Course Title: ICT for Effective Learning
- Duration: 30 hours
- Schedule: 16/08/2022 to 30/08/2022
- Course Instructor: Amit Das, Assistant Professor, Department of Physics, THLH Mahavidyalay; Buddhadeb Ghosh, SACT, Department of Physics, THLH Mahavidyalay; Dr Sewli Chatterjee, Assistant Professor, THLH Mahavidyalay; Chandan Mondal SACT, Department of Mathematics, THLH Mahavidyalay; Dr Wasim Raja, Assistant Professor, Department of Chemistry, THLH Mahavidyalay
- Number of Enrolled Participant: 5

❖ Conclusion:

The course empowers students to leverage ICT tools for effective learning, preparing them for academic success and future careers.
